Dear Sir:-

Enclosed letter to Col. Scott, has been referred to me, with attached paper from Mr. J. B. Quarrier, Secretary.

My recollection is, that there was attached to these papers a letter from one of the Lady War Nurses and that the understanding was, there were only about 15 of them and it was customary to provide free quarters for them. At a meeting of the Executive Council held Aug. 3rd, 1895, a communication was read in regard to free quarters for war nurses and was referred to the Accommodation Committee with power to act. I have not the name of the lady or party writing the communication, but have it in my minute book as ---------- communication, and that the papers were at that meeting all turned over to Col. Scott. Can you help us out in this matter? The time is slipping away and some thing should be done.

Mr. O. P. Baldwin,

Dear Sir:-

We have this day received a communication relative to the Akron Post Quartette, of which you wrote us some time since. This communication came to us unsigned, and we therefore take the liberty to address you again in reference to its contents. It starts out by giving the selections the Quartette proposes to render on the occasion.

It was by your request that we placed them on our program, and they have asked us in regard to quarters while here. Owing to the fact that our programs are very lengthy and that we have so many participants, it was impossible for us to allow them a place for more than two nights, say one time at each place, and as the funds appropriated for this Committee are limited, we do not feel that it would justify us to pay their expenses while here. We shall use every means to get them respectable quarters for as low a price as possible, and trust that you will look into this matter and report to us at once, in order that we may know what course to pursue.

Yours respectfully,

My Dear Sir:-

We received a communication from you relative to the work of the Quartette, and also asking about Quarters while here during the Encampment.

As your letter was unsigned, we wrote to Mr. O. P. Baldwin asking him to see the quartette, and in looking up his former communication we find that your name was mentioned as one of the Quartette. You will be mailed within a few days a copy of the Program on which the Quartette is expected to appear, giving the time and place.

In regard to the Quarters I would say that the Buckley Post has been assigned Free Quarters at the City School Building at 13th & Green which is centrally located. We wrote to Mr. Buckley Baldwin that as our funds for the expenses are limited we did not feel justified to stand your expenses while here, but [illegible] do all within our power to secure Quarters at as reasonable a price as possible. Since writing him we find that the Post has been assigned the above mentioned place free of charge which doubtless includes you, as he stated the Quartette belongs to the Post.

I, therefore, request, that you allow me $30-, to pay three nights rental at Music Hall for full final rehearsals, preparatory to the singing at the Saubeque. Dear Sir:

It is very important that you attend the meeting of the Board of Managers of the Citizens' G. A. R. Committee, Friday Night, Sept. 6th, as at that time the badges for the members of your Committee will be delivered to you for distribution.

If you will call at the Headquarters, Miss. Holloran, can give you the names of your committee in entitled to badges. All of the members of your committee will not get Amusement Badges, for the reason that some of them appear on other committees and they will get them through the Chairman of some other committee.

The object of this is, to give each committeeman only one badge. If each Chairman would distribute to his full list, some of the members would get five or six badges.

If you will call and get the names of the ones you are to give badges to, you can call a meeting of your committee(those entitled to badges) for, say Saturday, and distribute the badges in a very few minutes and be ready for work Monday.

Yours respectfully,

Dear Sir:-

Replying to yours of the 2nd inst, have to say that we cannot make any preparation to receive you on this side of the river until Monday morning at, say, 10:30 A. M., when you can be met at the 14th st Depot in this City, presuming you will march from New Albany, and cross the K. & I. Bridge. The Drum Corps will meet you at the time named, and escort you up Main st, past Gen. Lawler's Headquarters, and out Brook or Preston sts to a Camping Ground. The Camping Ground on Preston st, will be occupied by Old Soldiers to the number of near three thousand. The Camp on Brook and St. Catharine sts, will be made up of two or more Camps from this state. I would suggest that you go to preston & Caldwell sts, as the Camp there will be in better shape, and you will have the opportunity of Camping with a very large number of Old Soldiers.

If it is possible for your father to see me before your party crosses the river, I will be glad to have him do so. I will be at home Sunday at #1720 Brook st, at about 2. o'clock P. M., where, if he desires, he can call and we can talk over plans together, but if I do not hear from you, you can depend on us, that you will be

Dear Sir:-

Replying to yours of the 4th inst, have to say that neither places at which Camp Fires will be held will you be absolutely in the open air. Music Hall, and Phoenix Hill are both within Walls. National Park, the speakers and other participants will be under a canopy, so I presume the real objection to your appearing there will be removed.

As to our placing the name of Gen. Wallace upon our program, it cannot be done now, though we are willing to accept him as a substitute upon your recommendation, and can have him appear for you at any place you may designate. Should you meet the General between this and the day of the Encampment, please say to him that the speakers will be confined to ten minutes time. This is necessary because of the length and variety of our programs.

Dear Madam:-

Replying to yours without date, have to say that I am not Chairman of the Committee on Invitation, but am Chairman of the Committee on Halls and Camp Fires.

Our Kentucky people, in the matter of speakers, have been overlooked to some extent, in order to accomodate prominent Ex-Soldiers from other states. The selection of Mrs. Logan, who is expected to make a short speech at one of our Camp Fires, was made because of the prominence of her husband, and his connection with the Ex-Soldiers from the state of Illinois, who in person with Gen. Lawler and a large number of others expected from that state, desired that Mrs. Logan should be honored with a place on one of our Programs.

If your mother can attend the Encampment, I am sure she will meet with a hearty welcome not only from the most of your father's Old Regiment, but also from all the survivers of his Old Brigade. I must confess to you that I did not know where you mother and family had moved, and a gain hope that you and your mother will be

Dear Sir:-

Replying to yours of the 5th inst., addressed to Mr. T. H. Sherley, President of the Citizens' Committee G. A. In someway his letters did not reach me until after our programmes has been made up, and the delay caused me to believe that the Doctor had re-considered and did not care to appear as suggested.

I regret very much that his name has been left off of the Camp Fires, but as we have 30 minutes Round Up at the end of each programme we can very nicely make room for the Doctor, and will do so on some prominent occasion if he will have the kindness to report to me upon his arrival in this city.

There has been so much adverse criticism and complaint of the Fire Works display given by your house on the River during the 29th, National Encampment of the G. A.
