## DIAL CLASSIC TIPS OFF BASKETBALL-MAD WEEKEND

**T**he University of Kentucky Dial Classic (formerly the Lady Kat Invitational) tips off the Lady Kats' home schedule on a basketball-mad weekend in Lexington. The Classic features a four-team field that brings in a combined record of 83-30 from last season. The teams come to town the same weekend that UK's Wildcat basketball team opens its schedule against big rival Louisville.

The Dial Classic games are at 1:30 and 3:30 on both November 26 and 27. UK and U of L tip off at 8:30 p.m. on November 26.

With the graduation of three four-year starters, Kentucky can be considered only a slight favorite to capture its fourth consecutive tournament title. Returning starters are forwards Leslie

Nichols and Lisa Collins. Five other letterwinners also return.

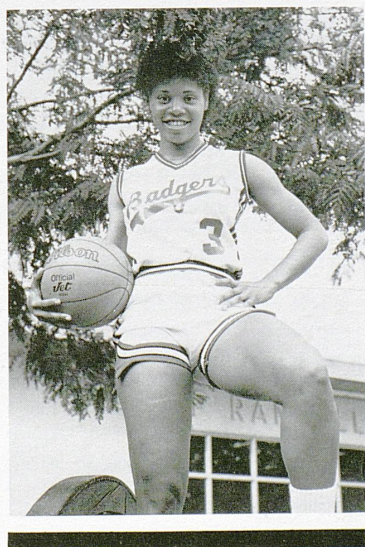

Valdosta State has four starters back from an impressive 27-4 year. Wisconsin returns three starters from a 19-8 team while Eastern has four starters and a key transfer after finishing with a 14-13 record.

"This is probably the strongest field we've ever had," said Kentucky Coach Terry Hall. "Eastern has two great players in Lisa Goodin and Tina Cottle, and Valdosta and Wisconsin are both coming off very good years. I'd say it's a wide open tournament."

Goodin, a 5-6 senior guard, led the nation in free throw percentage last year and averaged 19.1 points a game. Cottle, a 6-2 center, played at Miami Dade South Community College last year after a freshman season at Austin Peay.

Valdosta State's four returning starters all averaged in double figures last season, led by 6-5 center Pam Johnson, who fired in 18.5 points a game. Wisconsin's top returnees are 5-8 guard Janet Huff (12.7 ppg) and 5-9 forward Chris Pruitt (11.2 ppg).

Kentucky's Nichols, a 6-foot sophomore, averaged 11.4 points and 7 rebounds as a freshman. Collins, a 5-10 senior, averaged 7.3 points.

## DR. OTIS A. SINGLETARY

### President, University of Kentucky

---

---

Dr. Otis A. Singletary has maintained an active role both in academics and athletics since he became the University of Kentucky's eighth president in August 1969.

Great strides toward academic excellence have characterized Dr. Singletary's presidency at UK. The Schools of Dentistry and Pharmacy consistently rank among the best in the nation. Departments such as political science, history, and mathematics have also gained nationwide attention while the UK Library now rates among the best in the Southeast.

Under Singletary's leadership, the University of Kentucky has also become a major research institution. The Albert B. Chandler Medical Center is an established leader in research on cancer and the aging. UK's agricultural college

has provided important research in tobacco and equine diseases while other University research has focused on the field of coal and other energy sources.

Singletary's involvement in athletics is as impressive as his academic achievements. A former president of the Southeastern Conference, Dr. Singletary is a member of the NCAA Select Committee on Athletic Problems and Concerns in Higher Education. He is also chairman of the board of directors of the College Football Association.

As president of the principal institution of higher learning in the Commonwealth, Dr. Singletary is greatly concerned with the University's role as a land grant institution, a "people's university" accessible to all who can profit from education.

In the 13 years Singletary has been president, the University of Kentucky has grown in enrollment to about 23,000

students on its Lexington campus and more than 22,000 students in the University's 13 community colleges.

Recognition of his service to the University of Kentucky was evidenced by the UK Alumni Association which presented to Dr. Singletary its Alumni Service Award, an honor rarely bestowed upon a non-alumnus of the University.

A native of Gulfport, Miss., Singletary holds degrees from Millsaps College and Louisiana State University. An accomplished administrator, Dr. Singletary served as chancellor of the University of North Carolina at Greensboro and was executive vice chancellor for academic affairs for the University of Texas system prior to coming to Kentucky.

He and Mrs. Singletary, the former Gloria Walton, have three children: Bonnie, Scot, and Kendall.

### Athletics Director

the 1984 NCAA Basketball Championships. In 1985, the prestigious NCAA "Final Four" basketball championships will be hosted by UK and held in Rupp Arena.

Having graduated from the University of Kentucky with high distinction in 1954, Hagan has been a long-time advocate of a strong scholar-athlete program.

Hagan, one of the greatest players in UK basketball history, received one of his highest individual honors in 1978 when he became the first University of Kentucky player to be inducted in the Naismith Memorial Basketball Hall of Fame in Springfield, Mass.

An Owensboro, Ky. native, Hagan is married to the former Martha Milton,

also of Owensboro. They have four children: Mrs. Barry "Lisa" Thaxton of Lexington; Mrs. Jim "Laurie" Hill of West Liberty; Amy, a senior at the University of Alabama; and Kip, a sophomore member of the Transylvania University basketball and tennis teams.

When Terry Hall arrived at Kentucky in 1980, the Lady Kats were coming off their most successful season ever and beginning to gain national respect. They had been ranked in the Top 20 throughout the 1979-80 season and had finished the year with a 24-5 record and a berth in the AIAW National playoffs.

But the season was just a hint of the great things to come under Hall's guidance. The Lady Kats have gone far beyond respectability and into the perennial role of national contender. They have been ranked in the Top 20 every week and averaged 24 wins per season since Hall's arrival.

In her first year at UK, Hall's Lady Kats went 25-6, winning the Kentucky Women's Intercollegiate Conference and reaching the final round of 16 in the AIAW National tournament. Hall was named the KWIC Coach of the Year that season.

In 1982 and again last season the Lady Kats were considered among the top contenders for the NCAA championship. The 1981-82 squad won the Southeastern Conference championship and reached the quarter-finals of NCAA play before losing to eventual national champion Louisiana Tech on the Lady Techsters' home floor. Last year's Lady Kats were ranked fourth

in the nation but fell to Indiana in the first round of the NCAA tournament.

Hall's record at Kentucky is 72-19, and considering Kentucky's tough scheduling habits (10 games with ranked opponents last season AND this season), a .791 winning percentage is outstanding. Her career record is 165-79. That mark includes one season at Eastern Kentucky, five at Louisville and three at Kentucky.

Hall began her coaching career in the high school ranks. Following her graduation from Indiana State in 1966, she was named head coach at Butler High School in Louisville. In five seasons at Butler, Hall coached her teams to two Jefferson County titles and an overall record of 69-33.

Then it was on to Eastern Kentucky University, where Hall earned her Master's Degree in 1974 and was immediately named head basketball coach. The Lady Colonels went 14-6 that season and won the KWIC title over Kentucky, Louisville, Western, Morehead, Murray and Northern Kentucky.

Hall then accepted the coaching job at Louisville, where she was faced with rebuilding a program. She succeeded, guiding the Lady Cards to a 79-54 record over five years. In 1979-80, her last season at U of L, the Lady Cards won their first Metro Conference championship. Hall also coached tennis and softball at U of L.

A native of Salem, Ind., Hall earned both her undergraduate and graduate degrees in Health and P.E. While attending Indiana State, she starred in basketball, field hockey and volleyball. She was honored with the "I" Woman Award in 1965, and received the prestigious Hillman Award in 1966 as the most outstanding female athlete at ISU.

#### **Coach Hall on Kentucky's Style of Play:**

"Our style of play, or trademark, is the fast break. We believe that applying immediate pressure on the defensive team is one of the best ways to win a basketball game. Kentucky is one of few teams in the country totally dedicated to fast break basketball. Defensively, we play whatever defense we feel will exploit our opponents' weaknesses. Our main concerns are controlling the tempo of the game, teamwork, and shot selection by our players."

#### **Coach Hall on Working With the Players:**

"I place a high premium on hard work and dedication to the task at hand. I want my players to feel the same way. I try to teach them that "doors of opportunity" open and close very quickly in life as well as on the basketball court. So always be prepared. In the span of a lifetime, their 4 years of college basketball is short, therefore they should work hard, be dedicated, excel, and enjoy the opportunity that exists."

### **Mike Kindred**

**Assistant Coach  
Eastern Kentucky University, 1980**

Mike was hired as a part-time assistant at UK in July, and then was elevated to full-time assistant in late September following the resignation of assistant coach Dottie Berry. A 1980 graduate of Eastern Kentucky, Mike served for two seasons as assistant girls' basketball coach at Estill County High School in Irvine, Ky., before coming to UK.

A native of Winchester, Ky., Mike graduated from Clark County High School in 1975. He then attended Morehead State University for one year before transferring to Eastern. He received a degree in Industrial Education, and then taught at Clark County for one year before accepting a job at Estill County.

In his first season at Estill, Mike helped direct the varsity squad to its first-ever winning season in 1982. The following year, the Lady Engineers won their first district championship. Mike's junior varsity squad, meanwhile, was doing even better, finishing with a 15-4 record in 1982 and a 19-4 record in 1983.

Mike is very active in the Big Brothers-Big Sisters program, and currently sits on the organization's Advisory Board in Winchester. He is also an active member of the Fellowship of Christian Athletes, and was the FCA's 10th Region representative last year while coaching at Estill County.

Joining the coaching staff at UK fulfills a life-time dream for Mike, a 26-year old bachelor who has always been a "Big Blue" fan.

### **ROBIN BOARD**

**Graduate Assistant  
Louisville, 1983**

A former player for Coach Terry Hall at Louisville, Robin joined the Lady Kat staff in September. While at Louisville, Robin lettered in basketball four consecutive years, two of those seasons with Coach Hall at the helm. She was a member of the Lady Card teams that won Metro Conference titles in 1979 and 1981 and is in the record book for best free throw percentage in a season, which she set in 1979. Robin was also an outstanding high school player at Louisville Butler High. She helped her team to the Girls' State Tournament in 1976 and 1978. She was All-State honorable mention for three straight years and played in the East-West All-Star game in 1978. She also played tennis for three seasons and ran track one year at Butler.

Robin is pursuing a Masters Degree in Recreational Therapy at UK. She has a great interest in young people and has participated as a volunteer for Special Olympics for five straight years. She also is credited with starting two Youth Basketball Camps in 1981 and 1982 at the St. Matthews YMCA in Louisville.

A former collegiate softball player at U of L, Robin has umpired softball and officiated basketball and volleyball. She is 23 years old and single.

### **Joan Fry**
