Campus Becomes Dogpatch When Gun Booms At 4 p.m.

Annual Mad Race, Turnip Chomping Highlights Of Day

Today is the day of the big race, not the 5th at Keeneland—the big Sadie Hawkins race right here on the UK campus at 4 p.m. on the Intramural field.

The Daisy Mae will line up behind the row of rope shackles at 4 p.m. The shackles are to sort of keep scal-back Lf Abner within the environs of the Intramural field. When Marrym Sam fires the first shot, the Lf Abner will make themselves scarce as fast as hissed legs will let them. The second shot will be the signal for the Daisy Mae.

WHEN A DAISY MAE captures a Lf Abner he's her'n for the rest of the evening if not the week. As a preliminary to the Sadie Hawkins Race, a Turnip Chomping contest will be held on the Intramural field. Each campus organization may enter their champion chomper in the contest. A prize will be awarded the winner by a local judge.

Students who come to watch the Sadie Hawkins Day events are requested to remain clear of the Intramural field while the participants are in action.

The big Sadie Hawkins costume dance will be held 8-12 p.m. Saturday in the GYM ballroom. Tickets are \$1.00. The music. Tickets are \$1.50 stop on a dance.

DANCE-ORGERS MAY vote for their choice for Lf Abner, and Daisy Mae using dance tickets as ballots. The votes shall be cast by writing the name of one Lf Abner and one Daisy Mae on the back of each ticket. Mr. Lf Abner and Miss Daisy Mae of 1950 will be presented during the dance.

THEY DON'T TREAD 'EM! These girls couldn't wait for the Sadie Hawkins Day race, they got busy ahead of time. But the remaining body of the UK femininity will have their chance this afternoon on the Intramural field. At 4 p.m. the whole show.

Women's Club, SGA Sponsor Absent Voting

The League of Women Voters with the Student Government Association is sponsoring absentee balloting. The votes shall be cast by the students an opportunity to cast their ballots in the November election.

Pictures For I-D Cards Taken Last Time Tuesday

Pictures for I-D Cards will be taken for the last time from 9 a.m. until 8 p.m. Tuesday in the rear of the Coliseum.

FKA Sends Debaters To Cincinnati Meet

Tau Kappa Alpha, national speech honor society, will hold its Regional Conference at the University of Cincinnati on Oct. 28, according to Dr. Clifford Bytner, faculty sponsor.

Queenly Quintet Will Rule

The five queens will be presented to the public during a music festival at the Coliseum Wednesday, Nov. 1. Choice of the five will be made by the Lexington Junior Chamber of Commerce and is to be announced Sunday.

Swing Your Partner!

The third annual workshop in folk dancing, co-sponsored by the Lexington Country Dance society and the University Physical Education Department, will be held today and tomorrow in the Women's Gym on the University campus.

Disorderly Drinkers Will Answer To SGA

It was brought to the attention of SGA members that the conduct of some students at the football games was not up to the required standards, particularly in respect to drinking alcoholic beverages.

Watch The Birdie!

Kyian Requests That Pictures Be Taken Soon

All seniors and juniors may have their pictures taken for the Kentuckyian before Nov. 3 in the Y-Lounge of the Student Union Building.

Aim At Scholarships Alum Group Opens Drive

The Alumni Association this week opened its 1950-51 loyalty fund scholarship campaign, with all funds collected in the drive to be used in providing outstanding high school graduates with scholarships to UK.

Lambda Chi Alpha, Alpha Gamma Delta Lead ODK Tag Sales

Lambda Chi Alpha fraternity and Alpha Gamma Delta sorority were the leaders in the ODK tag sales last week.

UK To Host Joint Meet

Plans are being completed for the joint meeting of the Louisville section of the South and the University of Louisville are the UK student sections of the American Society of Mechanical Engineers.

Five UK Coeds Will Be Selected To Reign As Queens For A Day During Homecoming

Theme of the Homecoming program is a song, "Dreaming of the Blue Grass," and coeds are being selected by the Omega Delta Delta, Kappa Delta, and Alpha Gamma Delta sororities.

Library Shows Old Harper's

The Margaret I. King Library is joining other libraries all over the United States in celebrating the Harper's magazine's centennial anniversary.

Radio-Concert Star To Sing At UK Coliseum Wednesday

William Faulkner's Top Fiction Writer-Warren

I regard William Faulkner as the most distinguished American practitioner of fiction. He is the most eminent literary man on these shores—said Robert Penn Warren.

Campus Cinema Features Scudda-Hoo! Scudda-Hay!

Scudda-Hoo! Scudda-Hay! featuring John Haver and Lon McAllister, is being given by the Campus Cinema today with showings at 3 p.m. and 8 p.m. at Memorial Hall.

Young Democrat Club Has Election Ballots

The University Young Democrat Club will conduct a booth on Monday and Tuesday in the SUB for the distribution and notation of applications for absentee voters' ballots.

OSU Author Will Speak On Writing Topics

Dr. Harlan Hawthorne Hatcher, vice president of Ohio State University and a noted author and teacher, will speak on "The Writing and Publishing of Books" at 8 p.m. Tuesday evening in the Gignol Theatre.

Sigma Chi Will Sponsor Girl Derby

The Sigma Chi social fraternity is sponsoring a Sigma Chi "Derby" Oct. 28 in the ODK field.

William Faulkner's Top Fiction Writer-Warren

I regard William Faulkner as the most distinguished American practitioner of fiction. He is the most eminent literary man on these shores—said Robert Penn Warren.

Don't Miss Cultural Series

One of the most important events of the school year is the opening Wednesday night of the long-awaited concert and lecture series at Memorial Coliseum.

Simply by presentation of their I-D cards, University students will have access to a cultural program which is probably unequalled at any other American college or university. Students at Hunter College, which has a similar program, have to pay \$55 for season tickets.

UK students get to hear such artists as James Melton, the series opener, **Arthur Rubenstein**, **Elmer Davis**, **Charles Laughton**, the **London Philharmonic**, **Jascha Heifetz**, and five others of like caliber—all for the almost unbelievably small sum of two dollars, which was paid with tuition fees. Where can you find a better bargain than that?

This chance-of-a-lifetime program is made possible through the joint efforts of the Lexington Community Concert Association, the Lexington Public Forum, and the University, whose main contribution is the use of Memorial Coliseum, which ordinarily would rent for \$1000 a night. Persons outside the University who were foresighted enough to buy their tickets last spring, will be able to see the programs at a season cost of \$7.50 instead of \$35.

A seat has been reserved at each of the programs for every UK student. This is almost half of the total seats available. The remaining tickets have been sold out since last spring, and thousands of people have been turned away.

With demand for tickets so high, it is important that students take advantage of this tremendous opportunity to hear some of the world's greatest artists right here on our own campus. No University student can afford to miss a single one of these programs.

The three cooperating agencies deserve much credit and appreciation for making such an important cultural opportunity available to the University and Central Kentucky.

Come On, The Water's Fine

The attendance records of recreational swim periods at the UK pool suggest that students don't realize the facilities of the pool are open to them 12 hours a week, not counting organized classes.

The University has waited a long time for a swimming pool. Now that it has one of the finest in the country, students should take full advantage of it.

The pool is open to students and the adult members of their families from 7-9 Monday, Tuesday, and Thursday nights and from 2-5 Saturday afternoon. To attend these recreational swim periods, students must present a health certificate from the infirmary. Upon payment of a three dollar fee for towels, locker, and soap, the student will receive a swimming privilege card which will entitle him to swim in the pool at any time it is open for recreational swimming during the remainder of the semester.

Any organization may reserve the pool for Splash Parties on Friday night with the payment of a ten dollar fee. Swimming privilege cards are not required for Splash Parties, but all participants must have health certificates.

"But I've already got a roommate!"

The Mailbox

Ticket Book Policy

In 1949 UK football players were given small doses of strychnine to simulate their hunger for a good effort. Some of the players refused to be doped. In the game with Illinois, one of the players who refused to be doped made the only score made by either team. The mistake of doping has long since been corrected.

Another mistake has gone uncorrected for perhaps 30 years. Students are compelled to buy tickets. If they are unable or unwilling to attend, if they attempt to sell them or give them away, they are branded as criminals. The empty stadium seats at the LSU game were monumental evidence of the stupidity of this policy.

The boys that greeted the announcement of photographs were proof spirit still exists in the student body in spite of handicaps.

Discrimination?

In more than two years of school life at the University of Kentucky, I have seen with disappointment very many irregularities. After experiencing each one of them, I had the desire to write to the Kernel and thus perhaps put the subject under the consideration of the student body or better, of the Student Government Association.

Nevertheless, I have never done so, possibly due to my belief that subjects like these are always rejected where they should be considered.

But my patience reached its limit last Friday night, Oct. 13. The Lances carnival dance was a failure to some extent, properly considered.

In all the advertisements I have seen on campus, including those in the Kentucky Kernel, bulletin boards, restaurants, etc., nothing was mentioned about Lances dance being a fraternity or sorority private dance.

Nevertheless, in the arrangement

of tables, cabaret style, these were reserved for all fraternities and sororities on campus with only one table being left to those students who do not belong to Greek organizations.

That was a major irregularity, to my belief. After all, all students paid an equal amount of money to get in.

It is nothing of my concern to find out what Lances organization represents; if the dance was only for fraternal organizations, why did they not let everyone know it?

Very truly yours,
Manuel Miranda
A graduate student

Words of Praise—

I want to take this opportunity to congratulate the Sucky card section on their excellent performance last Saturday night. Sitting on the south side, we could see everything and it was swell! Very impressive!

Thanks to Sucky and the students who take part for making our University look "classy" at the game. Cheer on, Sucky!

A graduate student

—For Card Section

Saturday night I had the unfortunate experience of having to sit with the University of Cincinnati fans. However, at half time I was more than compensated for the slight inconvenience when I was

think they are going to die and are afraid they won't.

During the UK-Ole Miss game a banhee sat next to me. A female. She had a warhooop—GO, BIG BLUE!! KEEP IT UP!!—that paralyzed the brain. It wouldn't have been so had if she had yelled at the right times—meaning when the cheerleaders are turning tips or when something exciting happens. But no—GO, BIG BLUE!! SQUASH 'EM FLAT!!—she consistently picked times to yell when no other soul in the stadium, even the light ones, were even thinking about yelling. MOW 'EM DOWN!! DRAG 'EM OUT!!

There is always that tense moment before the ball is snapped back when every fan in the stadium is leaning forward with exultating expectation and anxiety. The silence of that moment is matched only when the band plays the "Star Spangled Banner". At this moment, the banhee would come out with—LET'S GET 'EM THIS TIME!! KEEP IT UP!! The shock to the nervous system was so great that one forgot all about what was happening down on the field, while tears of anguish rolled down nearby faces.

Two fellows were sitting in front of her, and they were really having a hard time. One of them was actually having hysterics. The other one absolutely cringed every time—GO, BIG BLUE!! These two guys took to putting their elbows on their knees and resting their ears in their hands. As for me, the right side of my face was chapped from whipping my hand up to my ear every time she screamed into it.

Along about the third quarter, one of the fellows turned around and said in a loud voice "Does she have a volume control?" That was the question every one within—SQUASH 'EM BIG BLUE!!—fifty feet was wanting to know. Personally, I was wishing BIG BLUE would come up into the stadium and SQUASH some one else.

Sincerely,
I. M. Deaf

Two other items that come in for compliments are the facts that the band is a hundred per cent better and for the first time the students are giving the cheerleaders the backing they deserve.

Hoping to see the card section increase in size and the continued backing of the cheerleaders I remain,

Yours very truly,
Dick Beal '49

'Go, Big Blue!'

I believe firmly that all students should yell at football games. By all means yell when the cheerleaders yell. By all means yell when something so exciting happens that you have to yell or have apoplexy. But please, I implore you, do not go wild. Do not scream so loudly that people near your shoulder and groan and

GAY HAMILTON smiles as she reigns Lane's Queen for the 1959 Lane's Carnival. In back of Gay, standing left to right, are Jim Anders, Pat Moore, Arden Bullock, and Bob Gregory. Arden received the award for the Tri-Delt prize-winning booth. Jim received the award for runner-up fraternity, Delta Tau Delta. Pat was sponsor for the Delt. Bob made the presentations for Lane's.

UK Center For Exams

The University probably will serve as a testing center for applicants to law and graduate schools throughout the nation from Lexington and Central Kentucky. Dr. Lytle W. Croft, director of the UK personnel office, announced recently.

Candidates for either examination may obtain information bulletins and test applications from Educational Testing Service, P.O. Box 592, Princeton, N. J. These should be obtained from four to six weeks in advance of the date the candidate desires to take the examination, Dr. Croft said.

The law school admission test will be given on Nov. 18, 1959, and on Feb. 24, April 28, and Aug. 11, 1961. The graduate record examination, a partial fulfillment of admission requirements to numerous schools of graduate study will be given on Oct. 27-28, 1959, and on Feb. 2-3, May 4-5, and Aug. 3-4, 1961.

Hardin County Club Names Nine Members

The Hardin County Club admitted nine new members during their monthly meeting, Tuesday at the SUB. Miss Skippy Youman was elected recording secretary to replace Miss Betsa Duncan who resigned.

New members admitted were David Buchanan, Emmet Edness, Victor Dearen, Skippy Youman, Bernard Brooks, Helmut Lutz, Robert L. Rice, Donald Cowbird, and Bill Daugherty.

Tuesday there will be a special meeting at 7 p.m. in the SUB. Pictures for the Kentuckian will be taken at this time.

New Pledges Named By Alpha Gamma Rho

Alpha Gamma Rho fraternity announces the following list of pledges: Jim Pearson, Max Cecil, Arthur Coker, Jerry Mayer, Warren Knight, Louis Rebenstorf, Charles Wright, Lowell Walters, Garnett Finley, Thomas McKinney, and Jewel Steers.

4000 Strolled Midway Carnival Nets Over \$3000; DDD's And Delt's Win Cups

Proceeds from the annual Lane's Carnival, sponsored by the junior men's honorary fraternity, Friday night amounted to more than \$3000. The money will be given to a junior men's scholarship fund.

Trophies for the best booth were presented to Delta Delta Delta sorority, and Delta Tau Delta fraternity, runner-up, Gay Hamilton, freshman, and sponsor for the Tri-Delt booth was crowned Queen of the Carnival at the dance following the Carnival. Pat Moore, Delta Tau Delta sponsor received second honors.

Fine Art's Display Features School Art

The third annual exhibition of art by Kentucky school children is currently on display in the first floor corridor of the Fine Arts building. It will continue through Oct. 26.

Prof. Dard E. Fitz of the Art Department, manager of the exhibition, said the collection included more than 200 paintings, drawings, fabrics and crafts done by pupils of Kentucky schools from kindergarten through high school.

The pieces were selected from art exhibits held last spring in each of the state's 11 educational districts under sponsorship of the state-wide advisory board on art education in Kentucky.

Language Exam Deadline

Students who wish to take the basic achievement examination in foreign languages required in the College of Arts and Science must sign up for the examination by Oct. 31 in Dean M. M. White's office, Room 123, McVey Hall.

Pitkin Club Has Meeting

The Pitkin Club, a religious lunch-club that is sponsored jointly by the Maxwell Street Presbyterian Church and the University YM-YWCA, held its first meeting Wednesday, at 12:30 noon at the Maxwell Street Presbyterian Church. The speaker for this meeting was Dean M. M. White of the College of Arts and Sciences. His subject was "University and Religion."

Officers for this year are Robert Gregory, president; Carol Chambers, vice-president; Maude Fegan, secretary; Albert Drake, treasurer. Dr. E. N. Pergus is the faculty adviser.

Programs for this year will be based on the following topics: "Science and Religion," "Anthropology and Religion," "Sociology and Religion," and "Philosophy and Religion."

UK To Work With Army

The Department of Chemistry of the University has been awarded a new contract for fundamental research for the U. S. Army Signal Corps, which is to extend into 1952. The work will be under the supervision of Dr. Lyle B. Dawson, head of the chemistry department, assisted by Dr. Howard K. Zimmerman Jr., instructor in chemistry. Several graduate research assistants will also be employed.

Beginning in June, 1946, the chemistry department has held contracts continuously with the Signal Corps at Fort Monmouth, New Jersey, which involved research on the physical chemistry of solutions in which substances other than water are used as solvents. The present contract, which is the third in the series, is designed to continue the project. In the earlier contracts, Dr. Dawson was assisted by Dr. Gordon R. Leach, assistant professor of chemistry.

Results of the work for the past four years at the University have been summarized in six separate articles which have been released for publication in the leading chemistry journals.

Profainitease

By Bob Fain

The fateful day has finally arrived. All long last my ship has come in. Yes, I just received the word. And of all people to get it from—the Draft Board. Yep, they wrote me and said my ship was in. And when it goes out I'm going to be on it all dressed up in a little brown suit. Sure hope it doesn't go to Korea. That is what is wrong with this war. No Pleadies or Berlins or anything. Just Incho, Crawton, Drason, and Donkistall. Naturally I would prefer the latter, but there seems to be a slight difference of opinion along those lines. But enough of this idle pipe patter. Let us be off.

Mother: Mabel, get off that young man's knee!

Mabel: Nothing doing, Ma. I got here first.

A fat dwager in a crowded Madison Avenue bus trod on the foot of an irritable gent who was trying to read his newspaper.

Idiot: "Put your foot where it belongs, or I will kick it off your foot."

"Don't tempt me, Madam, do not tempt me," he returned.

Patience: The ability to life your motor when you feel like stripping your pants.

"What's the difference between a snake and a bedbug?"

"A snake crawls on its own belly, but a bedbug is not so particular."

Two fellows were working on the White House lawn separating leaves and bits of paper. One of them noticed a square of toilet tissue and was about to spear it when a gust of wind lifted it up and floated into one of the windows. One of the fellows ran for the nearest entrance, hoping to retrieve it. He came back a few minutes later and his partner asked, "Any luck?"

Dama Food: He who thinks he can get a parking permit.

Standing Job: A professor who refuses to joke.

Fool: He who parks on the campus without a parking permit.

Idiot: He who refuses to pay his parking fine the first week.

Dama Food: He who thinks he can get a parking permit.

"Doctor, doctor," called Mr. Burp frantically, "come quick. You know my wife always sleeps with her mouth wide open and just now a mouse ran down her throat."

"Be over in a few minutes," said the doctor. "Meanwhile, try waiting a piece of cheese in front of her mouth and maybe the mouse will come out."

When the doctor reached the Burp apartment, he found Mr. Burp in his shirt sleeves waving a six-pound fish in front of the now prostrate Mrs. Burp's face. "What's the idea?" asked the exasperated doctor. "I told you to wave a piece of cheese. Nice don't like fish."

"I know, I know," gasped Mr. Burp. "But we've got to get the cat out first."

Drunk (after bumping into the same three times): Loob-loob in an impenetrable forest.

He: Can you beat it?

She: What now?

He: They told me this stuff on the pay-as-you-can plan, and now they insist I pay when I can't.

Remember that your girl friend still enjoys candy and flowers. Let her know that you still love her—speak of them occasionally.

Angry parent striding into dimly lighted room: Young man, I'll teach you to make love to my daughter.

Daring Dan: Wish you would, old boy, I'm not making much headway.

New Officers Elected By Language Group

Onnales Kauffman has been elected president of The Sigma Iota Rho. Other officers include Kenneth Wood, vice president, and Mary Jo Bishop, secretary-treasurer.

New members who have been initiated are Mary Sue Barnett, Kenneth Keeton, Nancy K. Hukil, Mary Jo Bishop, Kenneth W. Wood, Florence W. Stephens, Joan B. Pritchard, and Nancy Doolittle.

College Of Pharmacy RX NOTES

The student branch of the American Pharmaceutical Association has held its second meeting on Oct. 10, at the Christ Church Annex. Elections were held for officers which expire in Sept., 1951. The following students were elected:

Carl Schupp, president; Elmer McDaniel, vice president; and Clarence Gilchrist, secretary.

Also discussed was the possibility of another "Campus Day" in the near future. Last year this afforded incoming sophomores the opportunity to become better acquainted with their fellow students and instructors. A committee of three was selected to make the necessary arrangements and select the proper site. "Campus Day" committee members are William Benjamin, William E. Moore, and R. H. Stone.

THE A.P.H.A. SENT a nomination design to the Homecoming Home Contest sponsored by the UK Board.

Kappa Psi announces that a formal initiation of their pledges will be held at the Seabach Hotel on Monday. A banquet will be held in their honor.

The sophomore class has attained a 98 per cent membership drive, in the student branch of the American Pharmaceutical Association.

Members for this column are Joy Rasmick, senior class; Carol Sharp, junior class; William Benjamin, Rho Chi; Donald J. McEvoy, Phi Delta Chi; Ralph Fingler, Kappa Psi; and Julius Kozlov, Alpha Zeta Omega. Get acquainted with your class or fraternity reporter and supply him with the necessary news items for this column.

Student Opinion

Poll Finds That Students Don't Favor I-D Cards

By Claire Ann Graves and Martha Lee Bach

"Do you prefer the new I-D card to the old ticket books used in previous years?"

SUE BOSSERT—"No! After standing in line for five and one-half hours what other answer need I have?"

BACON MOORE—"No. I prefer the old ticket books so that when the new college student needs money, he can sell his ticket book."

BETTY PATTON—"No! Positively not!"

CARLEY MONCURE—"No. We have enough cards around here as it is."

PATSY HUNTER—"No, I don't like the new I-D cards. I prefer the old ticket books used in previous years."

BOB WATSON—"I prefer the I-D cards simply as it seems, cause they come in handy for identification, when you need to cash a check some place."

BETTY SUE ALLEN—"No, you can't swap tickets this way."

BILL KNIGHT—"I have no opinion to give on this matter."

RUD WELCH—"I don't like the I-D cards. Dad pays for it yet he can't get in on it."

JOE LYNN—"Oh, I like the I-D cards. OK, but I don't like UK's school spirit. If I may say so."

CYNTHIA CUNNINGHAM—"I like the I-D cards because they are efficient and we have to spend on them."

BILL BARRS—"I like the old I-D cards 'cause they weren't so hard to get."

BOB BYRON—"I like the I-D cards. It keeps anyone else from using them, and I like to look at my card all the time."

BILL HONAKER—"The I-D cards are a new change, but I don't really have made much change in the old ticket books. Therefore I like the ticket books."

MARY JANE WEST—"These I-D cards don't look like so nice, they really haven't made much change in the old ticket books. Therefore I like the ticket books."

Mary Elizabeth Shinnick, Pickers are Crystal Masters, Sally Ann Broadus, and Nancy Doolittle.

Tomey Elected By Interfaith

Dick Tomey was elected vice-president and Ruth Ann Masagout treasurer at the first meeting of the Interfaith Council recently.

Present officers, Ken Darnell, president, and Pat Lancaster, secretary, were elected last year.

The Council discussed the coming arrival of Dr. Kagawa, world-famous Japanese Christian leader, who will speak in Memorial Coliseum Nov. 14.

The group also discussed the question of a need for a religious building on the campus.

The Council voted to request the University Christian Mission, which is sponsored by the Federal Council of Churches of America, to again include a mission on the UK campus as part of its program for 1951-52. The Mission has aided two years previously in securing outstanding speakers for Religious Education Week.

Well, Miss Worried, you do have quite a problem there, but it is not as bad as it sounds. Your date will not do you a great deal of harm, and it might even give you time to catch up with your schoolwork. I wouldn't take it so seriously if I were you.

Dear Aunt Bessie: I like a certain boy (let's call him never has much to say. I have been dating him fairly steadily ever since school started, but the affair hasn't even reached the hand-holding stage yet.

My problem is, how can I show him that I like him without seeming too forward about it? And how can I make him be more friendly?

A. J.

Dear Aunt Bessie: I have been dating a young lady ever since school started. I really think she is a swell girl, and I want to tell her so. But whenever I get near her I can't say the words. In fact I never say much of anything.

Debate Team Needs Members

The University Debate Team is still taking new members. Dr. Gifford Elton, faculty sponsor, announced. Anyone interested in debating should contact Dr. Elton, Room 137, Fine Arts building.

At present the debate-discussion group consists of Gary Arrowood, George Greelis, William Douglas, Herbert Hankler, James Harris, Joe Maloney, John McElroy, Ruth Moore, Sidney Neal, Robert Shearer, Dwaine Thomas, and Douglas Webb.

The debate question for the year is: Resolved: That the Non-Communist Nations Should Form a New International Organization. The question for discussion is: What Should Be the Responsibility of the Federal Government For The Welfare of The People Of The United States?

Astronomers To Meet At UK Observatory

The UK Astronomy Club will meet at 7:30 p.m. at the Observatory at Cooperstown.

Election of officers will be held and Mr. Eugene Breiding, an engineering student, will speak on Radio Astronomy. Anyone interested in Astronomy may attend the meeting.

The moderators of this panel will be members of the Tribune staff.

The forum is presented to the outside civic and educational leaders of the nation and presents such well known speakers as Gen. Dwight D. Eisenhower, Mrs. Eleanor Roosevelt, and Jan Christian Smuts of the Union of South Africa. The main topic under discussion will probably be the Korean situation.

UK Delegates Attend Forum

Delegates to the Herald-Tribune Educational Forum will leave today for New York. They are Miss Margaret Storey, director of the Women's Residence Halls, Dean Jane Hazelton, Chas. Gifford of the General Federation of Women's Clubs, and Kitty King, student representative.

The Herald-Tribune presents the educational forum each year and this year has added a new feature.

Swimmers

Well, Miss Worried, you do have quite a problem there, but it is not as bad as it sounds. Your date will not do you a great deal of harm, and it might even give you time to catch up with your schoolwork. I wouldn't take it so seriously if I were you.

The University Debate Team is still taking new members. Dr. Gifford Elton, faculty sponsor, announced. Anyone interested in debating should contact Dr. Elton, Room 137, Fine Arts building.

At present the debate-discussion group consists of Gary Arrowood, George Greelis, William Douglas, Herbert Hankler, James Harris, Joe Maloney, John McElroy, Ruth Moore, Sidney Neal, Robert Shearer, Dwaine Thomas, and Douglas Webb.

The debate question for the year is: Resolved: That the Non-Communist Nations Should Form a New International Organization. The question for discussion is: What Should Be the Responsibility of the Federal Government For The Welfare of The People Of The United States?

Astronomers To Meet At UK Observatory

The UK Astronomy Club will meet at 7:30 p.m. at the Observatory at Cooperstown.

Election of officers will be held and Mr. Eugene Breiding, an engineering student, will speak on Radio Astronomy. Anyone interested in Astronomy may attend the meeting.

The moderators of this panel will be members of the Tribune staff.

The forum is presented to the outside civic and educational leaders of the nation and presents such well known speakers as Gen. Dwight D. Eisenhower, Mrs. Eleanor Roosevelt, and Jan Christian Smuts of the Union of South Africa. The main topic under discussion will probably be the Korean situation.

UK Delegates Attend Forum

Delegates to the Herald-Tribune Educational Forum will leave today for New York. They are Miss Margaret Storey, director of the Women's Residence Halls, Dean Jane Hazelton, Chas. Gifford of the General Federation of Women's Clubs, and Kitty King, student representative.

The Herald-Tribune presents the educational forum each year and this year has added a new feature.

Swimmers

Well, Miss Worried, you do have quite a problem there, but it is not as bad as it sounds. Your date will not do you a great deal of harm, and it might even give you time to catch up with your schoolwork. I wouldn't take it so seriously if I were you.

Dear Aunt Bessie: I like a certain boy (let's call him never has much to say. I have been dating him fairly steadily ever since school started, but the affair hasn't even reached the hand-holding stage yet.

My problem is, how can I show him that I like him without seeming too forward about it? And how can I make him be more friendly?

A. J.

Dear Aunt Bessie: I have been dating a young lady ever since school started. I really think she is a swell girl, and I want to tell her so. But whenever I get near her I can't say the words. In fact I never say much of anything.

Hints To The Heavy Hearted Auntie Says Don't Worry, Everything Will Be O.K.

By Aunt Bessie

Dear Aunt Bessie: Your column started at just the right time for me, 'cause I've got troubles and I've got 'em bad.

It all started last week, around Wednesday. I had just left hygiene class and was walking up the sidewalk in front of that new journalism building when Jimmie came along. Anyway, Jimmie says "How about going to the game with me Saturday?" Being caught kind of unawares, I said "O.K."

So we went to the Dayton game, and stayed till the last half was nearly over and left. We went out to Danceland for a while and before I knew it, it was way after 12, and I had to be in the dorm at 12:30.

My problem is, I got in late and am now what you call "camped" for a week. I just know everybody will forget I'm around. What can I do?

Well, Miss Worried, you do have quite a problem there, but it is not as bad as it sounds. Your date will not do you a great deal of harm, and it might even give you time to catch up with your schoolwork. I wouldn't take it so seriously if I were you.

Dear Aunt Bessie: I like a certain boy (let's call him never has much to say. I have been dating him fairly steadily ever since school started, but the affair hasn't even reached the hand-holding stage yet.

My problem is, how can I show him that I like him without seeming too forward about it? And how can I make him be more friendly?

Had Start In 1948

Campus Movie Is Becoming A Permanent UK Fixture

By Nancy Gaskin

In January, 1948, the Campus Cinema presented its first popular moving picture in Memorial Hall. Now, three years later, the Campus Cinema has become a permanent fixture every Friday afternoon and evening.

What is the Campus Cinema? It is a non-profit project of the Department of University Extension, directed by Mrs. Ruby Evans Hart, which brings a wide variety of moving pictures to the UK campus for the benefit of the students and faculty for a minimum charge.

Mr. Gordon Godbey, director of University Extension, and Mr. Maurice Seay, former Dean of the University, were chiefly responsible for instigating the idea. Deans Sarah B. Holmes and A. B. Kirwan were also active in getting the UK students and faculty with four times the normal amount and yet the admission was the usual 30¢ per person. Mrs. Hart stated that as soon as the present equipment is paid for the admission price will probably be lowered.

THE ADMISSION CHARGES pay for the equipment, service, personnel, and the rental on the films. Often the admissions don't cover the cost of bringing the films here. For instance, "Lucia di Lammermoor," a full-length opera by Donizetti which was shown recently cost four times the normal amount and yet the admission was the usual 30¢ per person.

Several of the movies scheduled since the Campus Cinema started, Mrs. Hart explained. The idea is that the program should include such a wide variety of movies that every student and faculty member will be able to find something in which he is particularly interested.

Consequently you will find such movies as the comedy "Sitting Pretty"; "Initiation of Lulu" which deals with the racial problem; "Heidi"; and many more. Six foreign films are scheduled for the year. The three to be shown this fall include Italian, French, and German pictures with English subtitles.

Principal speaker at the conference will be Russell Conrad, former UK student and winner of the Sullivan medal in 1948.

At its last regular meeting the club elected William West to be the president of the club this term. Meetings of the club are held the first Tuesday of each month.

All students interested in Math can attend these meetings.

if the sound is faulty the order is automatically cancelled. This may mean that the choice of films may be slightly narrower, but it also means that you movies of better operational quality.

This year the movie companies are being held responsible for the faulty films. If a certain film is ordered the company tests it, and

Charles Dobson, a Junior in commerce, worked in other extension jobs for two years before he joined the Cinema as one of the operators. Stanley Smanuelle, a 15-year-old Freshman, is the other operator. Helen Talbot, a sophomore, helps out in the ticket office.

The equipment consists of dual Bell and Howe Art projectors. They are much more expensive and more difficult to operate than the projectors used with the documentary films on campus. For this reason Grubbs, Dobson, and Smanuelle are the only three persons allowed to operate them.

THE CINEMA DOES NOT compete with downtown moving picture theaters. The UK movies are for the exclusive benefit of the UK stu-

UK Choir To Sing At BSU Convention

The University BSU choir of 36 students, directed by Betty Ann Covy and accompanied by Tommy Devo, will sing at the opening session of the BSU convention at the Southern Baptist Theological Seminary in Louisville, at 7 p. m. to night.

About 75 UK students will attend. It will be the first time that the UK choir will perform at one of the sessions, and George Claiborne will speak at a session. The convention will close at noon Sunday.

Lutherans To Attend Regional Conference

The Lutheran Student Association will send a delegation to the LSA Ohio Valley regional conference Saturday at Springfield, Ohio. Delegates include Henry Maser, Franklin Morris, Wayne Harris, Edmonds Stierberg, Mary Carolyn Winkler, Helen Rogers, and the pastor, Rev. E. J. Detmer.

Principal speaker at the conference will be Russell Conrad, former UK student and winner of the Sullivan medal in 1948.

White Math Club Has New Faculty Adviser

ROTC Riflemen Need Victory To Take Trophy For Keeps

Tryouts are being held for both the Ground Forces ROTC and the Air Forces ROTC Rifle Teams. Students enrolled in ROTC are eligible to try out. The Ground Forces ROTC Rifle Team holds two legs on the National Intercollegiate Trophy, having won this event in both 1948 and 1949. They can keep the trophy permanently at UK by winning it again this year. No school has ever won it three times, although two other schools besides UK have won it twice.

The UK Air Forces ROTC Rifle Team, competing for the William Randolph Hearst Trophy last year, was second in the Air Force, losing to Fordham University by one point. This year, they plan to compete for the National Intercollegiate Trophy, and to hold matches by mail.

All Ground Forces ROTC enrollees who are interested in trying out for the Ground Forces ROTC Rifle Team should contact either Master Sergeant E. O. Kinker or First Lieutenant John C. Boley at Buell Armory. First Lieutenant J. F. Pullen is in charge of the Air Forces ROTC Rifle Team.

Principal speaker at the conference will be Russell Conrad, former UK student and winner of the Sullivan medal in 1948.

Sixteen AROTC Students Are Honored By Air Force

Sixteen advanced Air Force ROTC students at UK have recently been designated by the Department of the Air Force as distinguished military students, according to Lt. Col. Edward G. Davis, professor of Air Science and Tactics.

They are T. E. Barnes, Thomas H. Clev, C. G. Downing, George Francis, Joel C. Gordon, Joe S. Great-house, Elbert E. Harber, Sherman E. Hilton, Wilbur Jamerson, David T. Lewis, Stewart J. Miller, James M. Nicksel, Alvin E. Baber, Charles B. Reed, William E. Schulerberg, and Henry W. Simpson.

Upon graduation, distinguished military students may be designated as distinguished military graduates, at which time they are given an opportunity to apply for a Regular Air Force commission.

Further information and application forms may be secured at most first and second-class post offices, from civil-service regional offices, or from the U.S. Civil Service Commission, Washington 25, D.C. Ap-

plication must be received in the Washington office not later than Nov. 30, 1950.

The difference between a model woman and a woman model is that the former is a bare possibility, the latter is naked fact.

Exam Time

Civil Service Commission Gives Info

The United States Civil Service Commission has announced its annual examination for positions in Washington, D.C. and throughout the nation.

Examinations will be for junior management assistant which pays an entrance salary of \$3,100 a year. To qualify, an applicant must take two written tests and have completed a 4 year college course or have had 3 years of experience as a staff management or professional assistant. Applications will be accepted from students who expect to complete the required courses by June 30, 1950. The age limits for this examination are 18 to 35 years. Age limits will be waived for veterans.

Junior scientist and engineer positions are also open. Applicants must pass a written test and have completed either appropriate college work or a combination of college work and technical experience in the field for which they apply. Chemist, physicist, metallurgist, and engineer positions pay from \$2,650 to \$3,850 a year. Electronic scientist and mathematician positions pay \$3,100 a year.

Further information and application forms may be secured at most first and second-class post offices, from civil-service regional offices, or from the U.S. Civil Service Commission, Washington 25, D.C. Ap-

plication must be received in the Washington office not later than Nov. 30, 1950.

The difference between a model woman and a woman model is that the former is a bare possibility, the latter is naked fact.

Wesley Foundation Gives Party Tonight

The Wesley Foundation will hold a party at 7 p. m. tonight in the Fellowship Hall of First Methodist Church. Games, ping pong, folk dancing, and a fellowship hour will be included in the program. Refreshments will be served.

Principal speaker at the conference will be Russell Conrad, former UK student and winner of the Sullivan medal in 1948.

At its last regular meeting the club elected William West to be the president of the club this term. Meetings of the club are held the first Tuesday of each month.

A SHORT SHORT STORY

ONCE upon a time I spent some on two big five-cent Tootsie Rolls. I slipped them into my pocket... then called on my date. At first we found one interesting topic after another. Then we ran out... of topics... she saying "I'm longing for even a tiny bit of something sweet"... and that reminded me... I passed her a TOOTSIE ROLL... I went to work on the other. Brandy... let me say... did I make a hit? That chocolatey piece of candy sure wins 'em... just as it won me years ago! Try 'em!

Transfer Coeds Now Living In New Experimental Dorms

By Paul Knapp

"Maxwell's braces are bonny but bewildered" sings this foot-sore reporter after a long search for the "Old Ladies' Pic House."

The two new women's dormitories that were the object of the search turned out to be the former Alpha Delta Pi sorority house, and the other, 643 Maxwell Court, two doors down the street.

These recently remodeled residences together house 21 sophomore transfer students. Both buildings have been decorated as an experiment to find the preferences of the girls for either the conventional design, as in 635 Maxwell Court, or the ultra-modern style of the other.

Melting Top University Enrollment Falls But Distribution Is Same

The current enrollment of the University is smaller than the post-war peak of 1947-49, but the geographical distribution of its student body is as wide as in former years.

Maintenance Department Performs Herculean Tasks

By Bill Slusher

New England doesn't have a thing on Kentucky when it comes to weather. The first sting of old man winter was felt all too early in the year for most of us, and it couldn't have come at a worse time for UK students.

A FEW DAYS LATER when the department of Maintenance and Operations came out again, and I shaved out enough to walk, I had the opportunity of visiting the plant that virtually keeps the University going.

WE STOPPED FOR a drink of water and Mr. Farris reminded me that there are 150 of these life-giving gadgets distributed over the campus. The refrigeration department, which we were entering, has the full-time task of repairing the watercoolers.

Cosmopolitans Meet Today In SUB Lounge

The Cosmopolitan Club will have its regular weekly meeting at 7:30 p.m. today in the SUB Y-lounge. This week's program will be presented in its present capacity.

Also in this room were two spray rooms that take care of all the University's painting needs.

My interesting journey ended as we opened a creaky wooden door and were back in the main office again. Mr. Farris, an alumnus of UK and former engineering teacher at the University before assuming his present position in 1941, informed me that the new Maintenance and Operations building would open sometime during October.

signed by architects Brock and Johnson, is now receiving some finishing touches.

Mr. Farris reminded me as I left that the University burns about 12,000 tons of coal a year for heating purposes on the campus and an additional 3000 tons in Shawnee-town and Cooperstown. I must admit I felt like an ash for complaining about no heat for a couple of days.

Cats Meet Villanova Saturday In Philadelphia

The Blue Print

By

BOB GORHAM

KERNEL SPORTS EDITOR

THE BABE PARILLI-AL BRUNO passing combination is fast developing into one of the SEC's all-time best.

There have been three outstanding ends and several good passers in the conference in the last 20 years.

The top ends are Don Hutson, the Alabama flash who played with Coach Bear Bryant, Ken Vavunagh, who starred at LSU and Barney Pool, the Ole Miss flankman.

The best leavers were Charley Conerly, who holds 13 in-division records, Harry Gilmer of Alabama, Charley Trippi of Georgia and Y. A. Tittle of LSU. Several more have been outstanding but none have come up to these.

But Parilli and Bruno are fast rewriting the book.

THE BABE has already posted one new mark, his 228 yards against Cincinnati, and tied another, five TD serials in one game, also against the Bearcats, and will probably add another before the season is over. So far he has connected for 10 scoring losses in five games. The record for a 10-game season is 18 set by Conerly in 1947. With six games to go, Parilli seems a sure bet to pass the record.

Bruno, who led the team last year in pass receiving even though he didn't start a game, has already gathered in five scoring passes this year and is only three shy of the record of eight for the most touchdowns by a receiver. Kavanaugh and Poole share this mark.

With a few more coming his way, he could conceivably surpass the 186 yards Lamar Davis got in 1942 to set the record. Bruno averaged six passes good for 155 yards against Cincinnati last Saturday, to run his current yardage total for the season to 299 yards.

CINCINNATI seems to be a soft touch for the SEC teams. The Bearcats have been the victims of four individual and team records the conference schools have set.

Lamar Davis of Georgia racked up 186 yards for the most yards-by-receiver record against Cincinnati in 1942. In that same game, he

Cats Swamp Cincy, 41-7, As Parilli, Bruno Shine

By Lewis Donohoe

When Babe Parilli goes home to his native Pennsylvania for the game with Villanova Saturday he will be able to take with him more than just the plaudits of a lot of sportswriters.

His passing record for a Southeastern Conference player set in the Wildcats' 41-7 rout over Cincinnati last week-end will speak louder than the reams of copy which may be written about him.

In that game he passed directly for five of Kentucky's six touchdowns. He set up the other one on the one-yard line with a pass and Sherry Jamerson gave him a rest by carrying it the extra step on the next play.

The Babe completed 18 of 29 passes for 338 yards. He improved by fifteen yards the mark made by Charley Trippi of Georgia, who gained 328 yards by the aerial route in 1935.

Although Parilli almost stole the complete show with his aerially-placed passes, the Bearcat team of Coach Sid Gillman snatched in on part of the spotlight. They did at least one of the things they had set their sights on—ruined Kentucky's unscathed record. That kept intact Gillman's record of never failing to score on an opponent.

They also gave Kentucky a night-marish first half, leading 7-0, from the 13 minutes, fifty seconds mark in the first quarter all the way till the perfect Babe finally got things clicking by throwing a touchdown pass to Al Bruno with 5:08 remaining in the half. Gain kicked the extra point to give the Wildcats a 7-7 tie.

AROUND THE CORNER FROM BECKER'S

Game First Away For Kentuckians

A back-alley brawl between two bands of Wildcats—from Kentucky and Villanova—takes place in Philadelphia Saturday afternoon beginning at 1 p.m. Lexington time.

The Kentucky Cats, in their first game away from home after five straight conquests, will be a solid favorite to claw their eastern foe and enhance their position as the nation's fourth-ranking grid power. The Pennsylvanians are bidding for the title again with only two returning regulars among the 22 leftover lettermen from the 1949 squad which won eight and dropped only one.

For this year, they have won one and lost two. They opened with a 39-20 victory over Duquesne and then on successive Saturdays lost to Miami, 18-12, and Tulsa, 27-7.

The Wildcats came with Villanova Saturday will be carried by two local stations, WLAP and WKIX. J. B. Faulkner will do the honors for WLAP and Claude Sullivan will be behind the mike for WKIX.

Air time for both stations is 12:30. Game time is 1 p.m. Phil Sutherland will call the game for WHAS, Louisville.

The Villanova crew is sparked by a four-by-four line smasher by the name of Pete D'Alonzo, who has averaged better than six yards per smash through the opposing lines.

D'Alonzo is well-remembered by Kentuckians who saw Villanova tie the Wildcats, 13-13, here two years ago. He churned up the Soil Field turf all afternoon and was a general nuisance to the Blue and White defenders.

The form chart says the Yankee Wildcats aren't supposed to be in the same league with their Rebel counterparts, but according to the word from Philly, they have been testing and sleeping Kentucky all week in preparation for the game which could "salvage the rest of the season."

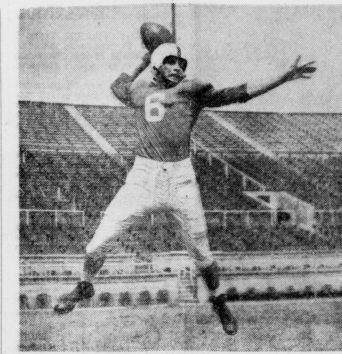

Kentucky has been working all week for sharpening its ground game for the important test. So far this year, the Cats have failed to spring their scabbies loose for any exciting scoring runs and most of the marches get their gas from Babe Parilli aerials.

Coach Bryant, in summing up the workouts, said the work showed a great deal of improvement, especially the offensive unit. This group generated several long drives in the various sessions against the Rebels and freshmen.

The Kentucky squad is in top shape physically and should be ready to go. Only injured members of the team at present are Bill Brooks, a reserve guard, Bobby Dawson, a halfback, and Ed Kowalski, a fullback. All the hurts are relatively minor.

The probable starting lineups will be Ben Zarnaka and Al Bruno at end, Bob Gogan and Walt Yowarsky at tackles, Gene Donaldson and John Ignaraki at guards, Chub Rogers at center, Parilli at quarter, Bill Leskovar at full and Wilbur Jamerson and Emory Clark at halfbacks for Kentucky.

For Villanova, it most likely will be John Bogan, Ray Mastone, Tony Marollo, Joe Howanski, Nick Liotta, Mike Kerwin and Joe Rilo in the line, and Neil O'Boyle, Mickey Priddy, John Geppi and D'Alonzo in the backfield.

stitutes, but may have more than one team.

Badminton singles entries must be in by Friday, Oct. 20, according to Charlotte Watson. The schedules of these tournaments will be posted on the WAA bulletin board Monday, Oct. 23.

Big things are going on at the pool on Mondays and Tuesdays from 5 to 8 p.m. and more is to come. These are the practice periods for the WAA swimming meet to be held Monday, Oct. 23.

Techniques which can be applied to meet swimming also are taught. The last of the hour is spent in water ballet and strokes to music.

Intramural Sports

By Bill Samuels

Four teams remained undefeated in the fraternity divisions of the intramural touch football league after the smoke had cleared from Tuesday's encounters.

Only one of these combines may have been dropped from this charmed circle in games played this week, as the SAEs were to have battled the AGRs last night. But the Kappa Sigs, ATOs and Phi Deltis will hold their positions, as they are not scheduled to play until next week.

Both the ATOs and Phi Deltis have kept their undefeated records with victories and remained double-headed for the third division lead. Each now have a record of three wins.

The ATOs moved into the first place by trouncing the Triangles, 13-0. The DTBs blasted the Lambda Chi squad, 18-0 in the only other division game recorded this week.

The Kappa Sigs took undisputed possession of first place in the second division by dropping the Sic Eps, 10-0, and the KA's, 8-2, on successive nights.

In the other games played this week, the SAEs kept rolling in the first division by scoring a 16-12 triumph over the Sigma Nus. The Sigma Nus averaged that loss on the following night by nipping the Pi Kappas, 8-7.

The ATOs tried the SAEs for the season's scoring high last week when they trounced the ZETAs, 29-0. The SAEs set the mark in the intramural opener against the Alpha Sigs.

In other games of last week, the Phi Deltis squeaked out a 2-0 victory over the Deltas in a grudge battle. The loss dropped the DTBs from the ranks of the subdoms.

Both the Sic Eps and the Sigma Chi suffered initial setbacks when they were nipped by the Phi Sigs and the SAEs, respectively. The Phi Sigs took a 1-0 decision from the SAEs while the Phi Sigs nipped the SAEs, 1-0. This was the first contest of the season that a losing team had scored on the winner.

The KA's finally hit the victory trail by taking a 7-0 win from the Phi Tans while the Phi Tans nipped the AGRs, 1-0, to tally their first win. Both of these contests were played last week.

Basketball Ducat Sale Set Oct. 23

By Don Armstrong

Approximately 5,500 season tickets to the University of Kentucky's 1950-51 home basketball games in the new Memorial Coliseum will be available to the general public on a mail order basis starting Oct. 23. It was announced this week by Athletic Director B. A. Shively.

Coach Adolph Rupp's SEC champion basketballers are scheduled to appear in the 12,000-seat Coliseum for 13 contests and the price of seeing the Kentucky causers in action during the entire season will range from \$12.50 to \$22.50 per seat depending upon the vantage point.

"There will be no priorities in the sale of the season tickets to the public. It was explained. All orders will be filled in the order received."

Smith Suffers Hurt Thumb

By Don Armstrong

The Wildest freshman footballers served notice they'll be serious contenders for next year's varsity when they defeated a team of varsity hold-overs, 24-18, last Friday afternoon.

The first-year men held a 24-0 command at one time over the team of sophomores who are being held back to preserve a year of eligibility.

Absent from the winners' lineup was Roy Smith, the Rowell, North Mexico, boy who quarterbacked the Kittens all the way to a 37-27 victory over the Tennessee yearlings two weeks ago.

Smith sustained a compound dislocation of the right thumb during a scrimmage with the varsity Wednesday, Oct. 11. Assistant Coach Ernie Allen said that the promising field general would be sidelined for three weeks. This means he will start at one time over Vanderbilt, Oct. 28, and Cincinnati, Nov. 3.

Kitten's Net Card Listed

By Don Armstrong

A 14-game basketball card for the UK Kittens was announced this week. Coach Harry Lancaster's yearling crew will open their slate against Campbellville Junior College at Paris on Nov. 27 and then will meet the following:

- Nov. 30 - Kentucky Wesleyan, Winchester, 8 p.m.
- Dec. 12 - Lindsey Wilson, Columbia, 8 p.m.
- Jan. 5 - Cumberland College, home, 8 p.m.
- Jan. 12 - Cumberland College, away, 8 p.m.
- Jan. 19 - Georgetown Freshmen, away, 8 p.m.
- Jan. 26 - Campbellville, away, 8 p.m.
- Feb. 2 - Lindsey Wilson, home, 8 p.m.
- Feb. 19 - Ashby Seminary, away, 8 p.m.
- Feb. 26 - Xavier Freshmen, home, 8 p.m.
- Feb. 27 - Georgetown Freshmen, home, 8 p.m.
- Feb. 28 - Ashby Seminary, home, 8 p.m.
- Feb. 29 - Pikeville, away, 8 p.m. - EST

FTA Names President

Anna Weisman, education senior, was named president of the Future Teachers of America this week, when David Moberly, local president, resigned after being elected state president of FTA. She was formerly local vice-president.

Magazine To Select Staff

Students interested in entering the annual contest for College Board members of Mademoiselle magazine during the 1950-51 college year should write to College Board Editor, Mademoiselle, 122 E. 42 Street, New York 17, N. Y.

Membership in the College Board is the first step in becoming one of Mademoiselle's twenty college "Guest Editors," who will go to New York next June to help write and edit the annual August College issue of the magazine.

The Guest Editors are selected from the College Board on the basis of three assignments given by the magazine during the year. They are paid a regular salary for their month's work, plus round-trip transportation to New York.

Agronomists Chosen To Attend Meeting

Arthur Pietsinger and Jack Taylor were recently elected as delegates from the Agronomy Club to the Student Section National Society of Agronomy which is held Nov. 1-2 in Cincinnati.

Dr. Ernest N. Purpus, who recently bred and discovered the Kentucky Clover variety, showed slides at the agronomy meeting of his new variety as it was grown in the western part of Kentucky.

Six new members joined the club. They are Don Wung Doug, Quentin Duff, George Jones, Bobby Blevins, John M. Wolf, and Clyde M. Reamer.

John Payne's Schedule Calls For Visit To UK Drama Class

John Payne

John Payne, who is currently starring with Maureen O'Hara and Howard da Silva in Paramount's technicolor adventure drama, "Tropic," will be the guest of the University of Kentucky from 11:15 until 11:45 a.m. Saturday.

Payne, who will be in Lexington in connection with the newest premiere of the movie which opens at the Ben All theater Sunday, will visit Prof. Wallace Briggs' drama class at that hour in the Fine Arts building.

Bob Cox, local manager of the Schine theaters, said this week that those desiring to see the star at the University could do so before and after he visits Briggs' class. During the class, however, he will discuss

the theater with the students of that class.

After his visit to UK, Payne is scheduled to preside as honorary grand marshal of the Community Chest parade, set to start downtown at 12:30.

Following the parade, there will be an autograph party at 1:10 p.m. in the lobby of the Ben All theater for all Payne fans and at 2 o'clock, he will meet the local members of the press and radio at a party at the Phoenix hotel.

Other appearances are scheduled for Martin's department store at 3 o'clock and a tentative appearance on the Ben All stage at 4 p.m.

Payne is scheduled to leave for his Roanoke, Va., home at 5:30 p.m.

"How do you do," is derived from a Greek word meaning, "Will you let me have five until Saturday?"

This is National Week Week.

Student wives' ticket books for varsity basketball games will be obtainable on the same basis as were football tickets, Harvey Hodges, Athletic Ticket Manager, announced this week.

Cards authorizing purchase of these tickets will be available at the Personnel Office in about two weeks, Hodges said. This card must be presented at the ticket office when the student calls to purchase his wife's ticket book.

A ticket book good for all home games of the first semester will cost \$7. New books for student wives will be issued for second semester games.

Seats allotted to the general public will be located on the west side of the playing court and in the end zone balcony. All seats in the Coliseum, other than those reserved for students, will be divided into classifications to sell at the following prices per game: (1) \$2.50, (2) \$2.00, and (3) \$1.50. However, no tickets will be sold on an individual game basis until after Nov. 19. Beginning Nov. 20, tickets may be purchased on either a season or individual game basis, and either by mail or at the ticket office.

Stern Book Has Appeal

For several years now, Bill Stern's Favorite Football Stories has been on the market. It has been so popular as to be printed in pocket book editions.

An item which will illustrate the reason for its appeal is the following:

"The greatest score rolled up in collegiate football was a 1915 game in which Georgia Tech steamrolled Cumberland College to the tune of 22-0. The game ran only forty-four minutes, which saved Cumberland from more such gridiron punishment as the amazing feat of Jim Pears of Georgia Tech, who kicked eighteen goals after touchdowns in the first half alone. At the rate they were rolling, Georgia Tech might have scored 300 points if the game had gone the conventional sixty minutes."

Bill Stern, the radio announcer of football games from coast to coast, presents here a collection of his tales, from the strange to the zany,

from the emotional to the hilarious. The tales are presented in the Stern radio style. The reader of this book can imagine himself as a radio announcer reading his script to the audience.

For everyone who loves football, for everyone who enjoys Bill Stern's broadcasts of football games or his radio programs, this book will be a gleaming continuation of the Bill Stern they know. — L. D.

JANET LEE, UNIVERSITY OF TEXAS '53 SAYS: "EASIEST TEST IN THE BOOK"

COMPARE CHESTERFIELD WITH ANY OTHER CIGARETTE!

BEFORE YOU SMOKE THEM...you can tell Chesterfields will smoke milder, because tobaccos that smell milder smoke milder.

AFTER YOU SMOKE THEM...you have no unpleasant after-taste.

WHILE YOU SMOKE THEM you get more pleasure than any other cigarette can give you—that's why millions of smokers say: THEY SATISFY.
