FIRE ALARM TEST

There will be a fire alarm test of King North and South on June 1 from 7:30 to 8:30 a.m. There is no need to exit the building.

SECURITY

I ask all who arrive at work before 8 a.m. to please be understanding about the reason for restricting the use of outside door keys. A student has been assigned to unlock the east door (near the President's house) for you to enter. It will take a while before the person who unlocks the door becomes familiar with each staff member. Please cooperate if the student does not recognize you and asks for some kind of identification. Thank you for your help and cooperation in this matter.

Dear Friends in the UK Libraries:

You could not have pleased or surprised me more. The amethysts stone and elaborate gold setting make a most handsome ring. Those of you who know me know how much I love beautiful rings and you know how distressed I was when thieves took my unique collection.

Therefore, this ring gives me great pleasure on two levels. It has intrinsic beauty, but more importantly it represents warm friendship both given and received. My many years with the library system have been some of my best.

I shall wear the ring with joy. I will remember you dear friends as long as I live. I thank sincerely all of you.
