

Lexington 11th July 1862

Ed Smith Esqr

Dear Sir From the Confused condition
of the Country find it next to impossibility
to leave home. Will you not have an
opportunity of Conveyance to Cynthiana on
Monday next County Court day, where I expect
to go, if practicable with a letter of instructions
stating whose debt & what amount, paid.
that I may be able to return a receipt to the
Sheriff by the conveyance of the different amounts
paid... It will Conferr. a lasting obligation
at this time, as I am in want of money at
~~the~~ present. I receive the Kentucky
money, also that of the Northern Bank and
Branches & that of the Eastern Branches
alone.

Yours Sincerely

A. H. McMillin
