

I spoke to uncle Luther
about taking care of Polly's
Place. He said that he
should not let Frost have
it any way.

I guess he wants to
get the minister to
take the place & take
care of the old Lady &
is afraid she will not
be as tough as, even
much longer. He does
not want to take her
home & take care of her

but I think we can
get the place if he don't
& he don't talk much
like it now well it is
almost chock full &
I must cut this short

I want to get to town
to night if it don't
rain to the

Brother Lewis

I have just
received a letter from
you & one from
Nappan. I have
considered hers & will
try ^{and} to do the same by
you. it is appearing
quite pleasant. This
afternoon, just what
I wanted, to bring up
the Bys. I have dug
a part of my Potatoes
& "Puell" commenced to
cut my corn. This
morning. Charles Norton
has helped me two days
this week. I have Power
4 1/2 Bu of Bye finished yesterday
