me know whether you

Dear Friend "LW"

Your kind letter  
came yesterday. Glad  
to hear you arrived safe  
at your Brothers. We are  
all about as you left  
us only without a girl  
& don't want one like the  
one we had when you  
were here. She left with  
Ezra the next morning  
after you did, Ezra came  
to the conclusion it  
was best for him & the  
rest, to go back & keep  
things along as well as  
he could. We went back  
very well contented
