

I meant to have finished this letter the other day but it is now Saturday in the afternoon well Brother Rose & wife came back in the afternoon but Elvira & baby came let fetched them but after dinner he went back & staid till wednes night then went to Charles H, thurs night went to Gideons this morning I carried her home about sick with sore throat tooth ache &c. well Thursday night express came Mr Morgan & family, your Grandpa W. & Esq. Bore-vont & Thudbh, were going to Elis has wanted we should get them word, E started his team & let them know, they wanted your father & myself to go too I tell you I did not feel much like it, but yesterday they came about 10 o'clock just called at the door, then went on in the afternoon your father & I went out, your Aunt L & wife, Mr B & F, when we got there we found Abijah Thurd there too, had a very good visit Mr, M, & family came back & staid here all night, your father got Mr Th wagon & carried them out Para & Mr M went to bergennes, I intended to have finished this & had them carried this surely but but I worked over a little better & took time & it slipped my mind till to late but will try & send the first opportunity my hand I hope is on the whole a little better but runs & pains me most of the time yet when it will get well I dont know if I could only use it so I could see but I cannot so I have to put up with it Mr M will return for home the last day of this month they are in hopes Mr & B will get here before they go back we had a nice shower this morning pleasant this afternoon no one come back E Hammer is here but she was sick Thursday & is not very well any of the time you know she has chopped wood & worked in the field to much for her good I dont folks expect to want her next month she promised to go there before she came here, there is a woman to I now about 40 has lived the past year with Lyman Johnsons Mother for some reason I dont know what has come away she does not like children very well I wanted us to swap night away but I dont know so many changes well enough of this, write & not wait for me I think I have done pretty well for this time give my love to Maria & Mary I have not forgot on our sides would like to see all those girls I suppose they are as large as their Mother & Georgina too well I will
