Addison Oct 20th 1867

Dear Lucy

After so long time I have taken my pen to converse with you a little while the day has passed away the evening has come I did not go to meeting to day George & Sister at home your Father went, & Gilbert went to his Mothers Nelly & Mary & Albert & I went to Bridport to Meeting they have been here this eve a little while to sing there was no meeting at the schoolhouse the Elder is not very smart & the weather is smoky & bad to see to drive in the night the Methodist Minister preached last sunday eve again preached very well is coming in 4 weeks again well I am getting away alone as well as I can I had the threshers this week I was making Cheese too but I lived through Valentine & his Father Bowers came with the machine Silas & Paul helped our folks it was Wednesday in the eve had to prayer Meeting Elder Greens son Willy Goodrich & Albert W Lewis & Silas we had a very good meeting we

get better soon I have made 7 cheeses have not cleaned house not even as much as mopped only in the kitchen yes I have cleaned the kitchen chamber once this fall but who would know it now I have tried to write to you in the evening but my eyes would fail me so I thought I would try it in the morning we have had a nice rain I have all the water in the cistern in the house & stuck to it I stopped its leak & water is soft & good I am glad for I can get the water myself but that wont do all the work it has been very pleasant this fall I wish I could do my cleaning but dont know when I shall well I must go to getting Breakfast wednesday eve well you see my letter is not finished will try to write a little more I am well have been cleaning the kitchen chamber have put my cheese in it cut one for supper George will hold your Father to it for eating cheese he is very contented how is your headache do you have any symptoms of fits & has a receipt he got of a German fellow in bergennes for the ague he says it is a sure cure will send it you Gilson's shingle over his house the ground was white with snow this morn has not all gone off the mountain yet thursday morn well I am able to get breakfast & eat it the sun has just rose very pleasant it froze hard last night & I wish you was here this morning I wish that Brick house was in Addison I wish you & Adelia was here & could open my heart to you I wish you was here you would not have to be salivated with calomel so but must suffer as long as you live with sore mouth & cost
