My Darling Clara

This is Thursday night about 11²⁰ O'clock.
I went to see some girl tonight and I am
alone in store since about 9 o'clock. I am as
lonesome as I can be. I do wish I could wake
up in the morning and find my Baby's head
on my arm. My Dear. Dear Clara. I love
you with all my heart. and I hope you
will never leave this long again. Don't
my darling get Lonesome without me?
I wish I knew whether you are or not. I
am expecting a letter ~~soon~~ tomorrow &
now my Dear I am going to just pray
like every thing, tonight that I do hear
from you. I worked on my Books
until I got quite tired. Then I
counted on store. It has 1210.
It was quite a job to count them.
Mr. Pickett painted the room inside today
and we got it another coat tomorrow.
It looks pretty nice. I am going
to have Mr. Pickett work the wire & over &
