Dear Sir:-

I observe that hotel accommodations have been secured for the Kentucky delegation to the national Democratic Convention in San Francisco; so I am writing at once to bespeak a room for myself.

I prefer a small room for one person; preferably with a bath, but I do not consider this essential.

Also, I shall wish to be with the Kentucky delegation on the train; and desire to secure a lower berth.

Any further information you can give me will be gratefully received. What railroad route has been decided upon? Will the terms allow return by a different route? I would like to return by the Canadian Pacific.

How long a time will the tickets be good, and what is approximately the cost of them and of the room at the hotel?

Very respectfully yours,

Willsie Hotel.

Dear Miss Clay:-

It is a pleasure to congratulate you, as well as the Party, on your election as a delegate to the "Prosperity" Convention at San Francisco.

It is the expectation of a few of us to make up a party which will start from Louisville on Monday June 21st, although we could as well meet each other on the North-Western Union Pacific train leaving Chicago Tuesday evening, June 22nd, which will bring us into San Francisco Friday afternoon.

Arrangements have been made by the National Committee for all of us to stop at the same hotel, and the National Committeeman from California, who is likewise Chairman of the Hotel Committee, is a very close friend of mine and it will be a pleasure for me to make arrangements for any of the delegates from Kentucky.

If the arrangements could be perfected, quite a party could go along together, and in this way break the monotony of a long train ride.

Very truly yours,

May 12, 1920.

Dear Friend:

This is to ask you for immediate legislative assistance in behalf of an appropriation for the Women's Bureau of the Department of Labor and also for two other services, provision for which was yesterday stricken out of the Sundry Civil Appropriation bill on a point of order.

I. The Women's Bureau. The Appropriations Committee reported to the House an appropriation of \$75,000 for the Women's Bureau, this being an increase of \$35,000 over last year's appropriation, which was \$40,000. The estimates of the Secretary of Labor for this Bureau amounted to \$150,000, and numerous women's organizations had asked for the full amount recommended.

By elimination of this item in the Sundry Civil bill as it passed the House, the entire question is put up to the Senate. Unless that body acts favorably the Women's Bureau will be left without funds to continue after July 1. The Campbell-Kenyon bill, making the Women's Bureau statutory and thereby proof against a point of order on its appropriation, has passed the House but not the Senate, and I am told today by Senator Kenyon, who has charge of the bill, that it will not be possible to get the statute enacted by the Senate until after the Sundry Civil bill is passed, and therefore not in time to protect the appropriation by this means. Therefore we have to look to the Senate Appropriations Committee, not only to make the appropriation, but to protect the item by a special rule, if necessary, in the Senate. If the Senate provides the appropriation in the Sundry Civil bill no point of order can be made against it when the bill goes back to the House.

Our request to you therefore is that you telegraph the Chairman of the Appropriations Committee and as many other members of the Committee as you may be willing to communicate with, asking them to provide the appropriation recommended by the Secretary of Labor for the Women's Bureau of that Department. The amount recommended, as stated above, is \$150,000.

Business Women

The Chairman of the Appropriations Committee is Senator Francis E. Warren of Wyoming. The other members are Senators Reed Smoot of Utah, Wesley L. Jones of Washington, Charles Curtis of Kansas, William S. Kenyon of Iowa, Lawrence Y. Sherman of Illinois, Asle J. Gronna of North Dakota, Frederick Hale of Maine, Selden P. Spencer of Missouri, Lawrence C. Phipps of Colorado, Truman H. Newberry of Michigan, Lee S. Overman of North Carolina, Robert L. Owen of Oklahoma, John Walter Smith of Maryland, Charles A. Culberson of Texas, Oscar W. Underwood of Alabama, Marcus A. Smith of Arizona, Edward J. Gay of Louisiana, William J. Harris of Georgia.

In addition to sending a telegram to the Chairman of the Appropriations Committee, will you please write at once to both Senators from your own State, asking them to support the appropriation when it comes to a vote in the Senate. There is time, except from the far distant states, for a letter to reach the Senators who are not on the Appropriations Committee, because they will not have to consider the matter until it comes to the floor and this probably cannot be sooner than the middle of next week.

II. Division of Negro Economics. An appropriation of \$15,000 for this work was also stricken from the Sundry Civil bill in the House on a point of order, and if this highly important piece of work is to be continued, an appropriation will have to be provided by the Senate.

III. Federal Employment Service. An item of \$225,000 for this Service met the same fate as the Women's Bureau appropriation and the Division of Negro Economics, and this Service therefore, if it is to be continued at all after July 1st, must be provided for in the Sundry Civil bill in the Senate.

If you agree with us that all of these services ought to be continued and are entitled to at least the amount mentioned, will you not include them all in your request to the Chairman of the Appropriations Committee and the Senators from your own State.

Appreciating your cooperation, I am

Sincerely yours,

Etzel M. Smith

Secretary Legislative Committee.

Mr. P. H. Callahan,

Dear Sir:-

Your very kind letter of May 10 was received this morning.

The plan you outline for the Kentucky delegation to go to San Francisco seems to me very pleasant in every particular. I saw in the Louisville paper the clipping I enclose; and as I had made no plans for the trip, I wrote promptly to the secretary of the Democratic Headquarters in Louisville to bespeak a room at the hotel and a lower berth on the train.

I presume the clipping and your letter refer to the same plan; and if that is the case, I shall avail myself with great pleasure of your invitation to join the party in Louisville on June 21. I have not yet received an answer, however, to my letter to the secretary; and unless the clipping refers to your plan it may be the secretary has already acted on my request and made other arrangements for me. If there is no conflict, I accept gratefully your offer to make arrangements for me at the hotel and on the train; and I shall hope to hear further details from you.

My dear Miss Clay:-

Replying to your letters of May 10th and 13th, regarding arrangements for the "Prosperity" Convention at San Francisco.

You will observe that we have tentatively made arrangement to leave Louisville the night of Monday, June 21st, and Chicago the following day, and the National Committee has arranged to "billet" the Kentucky delegation at the Wilshire Hotel, which is just across the park from the St. Francis, and will see that you get the kind of accommodations specified.

Have not yet made up my mind as to the return route, but no doubt some of the Kentucky people will wish to return by the Canadian Pacific and stop over a day or so at the wonderful resorts.

20 May 1920

Miss Laura Clay,

My dear Miss Clay:

The letter signed by yourself, Georgie H. B. Burton, and Caroline T. Scott dated May 15, 1920 and relating to H.R. #13,334 with reference to the prohibition of fishing of salmon in the Yukon River for the purpose of canning and export was duly received. I am much interested in this proposed legislation and have been giving considerable time and thought to it. Hearings have already been held by a sub-committee of the Committee on Merchant Marine and Fisheries, of which I am a member, and a report of some sort is expected in the near future.

I was especially pleased at the little personal reference in your letter. I do indeed remember you well and the very great pleasure it gave Mrs. Burroughs and me to have you stay with us during your little visit to our home city. You may be interested to know that my two oldest sons, whom you saw when you were there, are now in Dartmouth College, one a junior and one a freshman. My other two sons are with us here, the older of the two having just passed with very high rank his entrance examinations to the Naval Academy at Annapolis.

I certainly am at a loss to explain to you why New Hampshire has not yet granted presidential suffrage to women. I can think of no other reason than that our people were so positive that the Constitutional Amendment would be adopted in season for this year's elections that they considered further action unnecessary.

It has been very gratifying to me to have an opportunity as a member of Congress, to cast my vote on two separate occasions in favor of submitting this amendment and also to serve as a member of the committee which reported the resolution to the House.

Mrs. Burroughs joins me in warmest regards to you and the hope that if you should ever chance to come our way again you will certainly come to see us.

Very sincerely yours,

Sherman E. Burroughs

Dear Jere:-

Having some good news-paper connections in San Francisco, would like to give the proper publicity to the prominent personages in the Kentucky delegation who will be attending the "Prosperity" Convention.

Therefore, could you have prepared for me an article of, say, two-hundred words of the "Who's Who" style on Miss Laura Clay, and also a historical sketch of two-hundred words on General Cassius Clay, which would be excellent news-copy under the circumstances.

You might also procure for me a picture of Miss Clay, and hoping this matter will have your very best attention, beg to remain,

Very truly yours,

A. N. Cannon

May 21st, 1920.

Miss Laura Clay,
Lexington, Ky.
My dear Madam:-

Please advise me by return mail if possible, or at any rate before June 1st, whether you will attend the Democratic National Convention at San Francisco.

For your information I am enclosing approximate rates furnished me by the Union Pacific System, and also itinerary of the Governor James M. Cox Ohio Booster train, which will reach St. Louis June 20th, and can be joined there if desired, or the trip may be made in less time, (about 70 hours) from Chicago or St. Louis, leaving either place June 22nd. Please state your preference in this respect.

It is my intention to arrange for a special train for the Kentucky Delegation if feasible, so that the trip may be as pleasant and convenient as possible, but to do this it is necessary for me to know definitely and promptly how many delegates and alternates are going, so as to make the necessary arrangements, including hotel accommodations at San Francisco. Twenty-six rooms at the Wiltshire Hotel, San Francisco have already been secured, rates \$3.00 and \$4.00 per day, beginning June 25th.

I hope very much that you will arrange to attend the Convention.

Yours very truly,

Democratic National Committeeman.

My dear Mr. Layne:-

Your letter of May 20th, regarding arrangements for the trip of Mrs. Layne and your son to San Francisco, at hand.

It is our expectation to leave Chicago over the North Western Union Pacific at 7:10 P.M., Tuesday June 22nd, and go straight through.

There is quite a large party of us, including myself, and others, who are going to return by the picturesque Canadian Pacific, making brief stops at Portland, Tacoma, Seattle, Victoria, Vancouver, Lake Louise, Banff, Minneapolis, St. Paul, Chicago, and from there home.

Some of the party, including Mr. McCord, of Springfield, are arranging to return by Los Angeles and The Santa Fe Route, possibly stopping over at Grand Canyon, Kansas City, and St. Louis or Chicago, while Mr. and Mrs. Shields, of Taylorsville, and perhaps some others are going to return by also going down to Los Angeles and then by Salt Lake City and the "Rio Grande" to Denver, and then to Kansas City, St. Louis, or Chicago.

We would be very glad to have Mrs. Layne and your son in our party.

Very truly yours,

I would be glad for you to furnish me such information as you regard the most important facts relative to your father, Cassius Clay, and also such facts in your own life that you might care to have referred to in an article I might prepare. I really would rather for you to prepare both articles, and let me supervise them, if you have the time. I think this important.

Dear Sir:-

Your letter of the 21st is at hand, regarding the Democratic National Convention route to San Francisco.

I expect to take the Northern Pacific Canadian route on return trip and possibly via Victoria and Vancouver.

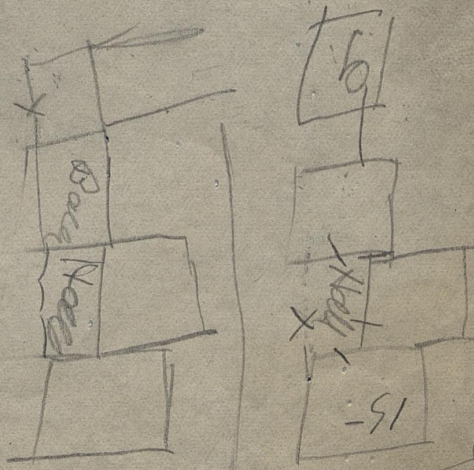

The only side trip I now think I would like in California is to the Yosemite Valley. How had I better arrange that? Can it be taken as a side trip on the ticket by the northern route? or had it better be arranged as a separate trip before I start on the return trip?

Please find enclosed my check for \$17.01, in payment Pullman fares.

I have not yet decided whether to start from Louisville the night of the 21st of June; or to join the party in Chicago on the evening of the 22nd. I will let you know in due time to arrange for a lower berth, if I decide to make the trip on the night train.

Thanking you for the information given, I am

Kentucky Delegates,
"Prosperity" Convention,
San Francisco, Calif.

Inasmuch as you are a member of the Delegation, you will be interested in the enclosed data showing routes taken by different members on their way out to San Francisco.

There may still be some additions to the Overland Limited party, which also includes some other Kentuckians that are going along, as well as wives and members of the families of the Delegates.

This is merely sent you as a matter of information.

Yours very truly,

P. H. Callahan.

Hon. J. N. Camden,

Versailles, Ky.

Dear Sir:-

In reply to your letter of May 21st I beg to say that it is my intention to go to the Democratic National Convention in San Francisco.

In regard to the R.R. route:- I have received letters from Col. P. H. Callahan, inviting me to join a party of the Ky. delegates who are to start from Louisville on the 21st of June, and from Chicago on the evening of the 22nd. I have accepted this invitation and have secured Pullman reservation for that route. Also, Col. Callahan has kindly undertaken to secure hotel accommodations for me with the Ky. delegation.

Thanking you for the information in your letter, I am

Miss Laura Clay,

My dear Miss Clay:-

Owing to the various letters you have received, there may be some confusion relative to the arrangements for our trip to San Francisco and thought it best to write you fully and definitely.

You are scheduled to leave Chicago on the Overland Limited Tuesday June 22nd at 7:10 P.M., arriving in San Francisco Friday the 25th at 5:30 P.M., and to be located at the Wiltshire Hotel, where our reservations begin that day.

It was necessary to secure the sleeping-car accommodations some time ago, and they are in my name, and a berth is being held for you in accordance with your instructions until your Railroad ticket is purchased, and in this connection free transportation nor anything but first-class transportation is accepted on this particular train.

At the time you purchase your ticket it will be necessary to make up your mind regarding the return route and am enclosing you herewith copy of a letter written Mr. Layne which will give you some necessary information regarding the return route.

Owing to your location, it will be just as convenient for you to begin your trip in Louisville, therefore, a berth has also been reserved for you on a special-car to leave on the "Pennsylvania" at 10:30 P.M., Monday, June 21st.

If your prefer, you can handle the whole matter through my office by letting me know just how you wish to return and we will do the rest.

Very truly yours,

P.H. Callahan

Mrs. George Bass,

Woodward Building, Washington, D.C.

Dear Mrs. Bass:-

Some days ago I received from Mrs. J.C. Cantrill a request to send to Democratic Headquarters a photograph of myself; and biographical data-" just as complete an account as possible". Accordingly, I am sending a sketch entirely too long, written in large part by my friend, Alice Stone Blackwell, in 1911, and brought up to date. You can use as much of it as you think proper.

I am also enclosing a photograph of myself.

Today I received a request from Headquarters for names of women to whom to send literature. It was a circular addressed to Katherine F. McCarthy, Lowell, Mass.; but I suppose a similar one was intended for me, and I shall give it my prompt attention. I have been helping to organize some clubs of Democratic women, and can probably help efficiently in this line.

Very truly yours,

Hon. J. A. Sullivan,

Richmond, Kentucky.

Dear Sir:-

In accordance with your request in your letter of the 21st, I am enclosing to you a biographical sketch of myself, the larger part of which was written by a newspaper friend, Miss Blackwell. I know it is longer than you require, but I believe you are a better judge than I of and you can select parts from it, which is desired for Mr. Callahan's purposes. I hope you will think it suitable to include my States Rights attitude, as described in the last ten lines.

As to the sketch of my father:- I do not think it would be complete without a reference to his long self-sacrificing efforts for the freedom of the slaves. You might make reference to his service in the war with Mexico.

He was appointed minister to Russia for both terms of President Lincoln's administration. I believe my brother Brutus could give you all the points you might like to speak of better than I can.

I enclose the photograph you ask for.

Thanking you for your kindly interest in me as a Democratic delegate to the San Francisco Convention, and hoping that I may acquit myself to your satisfaction, I am

Very sincerely yours,

Miss Laura Clay,
Lexington, Kentucky.

My dear Miss Clay:

At the request of Mrs. R. C. Browner, President of the Franklin County Democratic Women's Club, I write to ascertain if you will address the Club at our first open meeting after your return from the National Democratic Convention. This meeting will be on July the tenth. An early response will be appreciated.

Very sincerely,

(Mrs. Arch) Atlanta H. Pool

Mrs. Arch Pool,

Frankfort, Ky.

Dear Mrs. Pool,

I have just received your letter of the 28th, inviting me to address the Franklin County Democratic Women's Club of July 10th. It would give me pleasure to do so; but I am arranging to stay a few days in California after the national convention, and I am too doubtful about the exact date of my return to make an engagement so early as that.

If at some later date, to be fixed on my return, your Club should desire me to address it, I shall be very glad to do so.

Very sincerely yours,
