

A As far as I know, about one-half mile above her home; where she was born and raised

Q 7 How long have you known her?

A. All my life

Q 8 During the past **ten** (10) years have you known of her whereabouts, or whether or not she has been teaching in the public schools of this county?

A I will say for in the last five years that she has taught three to five years. I don't exactly know how much she has taught in the last five years

Q 9 Do you know whether or not she has every school year in the past ten years?

A. She has not

Q 10 During what school year, or school term did she not teach?

A. As I remember, I started teaching in 1926 or 1927, and can make it plain. I taught my first school in 1927. I taught that school at Myrtle, Kentucky, and I taught the next school at Myrtle, Kentucky in 1928. Josephine Stanley was keeping house there; she and her husband was living about one mile below the school where I was teaching; during those two years Josephine Stanley did not teach school.
