Walter S. Harkins, Esq.,

Prestonsburg, Kentucky.

Dear Sir:--

I enclose you herewith copy of bill in Equity filed by James Hatcher against Levi Meyer and Meyer Frank at the last calling of our case in the United States Circuit, as heretofore reported to you.

I also enclose you herewith copy of the answer which we have prepared and now submit for your approval and suggestion. We have forwarded same to Philadelphia for signature. Please let me know if you have any changes to suggest.

Will file same on the First of December, at which time answer is due according to the summons served.

At the same time, we shall ask the Court for an order to read the depositions of Mayer Frank, Levi Meyer, Henry M. Reiss and Meyer Shamburg, taken in the Common Law case, at the hearing of the Equity case.

As I have heretofore expressed to you, I believe we are more advantageously situated now than when only the Common Law action was pending, and I should like to have some expression from you as to what step you think ought to be taken in addition to those already taken by us.

Very respectfully,

Alfred Selligman
