Dear Sir

I recd a note from Mrs Apperson
regarding Collections & Stating to me that fee
bills are sent to her for payment which
she thinks strange of who do I presume
that must be some of that Fitzpatrick's doings
on that Gayhart or Harris debt for I know
in the exhibit you showed me that you
had gave yourself Credit for the fee bills
you paid to Officers in the Cases you had
attended to & collected Can you explain
the matter how any was sent to her for
collection that was not paid

I hope you will forward to me
what you have collected so I can
send immediately to her the money - please
attend to this

Truly yours
Geo Wils Jr
