Dear Sir

your 18th Rec^d and noted Schuber
wife are not in the deal.

About the Patents I am to throw
this week and next to do any thing

I think you had better get John
Castle to get the date and no of
the patents. The last notes I sent
you the A. J. Bow lands that is all
that was in that 200 @.p.

"Bow & Bulehrs" John K Wood and
Jompson word of the A Penit Lands
Coke Preston P. the lands we got from
Spears I do not know who Patent
the Johnson ward Land but But will
find out and let John Castle know
I will make a raid from to day
and find out all I can & send it to
John by the time you give him his
orders he will have to go to the Surveyors Books
