Mr. T. E. Dimick,

Huntington, West Va.

Dear Sir:

Replying to your favor of recent date, I note Mr. Harkins conversation with you on the matter of protested note of Hanover.

The Committee of the Hanover Oil & Gas Company is about to send out interest on all paper to date and in a very short time sell the plant either as a whole or piecemeal, when we think we will be able to pay the indebtedness in full or nearly so.

As to instituting bankruptcy proceedings against me account of my endorsement on the note, I trust you explained to Mr. Harkins that the balance due him or his bank on the note would be lost to him by such procedure, remaining due, if any, after the Committee get through converting assets as they are now trying to do into cash.

Very truly yours,

N. F. Clark.
