Mr. Jas. A. Goble,
Matewan, West Virginia.

Dear Sir:

I beg to advise that immediately upon my arrival, at Louisville, I wired Mr. Wall relative to the property which you desire to acquire. The same was forwarded to him at Columbus, and he wired me yesterday that it would be necessary to have a sketch of this property before he could give me a definite answer. I am writing him to the effect that it is impossible to furnish the sketch from here, but referring to the property in such a way that he will have no difficulty in seeing just what is desired by referring to the map. While it will possibly take several days for me to work this out for you, nevertheless, I have no doubt but that I will be able to consummate this deal for you.

I had expected to go home tomorrow, but found today that I will have to stay here for sometime. I may not be at the office again for two or three weeks.

With best wishes,

Very truly yours,

JDE
