Mr. Joe Harkins,
Prestonsburg, Ky.

Dear Joe:

I hoped to see some of the Prestonsburg boys at the Whitesburg Court last week, but failed. I wanted to talk over the proposition of my running for the Democratic nomination for Attorney General. I have practically made up my mind to run, and I want to solicit the support of all you boys over there, and I wish you would see as many as you can and let me hear from you.

I have written some several, but will try to get over and see you some time soon.

With best wishes, I am

Your friend,

Bailey P. Wootton
