Dear Jim²

Many thanks for the Shestov which arrived safely and is remarkable. I was interested too in the D.H. Lawrence preface.

Carolyn Hammer told me you were the one who did most work on Prometheus and I want to take this opportunity to thank you for a very satisfying and beautiful peace of work. May God reward you.

I am looking around for something in the French painter, Le Douanier Rousseau. Would you happen to have any book on him that I could borrow?

I am getting the others back to you gradually. Please let me know if you are in urgent need of any one volume, I will return it immediately.

Gratefully yours in Christ

for Louis
