

Darling Sweetheart -

I am leaving my room in  
Paris having had a most  
interesting stay. I am very  
glad I came back. I shall  
be living with a professor  
& her family in Paris or  
at the University. I am  
very happy and content  
but certainly do want to  
see you. Will Jim & George  
& write me their plans if they  
expect to see me - Love - Dixie
