Mar 1. 1966.

Dear Victor.

Many thanks for your letter. I would be glad to discuss the question of your book & if it should go to J. (No harm in trying) - The 12th, 19th & 26th are all right for me. 12th is the best - let me know. I will be ready any day you say, at usual time - 11:15. All the best - Tom
