

Thursday Night  
July 20-50.

My Son:

No ink cant find it anywhere  
But have watered this just for  
a few words to you.

I worked on the house this  
morning and we had a cold lunch  
read the papers while it rained  
Then Dad went to town with Enoa  
and I went to Dads and Vanny  
and I picked me a gallon of black  
berries between showers and got  
wet, So night I have made 42  
glasses of jelly found some jars  
put away at Mothers they may be  
Elenes's any way I used them.

Dad went to bed before dark  
and has had a good nap I found  
him sound asleep with the  
radio going so I slipped into
