My Son =

Was so glad to hear from you on Saturday and to know that Mac did such a lovely dinner, with his tracher, for your birthday, He can never know how much we appreciate his thoughtfulness or how much I enjoyed him. He did for you just the thing I would have done could I have been with you.

You asked about the Mac grave well its coming along fine But some of them do look a little drooped I thought every one would live and they still may But 6 or 8 of them will have a hard pull to get through like have kept them well watered even after we could not get water from the branch I saved every ounce of waste water for them.

Bill & Marietta spent Saturday night with us and we burnt the
