

Thursday Night

Sept. 24 - 53.

My Sons =

Was indeed glad to get your letter  
in to days mail, and to know you  
think you can get 45 days leave.

All we can do is just hope that  
you may be needed some where more  
than in Korea. That's just a hope  
and a prayer too.

Very little news here to relate  
Dad cut weeds up the branch today  
until he broke a cycle blade, this  
after noon he & Charles worked some  
on the old garage and brought over  
a load of the lumber from it.

To Morrow is milk day again and  
Dad will have to take it & the butter  
and eggs.

I got all of up stairs swept dusted  
and straight except my kitchen and  
I feel so much better for it was  
getting on my nerves knowing how
