I. Appointment of Dean of Education (PR 5B)

President Wethington said that PR 5B is a recommendation for the appointment of the Dean of the College of Education. He asked Dr. Chapman to comment on PR 5B.

Dr. Chapman reported that following Dr. John Harris' announcement of his desire to return to teaching and scholarly research interests, a search committee was appointed to identify and recommend qualified persons for the Dean's position. He said that Dr. Shirley C. Raines is ideally suited for the intense focus now being placed on education in Kentucky. She received enthusiastic support from across the college and was strongly supported by the search committee. He explained that there is a new Physicians' Services Plan and a plan for supplemental compensation which have previously been approved by the Board. The old Plan was retained for those who did not elect to practice under the more recently adopted University Health Service Physicians' Practice Plan, and it was to be eliminated once there was no one in

the old Plan. Dr. Powell seconded the motion and it carried. (See PR 6A at the end of the Minutes.)

Mr. Hardymon moved that the Board confirm changes in the tuition schedule as adopted by the Council on Higher Education and establish corresponding part-time and summer school charges under the guidelines of the Council on Higher Education. He reported that the change is approximately a 3.7% increase, certainly smaller than in the past and more in keeping with what the University is trying to do in holding down cost increases to students. Mr. Shoop seconded the motion and it passed. (See FCR 4 at the end of the Minutes.)

P. Mandatory Registration Fee Schedule 1995-96 (FCR 5)

Mr. Hardymon moved that the Board approve the Mandatory Registration Fee Schedule for 1995-96 which is to remain in effect until changes are approved by the Board. He reported that the Finance Committee reviewed the proposed minor changes and the Fee Schedule is less than a 2% increase. He said that the Finance Committee had a discussion on the importance of the technology part of the fees and it is certainly making the campus and the community colleges more user friendly to computers. His motion was seconded by Mr. Sturgill and carried. (See FCR 5 at the end of the Minutes.)

Q. Room and Board Rates 1995-96 School Year (FCR 6)

(See FCR 6 at the end of the Minutes.)

R. Patent Assignment (FCR 7)

Mr. Hardymon said that the Finance Committee had a lengthy discussion about the patent assignment. He said that three scientists from the College of Medicine, Robert Dickson, Robert Lester and M. Marek Nagiec, have invented certain improvements in a technique for specifying the fatty acid at the SN2 position of acylglycerol lipids. He moved that the Board approve FCR 7. U. Rogers Badgett Pledge (FCR 10)

Mr. Hardymon moved that the Board accept a pledge of \$250,000 from Mr. Rogers Badgett, of Madisonville, Kentucky to the Madisonville Community College Partners in Progress Major Gifts Campaign. He said that Mr. Badgett is also a Madisonville businessman and his pledge of \$250,000 is to be paid over a five-year period beginning in 1995. Again, this gift is unrestricted. Mr. Shoop seconded the motion and it passed. (See FCR 10 at the end of the Minutes.)

V. Estate of Robert C. May (FCR 11)

Mr. Hardymon recommended that the Board accept a photography collection, valued at \$158,010, and cash distributions of \$535,000 from the Estate of Robert C. May. Mr. May was born in Lexington and died at the age of 57 on March 9, 1993. He graduated from the University of Kentucky and was an adjunct faculty member of the UK Art Department. His photographs were exhibited locally, regionally, and nationally for a period of 40 years. This gift is to underwrite the museum's efforts to preserve, exhibit and publish Mr. May's works. He moved approval of this fine gift. Professor Powell seconded the motion and it carried. (See FCR 11 at the end of the Minutes.)

W. Hopkinsville Industrial Foundation Pledge (FCR 12)

The first payment is to be made upon groundbreaking for the technology center. His motion, seconded by Mr. Welenken, passed unanimously. (See FCR 12 at the end of the Minutes.)

Governor Breathitt expressed appreciation to the members of the Board, who are not members of the Finance Committee, for their attendance at the Committee meetings. He said that the Committee has a detailed discussion and explanation of all the items and attending the Committee meetings is very helpful to him. He encouraged other members of the Board to attend.

X. Investment Committee Report

Mr. Wilcoxson, Chairperson of the Investment Committee, reported that the Investment Committee met at 9:30 a.m. to complete a comprehensive review of the University's endowment investment manager structure and to approve the hiring of endowment investment managers. The Committee reaffirmed its long-range asset allocation policy of 50% to 70% in equities and 30% to 50% in fixed income investments with a targeted asset allocation of 60% in equities and 40% in fixed income. To provide greater diversification of the equity investments, the Committee decided to add three specialty equity managers to complement its current manager structure: a large cap value equity manager, a small cap equity manager, and an international equity manager. He reported that the Investment Committee was assisted by its consultant, Cambridge and Associates, and they have completed a national search for investment managers to fill these positions. Southeastern Asset Management has been hired as large cap value equity manager. Wellington Management Company has been hired as small cap value equity manager, and Delaware International Advisors has been hired as international equity manager. With the addition of these three managers, there will now be five equity investment managers and one fixed income investment manager for the Committee to work with in handling the investment program. He noted that the endowment market value as of March 31, 1995 was \$128,500,000 and the Committee voted to retain Cambridge Associates to provide consulting and performance monitoring services.

Governor Breathitt said that he and several other members attended the Investment Committee meeting in March when the presentations were made, and he was very impressed with the fine job that Mr. Wilcoxson and the other members of the Committee did. He thanked them for a very important piece of work.

Y. Meeting Adjourned

There being no further business to come before the Board, the Chairperson adjourned the meeting at 1:33 p.m.

Respectfully submitted,

Lois C. Weinberg

Office of the President
May 2, 1995

Members, Board of Trustees:

CANDIDATES FOR DEGREES
UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1994 and December 1994 were approved by the Board of Trustees at earlier meetings.

She has also served as a member of the faculty at George Mason University in Virginia, North Carolina, Wesleyan College, and Roane State Community College in Tennessee. She began her career as a second grade teacher in Louisville.

Dr. Raines served on the National Teacher of the Year Selection Committee, sponsored by the Council of Chief State School Officers and Encyclopedia Britannica, from 1990-92. She received a Distinguished Faculty Award and a Faculty Award for Outstanding Teaching from George Mason University in 1991. She is the editor and author of five chapters of Whole Language Across the Curriculum in Grades 1, 2, 3, currently in press. She is also the author or co-author of eight additional books focusing on early learning and reading. She has published a number of chapters and articles on early childhood.

The University is fortunate to attract such a highly qualified person to the position of Dean of Education.

ELIMINATION OF PHYSICIANS' SERVICES PLAN AND PROVISIONS
FOR SUPPLEMENTAL COMPENSATION UNDER THE PHYSICIANS' SERVICE PLAN

Recommendation: that the Board of Trustees eliminate the Physicians' Services Plan (as described in AR II-7.0-1) and the Administrative Regulations related to that Plan, which are identified as AR II-7.0-1 and AR II-7.0-2 and entitled "Physicians' Services Plan" and "Provisions for Supplemental Compensation Under the Physicians' Service Plan" respectively.

Background: The Physicians' Services Plan recommended for elimination was adopted by the Board of Trustees in 1960. It has existed for a period of years to govern the practice of physicians of the University of Kentucky Chandler Medical Center and was retained for those who did not elect to practice under the more recently adopted University of Kentucky University Health Service Physician's Practice Plan, as described in AR II-7.0-9. At the present time, the Medical Center has no physician practicing under the 1960 Physicians' Services Plan and thus has no need for the Plan. The recommendation is to eliminate the Plan and to delete the provisions of the Administrative Regulations that relate to the Plan.

CONFIRMATION OF 1995-96 TUITION SCHEDULE

Recommendation: that the Board of Trustees (1) confirm changes in the tuition schedule as adopted by the Council on Higher Education, and (2) establish corresponding part-time and summer school charges under the guidelines of the Council on Higher Education.

Background: Under KRS 164.020, the Council on Higher Education is empowered and charged with the responsibility to determine the tuition for attendance at public institutions of higher education in the Commonwealth. Charges for part-time and summer school students are derived, as the Council has directed, from the semester rate, using the institution's definition of what constitutes a full-time load for each level and program area.

MANDATORY REGISTRATION FEE SCHEDULE - 1995-96

Recommendation: that the Board of Trustees approve the following Mandatory Registration Fee Schedule for 1995-96 which is to remain in effect until changes are approved by the Board.

	<u>Semester Full-Time Fee</u> ¹	<u>Eight-Week Summer Session Full-Time Fee</u> ²	<u>Part-Time and Four-Week Intersession Fee Per Credit Hour</u>
<u>University System</u>	\$167.00	\$36.00	\$6.00
<u>Community College System</u>			
Lexington Community College	167.00	36.00	6.00
Prestonsburg Community College	84.75	-	-
All Other Community Colleges	-	-	-

- 1 For fee purposes, twelve credit hours or its equivalent constitutes a full load for undergraduate students, nine hours for graduate students, and ten hours for law students.
- 2 For fee purposes, six credit hours or its equivalent constitutes a full load for undergraduate students and five hours for graduate and law students.

Background: The recommended schedule represents a two dollar increase (\$2.25 for Prestonsburg Community College) over the 1994-95 mandatory fee schedule. The recommended fee is consistent with the Board-approved mandatory registration fee policy and remains considerably lower than the upper limit established in that policy. The change in fees is to support increased operating expenses for the Student Health Service. The increased fee for the Student Health Service programs has been recommended by the Student Health Advisory Council and the Prestonsburg Community College Student Health Advisory Council.

These fees will be charged to all students in accordance with their status as full-time or part-time students. Students taking all of their courses in off-campus locations outside of Fayette and its contiguous counties may have the University System mandatory registration fee waived. However, if a student eligible for this waiver wants to participate in activities supported by these fees, the student must pay the total mandatory fee.
