Theresa Smith's Fragment envelopes and

dust with sugar. ... the gravy in the spider,
pour half a cupful of cream, stir quickly and pour over
the tomatoes.

Mrs. Ayers. Rice Muffins:— One and a half cups entire
wheat flour, one cup sweet milk, two eggs, three table-
spoons melted butter, two tablespoons baking powder,
one-fourth teaspoon of salt, and one cup of boiled rice.
Beat the yolks of the eggs and milk together; sift flour,
salt and baking powder together, and add and beat very
light. Add the melted butter and rice, mix in, and lastly
fold in lightly the whites of the eggs beaten stiff. Bake
in hot buttered muffin-tins half an hour in a hot oven.

Jane Powers:— Irish moss is indeed a healthy and pal-
atable article to use and makes a readily digested dessert
for children, which is an especially good dessert. Irish
Moss Jelly:— One-half cup milk, salt, one tablespoon
Irish moss; flavor if desired. Wash moss in several
waters, and pick over carefully. Put into a double-
boiler with milk. Cook about five minutes, or until
thickens when dropped on a cold plate, add pinch
of salt, strain, and flavor. Put into custard cup which
has been rinsed in cold water. This makes a very small
quantity, for more double or triple the proportions.
