

Minutes of the Meeting of the Board of Trustees of the University of
Kentucky, Tuesday, February 13, 1968

In accordance with action taken by the Board of Trustees on May 2, 1967 which established monthly meetings of the Board of Trustees during the academic year, the Board met on Tuesday, February 13, 1968, at 2:00 o'clock, Eastern Standard Time, in the Board Room of the Administration Building on the campus with the following members present: Governor Louie B. Nunn, Chairman, Dr. Ralph Angelucci, Vice Chairman, Mr. Sam Ezelle, Secretary, Mr. William Black, Mr. Smith Broadbent, former Governor A. B. Chandler, Dr. Harry Denham, Mr. George W. Griffin, Mr. J. Robert Miller, Dr. N. N. Nicholas, and non-voting faculty member, Professor Paul Oberst. Absent were Mrs. Rexford Blazer, Mr. Wendell P. Butler, Mr. Richard Cooper, Mr. Robert Hillenmeyer, Mr. B. Hudson Milner, and non-voting faculty member, Professor Stephen Diachun. President John W. Oswald and Vice Presidents A. D. Albright, William R. Willard, Robert F. Kerley, Glenwood L. Creech and Robert L. Johnson represented the administration. Members of the news media were in attendance as was Mr. Steve Cook, President of the Student Government Association.

A. Meeting Opened

Since both members of the Board and representatives of the news media were present, Governor Nunn called the meeting to order at 1:55 p.m. The invocation was pronounced by Mr. William R. Black. The secretary reported ten voting members present which constituted a quorum and the chairman declared the meeting officially open for the conduct of business at 2:00 p.m.

B. Minutes Approved

Noting that there were three sets of Minutes before the Board for approval, Governor Nunn first called for a motion on the Minutes of the January 12, 1968 meeting of the Board of Trustees. Dr. Angelucci moved that the reading of the Minutes be dispensed with and that the Minutes be approved as published. The motion was seconded by former Governor Chandler, and passed without dissent.

Governor Nunn then called for a motion covering the Minutes of the Special Called Meeting of the Executive Committee of the Board of Trustees on November 27, 1967 and the meeting of the Board of Trustees on December 12, 1967 which was adjourned because of the lack of a quorum. Mr. Ezelle moved that the reading of the Minutes be dispensed with and that the November 27, 1967 and December 12, 1967 Minutes be approved as published. The motion was seconded by Dr. Denham and without dissent it was so ordered.

C. President's Report to the Trustees

Dr. Oswald discussed briefly the items contained in PR 1, President's Report to the Trustees, noting that as usual the report was merely a presentation of representative activities of interest to the Board. Governor Nunn asked what financial commitment the University had in connection with the Thailand project and was told that it was sponsored by the Agency for International Development and all expenses were paid by the Agency. He also asked if the 1,200 increase in enrollment was primarily in the freshman class and Dr. Oswald replied that it was primarily at the upper division level, reflecting the transfer of students from the Community College System.

Having determined that there were no additions to the report, Governor Nunn accepted the report and ordered it filed.

D. Recommendations of the President (PR 2)

Dr. Oswald indicated that the items contained in the President's Report for February were concerned with personnel matters only. He called particular attention to the appointment of two new department chairmen, Dr. Stephen Diachun as Chairman of the Department of Plant Pathology and Dr. Leonard V. Packett as Chairman of the newly established Department of Nutrition and Food Science; and the reappointment of Dr. George Schwert as Chairman of the Department of Biochemistry. His recommendation was that the report be accepted as presented but indicated his willingness to answer any questions before action was taken.

There being no questions, Governor Nunn called for a motion. Mr. Black moved that PR 2, recommendations of the President, be approved as a whole and made an official part of the Minutes of the meeting. Dr. Denham seconded his motion which passed unanimously. (See PR 2 at the end of the Minutes.)

E. Supplemental Recommendations of the President (PR 3)

The next item listed on the agenda was PR 3, Supplemental Recommendations of the President. Dr. Oswald reported that there were no additional recommendations to be submitted at the February 13 meeting.

F. Approval of Degree Candidates (PR 4)

The names of candidates for degrees submitted in PR 4 represented those persons who had completed requirements for degrees in December, 1967. The list having been submitted in advance to the Board, there was no discussion and the motion was made by former Governor Chandler, seconded by Dr. Angelucci and

passed that the list of candidates as submitted be approved and that the President be authorized and directed to confer upon each the degree to which he or she is entitled at the commencement exercises in May, 1968. (See PR 4 at the end of the Minutes.)

G. Organization of Student Affairs (PR 5)

In March, 1967 the administrative structure of the Office of the Vice President for Student Affairs was reorganized and the positions of Dean of Students and three Associate Deans of Students were established. At the time of the re-organization, Mr. Johnson, Vice President for Student Affairs, was also named Dean of Students in order to give him time to assess his office organization, both as to personnel and as to work flow. A year's experience definitely shows that the position of Dean of Students should be separate from that of the Vice President for Student Affairs.

The recommendation made to the Board that Mr. Jack Hall be named Dean of Students and that Mr. Joe Burch be named Assistant to the Vice President for Student Affairs would involve merely the activation of a position presently established and funded, in the case of Mr. Hall, and the retitling of a position, in the case of Mr. Burch. Both Mr. Hall and Mr. Burch have demonstrated their ability to carry out the responsibilities of their respective positions and President Oswald strongly endorsed the recommendation made by Vice President Johnson and his staff.

Mr. Steve Cook, the President of Student Government, who is invited as the representative of the student body to sit in at all meetings of the Board of Trustees, was called on for comments on the recommended changes in the Student Affairs organization but was not in attendance. Governor Nunn requested that the record show that student opinion was sought before action was taken but that the student representative was not present to comment.

Governor Chandler expressed his feeling that the activation of the position of Dean of Students was most desirable and that Mr. Hall's qualifications fitted him admirably for the position. He, therefore, moved approval of the recommendation that Mr. Jack Hall be named Dean of Students and Mr. Joe Burch be appointed Assistant to the Vice President for Student Affairs. The motion was seconded by Mr. Ezelle and was passed unanimously. (See PR 5 at the end of the Minutes.)

H. Agreement with the Blue Grass School for Retarded Children Approved (PR 6)

Dr. Willard indicated that the Medical Center has recognized for some time its responsibility to handicapped children but it has also recognized that help which these children need goes beyond its resources and that other disciplines and agencies must be involved. It has, therefore, been deemed desirable to work with

the Blue Grass Association for Retarded Children and the Fayette County Board of Education in order to develop a program which would meet the needs of handicapped children, especially the mentally retarded, and would provide essential resources on the most economical basis and with the least duplication of effort. He pointed out that the University's involvement would consist in providing definitive medical, surgical, psychiatric and educational services necessary and would not carry any financial obligation per se. Mr. Ezelle, because of his long-time interest in this program, said he would like to make the motion that the proposed affiliation agreement between the Fayette County Board of Education, the University of Kentucky, and the Blue Grass Association for Retarded Children, Inc., a copy of which is attached as part of PR 6 at the end of the Minutes, be approved. Dr. Nicholas seconded his motion.

In discussion which followed, Governor Chandler asked whether at some later time specific contracts might be made? Dr. Willard said it was not proposed to have contracts with the School per se but that the School would probably be used as classrooms for teacher training with the Medical Center providing diagnostic and medical resources. He did not foresee any direct financial obligation. Governor Nunn indicated that since he had become Governor he had received indications of widespread concern on the part of interested citizens for an appropriation for the Blue Grass School and, recognizing the importance and significance of this School, he had responded to their wishes. Further contractual relationships may be dependent upon the Legislature. He suggested that members of the Board might indicate their interest in the School to the Legislature. Governor Chandler, noting that this was an affiliation agreement which contemplates a contract at a later date and is subject to cancellation on a year's notice, expressed himself as satisfied with the proposed agreement.

The question was called for and the proposed affiliation agreement was approved without dissent. (See PR 6 at the end of the Minutes.)

I. Student Government President Arrives

Mr. Steve Cook, President of Student Government, arrived at 2:20 p.m., explaining that he had been in class and was unable to get to the meeting earlier.

J. Change in Agenda Format Explained

Dr. Oswald indicated that at the last meeting some concern had been expressed relative to certain financial matters being presented to the Board without prior knowledge of the Finance Committee. In an effort to keep the Finance Committee fully informed of all financial affairs, the administration will in the future present these items to the committee first and recommendations for action will come from the chairman of the committee rather than from the President or the Vice President

for Business Affairs. He said that the adoption of the agreement with the Blue Grass School for Retarded Children and the Fayette County Board of Education concluded the items which he wished to present for action. The members of the Board expressed concurrence with the new format for the agenda and agreed that it should be followed in the future. The Governor then asked Dr. Denham, Chairman of the Finance Committee, to present the recommendations relative to the items listed on the agenda under the Finance Committee Report.

Dr. Denham said that the Finance Committee had met at 10:00 o'clock on the morning of February 13 in Mr. Kerley's office. A quorum had not been present and, therefore, the Finance Committee would need to defer until a later meeting any recommendations relative to policies and procedures for handling investments of the University. He and Mr. Black went over the University portfolio with Mr. Kerley and members of his staff and found no areas of concern. He indicated that a meeting of the Finance Committee would be called prior to the next Board meeting and hoped that a policy statement might be drawn up at that time for presentation to the Board. He asked that Mr. Kerley be permitted to present the items for action, all of which had been discussed at the morning session and which had the approval of the two members of the Finance Committee who were present.

K. Sale of Stock Authorized (FCR 1)

Mr. Kerley explained that in 1961 Dr. R. C. Kash established a scholarship fund at the University of Kentucky to be known as the R. C. Kash Scholarship Fund. Under the terms of the gift, he reserved the right to indicate at the time of any gift the disposition of his gift into other securities. At this time, he has requested that forty-eight shares of Diversification Fund, Inc. be sold and the proceeds invested in either Holiday Inns or First American National Bank of Nashville, Tennessee. Before this transaction can be carried out, it is necessary to have approval of the sale and reinvestment of the proceeds from the Board of Trustees.

Dr. Denham said that he and Mr. Black concurred in the recommendation stated in FCR 1 and moved that it be approved. His motion was seconded by Mr. Black and all present voted aye. (See FCR 1 at the end of the Minutes.)

L. Financial Report Accepted (FCR 2)

Mr. Kerley recommended that the Financial Report, which covered the period from July 1, 1967 through December 31, 1967, be approved. He added that the report had been mailed in advance and that members had had an opportunity to examine it. Dr. Angelucci moved that it be accepted and made a part of the Minutes of the meeting of February 13, 1968. All present voted in favor with the exception of Governor Nunn, who abstained from voting since he had not had the time available to review it. (See FCR 2 at the end of the Minutes.)

M. Acceptance of Audits for the University of Kentucky and the Housing and Dining System (FCR 3)

The audit reports of the financial records of the University of Kentucky and the Housing and Dining System and related statements (a letter to the Board indicating the University's compliance with purchasing statutes of the state; and a letter of certification that the financial relationship existing between the Board and the Commonwealth has been properly reconciled) as prepared and submitted by the firm of Haskins and Sells, certified public accountants, were mailed to members of the Board of Trustees ten days prior to the meeting. Mr. Kerley said that three additional documents would be submitted later reporting on the University of Kentucky Research Foundation, the Athletics Association, and The Thomas Poe Cooper Foundation. He recommended that the two audits before the Board be approved now rather than waiting until such time as the others might be ready and indicated his willingness to answer any questions which Board members might wish to raise.

Dr. Nicholas asked who authorized the audit and, when told it was authorized by the Board of Trustees on recommendation of the Finance Committee, he expressed the feeling that the Board of Trustees should be the recommending agency rather than the Finance Committee since essentially it was the Finance Committee which was being audited. Mr. Kerley replied that it was an audit of him as Treasurer of the University rather than of the Finance Committee and that a part of his contract when he came to the University was the understanding with the Board of Trustees that the financial records of the University would be audited each year by an external auditing firm to be appointed by the Board. Mr. Ezelle, as a member of the Finance Committee, explained that the Finance Committee in the past examined the audit reports carefully to determine whether a suitable audit was being carried out and then reported its findings and recommendations to the Board.

Dr. Nicholas asked if it contained a cash flow budget and Mr. Kerley replied that the audit was a treatment of all University income and expenses. Authorized expenditures are made on an annual basis and not on a monthly basis. Dr. Nicholas next asked whether the Board of Trustees had access to the investment portfolio of the University and it was pointed out that the second document entitled Supplemental Schedules in Schedule 2 S, pages 5-8, listed the investments held by the University. Mr. Ezelle added that the Board was supplied budget documents, personnel rosters listing salaries of all employees and had access to any financial records of the University at any time they wished to see them. Dr. Nicholas' final question related to whether investment power was vested in the state or in the Board of Trustees and was told that it was in the hands of the Trustees. Governor Chandler was told in answer to a question he raised that the firm of Haskins and Sells had audited the financial records of the University for the past three years and the current audit represents the fourth year the firm has been used. Mr. Kerley added that the Board might wish to consider the possibility of employing a new firm for the next year and hoped that it would be possible for a recommendation to be made relative to the selection of an external auditor at the meeting of the Board in March.

Having determined that there were no further questions, Governor Nunn called for a motion. Dr. Denham moved that the Board of Trustees accept the audit reports of the financial records of the University of Kentucky and the Housing and Dining System and related statements for the fiscal year ended June 30, 1967. Mr. Black seconded his motion. Before the vote was taken, Dr. Denham indicated that a "management letter" would be presented to the Board later but that such a letter would in no way affect the audit report as presently submitted. All present voted in favor of Dr. Denham's motion. (See FCR 3 at the end of the Minutes-- the audit reports are not included in the Minutes but are available in the files of the Board of Trustees.)

N. Federal Construction Grant for Northern Community College Relinquished (FCR 4)

Dr. Denham explained that construction at the Northern Community College was delayed pending action by the Legislature on a request that a four-year college be established in Northern Kentucky. The time limitation of March 30, 1968 on the grant under Title I prevents the University of Kentucky from utilizing the money at the Northern Community College; hence the recommendation that the application for Title I funds for the Northern Community College be withdrawn and that all available funds in the grant be redistributed to the University of Kentucky Community College projects.

There being no questions, Governor Chandler moved adoption of the Resolution set forth in FCR 4. Mr. Ezelle seconded the motion and all present indicated their approval. (See FCR 4 at the end of the Minutes.)

O. Authorization for Cremation of Paid Bonds and Coupons (FCR 5)

Mr. Kerley explained that the request for authorization to cremate paid and cancelled bonds and coupons returned from Paying Agents was a routine matter and recommended approval. Dr. Angelucci so moved. His motion was seconded by Mr. Griffin and carried. (See FCR 5 at the end of the Minutes.)

P. Hospital Committee Report

Dr. Angelucci, Chairman of the Hospital Committee, indicated that the Hospital Committee had no report to make at this time.

Q. Governing Regulations Committee Report

Dr. Oswald said that this committee was not ready to report but he would like to bring the Board of Trustees up to date on the progress being made with

codification of the Governing Regulations. Since January 1, Dr. Ralph Weaver has been assigned to the President's Office on a part-time basis for the express purpose of preparing and editing a completely up-to-date draft of the Governing Regulations of the University. In addition to working on the Governing Regulations, Dr. Weaver will also prepare a second document for use as a faculty handbook. Dr. Weaver hopes that his preliminary work will be far enough along within another month or six weeks to require some guidance and counsel from the Board of Trustees--Faculty Committee on the Governing Regulations.

R. Meeting Adjourned

Governor Nunn asked if there was any new business to come before the Board, and determining that there was not, called for a motion for adjournment which was made, seconded, and carried. The meeting adjourned at 2:45 o'clock.

Respectfully submitted,

Sam Ezelle
Secretary of the Board of Trustees

(PR 2, PR 4, PR 5, PR 6, FCR 1, FCR 2, FCR 3, FCR 4, and FCR 5 which follow are official parts of the Minutes of the February 13, 1968 meeting of the Board of Trustees.)

P R I

PRESIDENT'S REPORT TO THE TRUSTEES

February 13, 1968

1. FIRST TELEDUCATION CLASS LINKS LEXINGTON-PADUCAH CAMPUSES

The University's first teleducation class was inaugurated January 25 when Dr. William L. Conger, assistant professor of chemical engineering, began teaching graduate students assembled at Paducah Junior College. The first telecourse--Chemical Engineering 530-Transport I--is a unified study of physical rate processes in fluids, including the presentation and solution of the basic equations of change for momentum, heat, and mass transport--a consideration of chemically reacting systems.

Although new to Kentucky, Dr. Conger said teaching from a remote station has been successful in other areas and has proved an efficient, economical method of extending university facilities. The first of several extension courses to be offered by the University is limited in the number of students to enable Prof. Conger to give adequate attention to the routine correspondence required to supplement the telewired teaching. He said 6 to 8 students are at Paducah and a similar number of seniors follow the course in the emanating classroom on the Lexington campus. As techniques develop he expects to expand the classes.

A two and a half hour instruction period is held once a week, and the course is offered for credit as well as for audit. The equipment costs \$2,000. Telephone wire service is approximately \$50 a month. The equipment is not bulky. There is a telewriter on which the professor can transmit information; a receiving set at the classroom which duplicates the data and projects it onto a large screen easily visible to the entire class. There is an audio system which permits two-way conversation between the remote teacher and the class. Student questions can be handled instantly, the teacher transcribing notes to complement his voice instruction. The notes are kept on file at the terminal classroom for future reference.

Prof. Conger said teleteaching has begun to interest industrial firms who employ graduate students anxious to extend their education. Dean Robert M. Drake Jr., College of Engineering; Prof. David K. Blythe, associate dean for Continuing Education and Extension, and Dr. Robert B. Grieves, chairman, Department of Chemical Engineering, did the spade work in getting the teleducation program underway. At Paducah Junior College, the faculty has been equally enthusiastic about the program's practicability. Working closely with Dean Ellis Hartford of the Community College System, and Dr. Donald J. Clemens, academic dean at PJC, was Dr. A. J. Legeay, chairman, Remote Continuing Education Committee.

2. FIRST PHARMACIST TRAINED IN ORIENTATION PROGRAM

William G. Skinner, Paducah, is the first pharmacist in the state to complete the Medical Center program aimed at orienting community pharmacists to institutional practice. The program is part of a national orientation of pharmacists who are concerned with small community institutions participating in Medicare. Under the terms of Medicare, hospitals and nursing homes can be certified for federal health payments only if a registered pharmacist is active in the institution's program. The community pharmacists not only will prepare prescriptions, they also will be members of institutional committees and will actively monitor the handling and storage of drugs. The cost of the program is underwritten by the American Society for Hospital Pharmacists and the National Pharmaceutical Council.

3. SPRING ENROLLMENT 1,200 OVER YEAR AGO

Spring semester enrollment on the Lexington campus totaled 13,673 students, Dr. Elbert W. Ockerman, dean of admissions and registrar, said, adding that the number is up 1,200 over last spring's enrollment of 12,408. The 1968 spring registration includes 8,190 males (59.9 per cent), and 5,483 females (40.1 per cent). Fulltime students total 12,251; part-time students, 1,422. A breakdown by class lists 2,935 freshmen; 2,682 sophomores; 3,247 juniors; 2,866 seniors; 1,885 graduate students; 45 auditors, and 13 transient students.

The Arts and Sciences college reports the largest number of students among the 15 schools and colleges. The A&S total of 7,291 students represents the entire freshman class and most of the sophomore class.

Other colleges and schools give the following enrollment figures: Architecture, 107; Allied Health, 40; Home Economics, 146; Nursing, 127; Dentistry, 180; Agriculture, 268; Business and Economics, 601; Education, 1,542; Engineering, 539; Graduate School, 1,885; Law, 409; Pharmacy, 150, and Medicine, 289.

Community colleges report the following enrollment: Ashland, 873; Elizabethtown, 526; Henderson, 448; Hopkinsville, 320; Jefferson, 803; Northern at Covington, 1,117; Prestonsburg, 380; Somerset, 433; Southeast at Cumberland, 371; Lexington Technical Institute, 99, and Ft. Knox, 367. The Correspondence Study Program reports that 2,458 students currently are enrolled in their program (not included in above enrollment figures).

Under the present academic system, students do not enter their major field until they have completed liberal arts requirements in the A&S college.

4. PRELIMINARY ACCREDITATION TO ALLIED HEALTH PROFESSIONS SCHOOL

The American Dental Association Council on Dental Education has extended a preliminary status of "accreditation eligible" to the four-year dental hygiene program at the School of Allied Health Professions. The accreditation eligible classification was established by the Council to give reasonable assurance to an educational institution, a licensing body, the federal government, or other granting agency that the proposed dental or dental hygiene education program appears to meet the standards of the Council. Classification of the Department of Dental Hygiene was made on the basis of a prospectus submitted by the School of Allied Health Professions. The Dental Hygiene program was initiated in the fall semester.

5. GIFT TO UNIVERSITY TO AID HENRY COUNTY YOUTHS

One or more students from Henry County who might otherwise not have the opportunity to attend college will be given financial aid through a gift from a native of Sulphur, Ky., to the University. The Henry Burton memorial scholarship fund was established by Ruth E. Burton of Santa Barbara, Calif., the widow. Net income from the gift of 650 shares of Title Insurance and Trust Co. stock, valued at \$25,675, will be used to support the scholarship fund. Burton, who died at age 76 in July of 1965, attended the University in the winter of 1908-09, but for financial reasons could not continue. A brother, R. Ellis Burton, lives in Carrollton. A niece and a nephew, Mrs. Jean La Master Bell and Arnett R. La Master Jr., live in New Castle. Mrs. Bell is supervisor of speech and hearing units in the public schools. Her son, Roy J. Bell III, is a third year pre-law student at the University.

6. PRE-LAW HONORARY FORMED BY STUDENTS

An undergraduate pre-law club was formed at the University February 4. Called Societas Pro Legibus, its student members will be selected on the basis of their "interests and aspirations in the study of law." Charter signing ceremonies were conducted by Dean William L. Matthews of the College of Law; Judge Squire N. Williams of the Kentucky Court of Appeals, and John McCann, president of the Student Bar Association.

The 12 charter members are Robert Abrams, Ashland; H. Nick Carter, Stanford; O. K. Curry, Carlisle; Patricia Fogarty, Fort Knox; William G. Francis, Prestonsburg; Tim R. Futrell, Cadiz; Don Carlos Graeter, Louisville; Stokes Harris, Kansas City; Ed Hastie and Timothy Lynch, both of Lexington. Charles B. Reasor, Corbin, and Ralph W. Shelburne, Shelbyville. Dr. J. W. Patterson, associate professor of speech, will serve the new organization as faculty consultant. Activities of the society are open to any student interested in the study of law, although they will be admitted to membership only after they have demonstrated a continuing interest in the profession, as well as presenting a high academic standing.

7. STAFFERS LEAVE FOR UK THAILAND PROJECT

Two University faculty members and their families left last week for Thailand, where they will be on the teaching and research staff of the Northeast Agricultural Center which the University is establishing in that country. They are Dr. Joe M. Bunn, associate professor of agricultural engineering, and Dr. Fred W. Knapp, assistant professor of entomology. The Center, located in Thailand's Khon Kaen province about 280 miles north-east of Bangkok, is being built under a contract between the University and the Thailand government with the cooperation of the U. S. Agency for International Development. Dr. and Mrs. Bunn and their two sons stopped in Hong Kong before going on to Bangkok. Dr. and Mrs. Knapp and their two daughters will visit entomologists at the University of Hawaii for several days before proceeding on to Thailand.

8. MARK'S WOOD RESEARCH STUDY CALLED CLASSIC IN WOOD SCIENCE

Dr. Richard E. Mark, associate professor of wood research, has just published a pioneering study of how stresses that arise from external forces are distributed in the fiber cell walls of wood. The work eventually may be extended to other types of structural cellular materials, such as bone and the natural fibers used in textiles. The book is entitled "Cell Wall Mechanics of Tracheids." Dean Francois Mergen of Yale University's School of Forestry wrote of Mark's book: "This work will certainly become a classic in the field of wood science--however, its implications are much broader--(and is)--of general application in that the same mathematical techniques could be applied to other cellular constituents." Published by the Yale University Press, the book has been noted as the first to examine the walls of fiber cells, in such mechanical detail, and the first to carry out a mathematical solution for the amount of stress the tiny wall particles can withstand. Dr. Mark joined the University in 1965 after completing work on his doctorate at Yale. He received his undergraduate training in the College of Forestry at Syracuse University.

9. LINCOLN SCHOOL CONSTABLE CITED FOR COMMUNITY SERVICE

Client M. Pipkin, a constable serving the Lincoln School, has been commended by the citizens of Lincoln Ridge and Simpsonville for his "loyal endeavors far beyond the normal call of duty." Pipkin's activities were spotlighted in a recent feature article in The Shelby Sentinel, along with letters of commendation from people in the community. Constable Pipkin was cited for "endeavors to uphold the law and maintain order around the grounds of the Lincoln School, his assistance to tourists and stranded motorists, and his readiness to help with major fires and disasters." The 46 year-old officer lives at Lincoln Ridge. Married to the former Daisy Franklin of Fountain Run, they have a son, Richard Lee, 20, and a daughter, Doretha M., 21.

10. THREE INDIAN SITES STUDIED BY UK ARCHEOLOGISTS

University archeologists have completed a surveying project of ancient Indian sites in three areas of Kentucky. The areas are Parker Branch, in Jackson, Laurel and Rockcastle Counties on the Rockcastle River; in Letcher County on the Upper Kentucky River, and a small project on the Cumberland River in Russell County. Miss Martha A. Rolingson, director of the Anthropology Museum, said \$2,200 was allotted for the project by the National Park Service, which has underway a long-range project to analyze artifacts and other paraphernalia from prehistoric and historic periods in Eastern Kentucky. The surveys to find prehistoric sites was supervised by Frank Fryman, University field archeologist. Mike Rodeffer, graduate anthropology student, wrote the geographical description of each area and provided maps for each report. If a more thorough study is commissioned by the Park Service, the next step will be to test the areas by sampling a number of the sites to determine the size and extent of the Indian occupation. Fryman then would like to excavate at least one site from each time level in the respective areas.

11. MED STUDENT ON INTERNATIONAL FELLOWSHIP IN ISRAEL

Miss Kenette K. Sohmer, fourth year student in the College of Medicine, has received an international fellowship that will take her to Israel this month. Miss Sohmer, a native of Millburn, New Jersey, was selected to receive the fellowship by a committee of the Association of American Medical Colleges. She will participate in a research training project at the Tel Aviv University-Tel Hashomer Government Hospital in Tel Aviv, Israel. The research project, sponsored by the Bureau of Health Services, of the U. S. Public Health Service, begins in mid-February and will continue 11 weeks.

12. ACTIVATE NATIONAL SOCIETY-PROFESSIONAL ENGINEERS STUDENT UNIT

A University Student Chapter of the National Society of Professional Engineers was activated January 25. Dean Robert M. Drake Jr., of the College of Engineering, said the purpose of the student chapters is "to acquaint the future engineer with the ethical code of conduct of the professional engineer, to provide a program of professional development and orientation for the student."

13. REFRESHER COURSE PROVIDED CIVIL-HIGHWAY ENGINEERS

A refresher course for civil and highway engineers is being offered by the College of Engineering and University Extension. Designed to assist persons who are preparing for their professional examination, scheduled for next May, the course is expected to be helpful to other professional engineers. It is conducted each Saturday (for 12 weeks) from 9 to 12 noon.

14. PROFILE OF FRESHMEN REVEALED IN POLL

A profile of freshmen at the University during the fall semester has emerged in a tabulation by Dr. Elbert W. Ockerman, dean of admissions and registrar, who said the University is one of 252 institutions selected by the American Council on Education to participate in a continuing study of college students. He said more than 185,000 freshmen across the country answered an in depth questionnaire prepared by the Council's Office of Research. The University supplied more than 4,300 of the total responses.

Before they stepped into the classroom, only two per cent of University first-year students considered it likely they would participate in student protests or demonstrations. The national norm was 4.7 per cent. Only 0.6 per cent (1.7 national figure) thought there was a "very good chance" they would become dropouts. Based on information supplied by the freshmen, here is a partial picture of a first-year student: He was at least 18 years old by last December 31 (87.8 per cent). He thinks his own beliefs are shared by most other college students (72.7 per cent). His major sources of financial support are his parents (67.2 per cent), but he is at least somewhat concerned about paying for his higher education (62.9 per cent). He wants very much to "develop a meaningful philosophy of life" (85.8 per cent), and he considers it important to help people who are in difficulty (61.1 per cent). He was influenced in his decision to attend the University largely by parents, relatives, high school teacher or counselor, or by friends attending UK (76.2 per cent). His place of residence is predominantly Southern (84.7 per cent). His parental income is predominantly in the \$6,000-\$15,000 bracket (56.9 per cent). He plans to attain at least a bachelor's degree and/or master's degree (58.1 per cent). His probable choice of major field of study is dominated by engineering (20.6 per cent) and business (19.0 per cent).

A section in which freshmen were asked whether they agreed or disagreed with certain stated opinions provided these results: Almost 69 per cent (68.4) agreed that "faculty promotions should be based in part on student evaluations," but 88.6 per cent thought that faculty members were "more competent" than students to specify the curriculum. More than two thirds (67.5) disagreed with the assertion that "realistically a person can do little to bring a change in our society." A majority (58.3 per cent) believed the University does not have the right to ban extremist speakers, but 52.2 per cent thought that "college officials have been too lax in dealing with student protests on the campus." Less than half (46.1 per cent) believed that "scientists should report findings regardless of possible consequences."

15. 3 OF 4 PRIZES TAKEN BY UNIVERSITY SCULPTORS AT CINCINNATI

In a recent competitive professional exhibition for sculpture, sponsored by the University of Cincinnati, the University Department of Art took three of the four prizes offered. George W. Gunther, chairman, says "this is a tribute to the dedication of the instructors, Profs. Michael Hall, Terence Johnson and Stanley Mock."

16. ALUMNI ASSOCIATION REPORTS CONTRIBUTIONS OF \$50,000

The board of directors of the Alumni Association has received a report that contributions in the current Annual Fund campaign totaled \$50,733 through January 15. Other income, including \$3,800 to the Century Fund and scholarship and matching funds from alumni and corporations, brought aggregate contributions to \$55,733. The report, given by Mrs. Joe F. Morris, Lexington, association treasurer, was supplemented by a statement from Jay Brumfield, associate director of alumni affairs, that the solicitation of funds this year, conducted by alumni volunteers in every Kentucky county and in every state in the union, had brought in 1,008 new gifts as of December 28. The number of contributors exceeds this figure because some gifts are made jointly by husbands and wives. The Alumni Association Board, at its regular January meeting, took these actions: Approved continuation of the program of annual giving by alumni, which has been in effect 10 years, rather than reverting to an annual dues system. The program will be subject to further review from time to time, however. Set Saturday, November 9, when Kentucky meets Vanderbilt on Stoll Field, as Homecoming Day. Agreed to hold the annual Board of Directors Workshop at Jenny Wiley State Park, June 13-15. Approved Alumni Seminars at Ashland Community College April 10 and at Henderson Community College on a date to be designated.

17. ALUMNI ASSOCIATION ANNOUNCES PROFESSIONAL SCHOOLS LINK

The Alumni Association reports that its by-laws have been amended to encourage participation in its activities by alumni of the University's professional schools. The new program of cooperation was developed by a special Professional Schools Committee headed by Robert H. Hillenmeyer, a 1943 graduate, and involves the Colleges of Dentistry, Law, Medicine and Pharmacy. Under the new plan, each cooperating professional school will have one alumnus on the Alumni Association Board of Directors and on the Association's Annual Fund Committee. The professional schools will have profession-oriented organizations which will operate within the established constitution and by-laws of the "mother" association but which will maintain independence in their own programs and activities. All alumni gifts from the organizations will be made to the Alumni Fund and may be made either on an unrestricted basis or earmarked for use by any professional college the donor designates. Besides Hillenmeyer, members of the committee were alumni W. Dee Huddleston, Elizabethtown; W. T. Woodson, Chicago; David Marshall, Dr. O. B. Murphy and William Samuels, Lexington, and Miss Helen G. King, director of alumni affairs. Also serving in the "unity" talks were Jay Brumfield, associate director of alumni affairs; Dr. Glenwood L. Creech, vice president, University Relations; Dr. John A. DiBaggio, dentistry; Dean W. L. Matthews, law; Dean Alvin L. Morris, dentistry; Dr. Earl P. Slone, pharmacy; Dr. Tom F. Wayne and Dr. William R. Willard, Medical Center, and Leonard L. Wilson, Development Office.

18. LAW STUDENTS STRENGTHEN LEGAL AID PROGRAM

James Lee Pate Jr., student director of the Legal Aid program at the University, expressed hope last week that law students participating in the program may be able to represent indigent persons in court when minor misdemeanors are involved. Writing in "The Kentucky Commentator," published by the Student Bar Association, Pate says such practice "already has taken place in several other states and it is hoped Kentucky soon will follow and allow the load on the local (Fayette County) attorneys to be eased somewhat." The author recalls that the Fayette County Legal Society was incorporated in 1964 by representatives of the Fayette County Bar, Junior Bar and the College of Law.

Under the direction of Law Professor Robert Lawson, the student program now provides one to four interviewers stationed at the County Law Library or the Fayette County jail, or both, from 1 to 4 p.m. each working day. The interviewers also are available at the city jail upon request of police. The county jailer provides a daily list of possibly indigent defendants to the Legal Aid secretary, who is employed by the Fayette County Bar Association. The Lexington Police Court clerk also calls the secretary when felony or high misdemeanor defendants are charged in the municipal court and held in city jail. The students interview defendants to determine whether a civil or criminal problem is involved, and whether the accused can reasonably afford to retain counsel.

When an attorney volunteers to take an indigent case, he receives a statement of the facts developed by the interviewer. Copies of the statement go also to the Legal Aid secretary and the College of Law Legal Aid office. The interviewer may be utilized by the assigned counsel for research, investigative work, or assistance in preparing and presenting the case. Student interviewers also are available on request to Court-appointed attorneys in the Quarterly, Circuit and Federal District Courts when criminal charges are involved. Excluded from the Legal Aid program are statutory fee cases, actions in which the interviewee would be the plaintiff in civil proceedings, and cases involving public drunkenness and non-serious traffic offenses. Under Prof. Lawson's leadership, Pate concluded, the program may move "one step further," to the hoped-for student court representation of indigent individuals in minor cases.

19. LIVESTOCK JUDGING TEAM TOPS AT ATLANTA MEET

The University Livestock Judging Team was the top team among the 13 competing in the Intercollegiate Livestock Judging Contest at the Southeastern State Fair, Atlanta, Georgia. The team was third in judging sheep, first in judging beef cattle and sixth in judging hogs. Mike Keeney, a senior in the College of Agriculture, was high man in the contest.

20. SOCIOLOGISTS HAVE MORE THAN SHARE OF SOCIETY REPRESENTATION

The University, with 4 per cent of the membership of the Rural Sociological Society, contributed between 8.5 and 10.9 per cent of the officers and committee members during 1962-67. There are 889 members of the society, reports Dr. Archibald Haller, chairman of the Development Committee.

Here are some quotations from Dr. Haller's report, according to Dr. Thomas R. Ford, chairman of the department: (1) During 1966-67 three states (Missouri, Wisconsin, and Kentucky) had 39.1 per cent of all committee memberships and officerships, yet included only 12.7 per cent of the total membership of the society. (2) Similarly, during 1965-66 five areas (Wisconsin, Missouri, Michigan, Kentucky and Washington, D. C.) included 55.4 per cent of the committee memberships and officerships, yet had only 21.3 per cent of the society membership.

21. COMMUNITY COLLEGES FORMING SELF-STUDY COMMITTEES

Dr. Ellis Hartford, director of the Community College System, reports that temporary buildings at six of the colleges have been completed and occupied, providing for the first time individual offices for all the faculty at the six colleges. The buildings also have provided space for different student organizations. The colleges are Ashland, Northern, Prestonsburg, Elizabethtown, Henderson and Somerset. Dr. Hartford also noted that "self-study" committees now are being formed at all the colleges, leading to eventual separate accreditation, which he expects to come in fiscal 1969-70 from the Southern Association of Colleges and Schools.

22. DR. CRAWFORD STUDIES HEAT ELIMINATION IN DESERT LIZARDS

Dr. Eugene C. Crawford, assistant professor of zoology, is continuing his study of the desert lizard, a sort of pre-historic link to birds and mammals, under a two-year \$27,500 grant from the National Science Foundation. Assisting him is graduate student Raymond R. Schultetus. Dr. Crawford's research deals primarily with the respiratory and heat-elimination processes in desert lizards, a little-explored group of animals. He published preliminary studies in March of 1962 on how dogs eliminate body heat in high temperatures through "panting."

Accompanied by scientists from Yale, Duke and Swarthmore Universities, Dr. Crawford spent several weeks in Australia studying the temperature regulatory systems of camels and the spiny anteater, inhabitants of the northern desert lands. He said his research goal concerns "whether the mechanics of heat elimination in lizards are controlled by a part of the brain as they are in dogs."

23. RESEARCH AWARDS SINCE JULY 1 NEAR \$7 MILLION

The University of Kentucky Research Foundation reports that during the period January 1-January 31, 27 agreement awards were received, amounting to \$603,230. Six other awards were received amounting to \$8,520.80. Total agreement awards since July 1, 1967: \$6,965,772.57.

COLLEGE OF ARTS AND SCIENCES

Department of Mathematics--Stephen Puckette, Undergraduate Research Participation-Mathematics, National Science Foundation, \$14,580.

COLLEGE OF EDUCATION

Department of Administration and Supervision--J. B. Kincheloe and J. R. Ogletree, Educational Cooperatives: An Analysis of Their Administration, U. S. Office of Education, \$7,500.

COLLEGE OF ENGINEERING

Department of Civil Engineering--J. W. Hutchinson, Aluminum Particles in Bituminous Road Paving Material, Reynolds Metals Company, \$8,548.

COLLEGE OF DENTISTRY

Dean's Office--Alvin L. Morris, General Research Support Grant, National Institutes of Health, \$66,671.

PHARMACY CENTRAL SUPPLY

P. Parker, Unit Dose Packaging, Wyeth Labs., \$100.

COLLEGE OF MEDICINE

Dean's Office--William S. Jordan, General Research Support Grant, National Institutes of Health, \$171,307.

Office of the Vice President--William McBeath, Ohio Valley Regional Medical Program, National Institutes of Health, \$127,946. William R. Willard, Ellis Scholarship Fund, William Ellis, \$1,000. William R. Willard, College of Medicine Scholarship Fund, H. Hubbell, \$1,000. William R. Willard, Edward Munich Memorial Fund, Miscellaneous, \$10.00.

Department of Anatomy--Ira Fowler, In Vitro Lymphocyte Reactions in Multiple Sclerosis, National Multiple Sclerosis Society, \$16,752.

Department of Anesthesiology--Marion A. Carnes, Anesthesiology-Miscellaneous, Carnes (Ind. Univ.), \$100.

Department of Biochemistry--F. J. Bollum, Research Fellowship Award (Dr. Maria L. Salas), Public Health Service, \$1,000. S. K. Chan, Biosynthesis of Cytochrome C and Its Control Mechanism, National Institutes of Health, \$22,794. A. D. Winer, Mechanism of Action of Enzyme-Coenzyme Complexes, National Institutes of Health, \$4,637.

Department of Community Medicine--Kurt W. Deuschle, Clerkship Account, Alinkoff Fund, \$1,300. Hugh S. Fulmer, Residency Training: General Preventive Medicine, Public Health Service, \$576. M. L. Furcolow, Martin County TB Eradication Project, Kentucky T. B. And Respiratory Disease Association, \$5,000.

Department of Medicine--John T. Reeves, Hypoxic Pulmonary Hypertension, National Institutes of Health, \$31,572. Borys Surawicz, Clinical Studies, Ayerst Lab., \$3,000.

Department of Obstetrics and Gynecology--John W. Greene, Urinary Estriol Index of the Fetoplacental Complex, National Institutes of Health, \$15,068.

Department of Pediatrics--Nancy Holland, Beta IC Globulin in Nephritis, National Institutes of Health, \$5,388. C. Charlton Mabry, Development of High Voltage Electrophoresis Uses, National Institutes of Health, \$15,960.

Department of Pharmacology--Donald F. Diedrich, Phlorizine Inhibition of Sugar Transport, National Institutes of Health, \$5,103.

Department of Surgery--Lester R. Bryant, Use of Parabiosis in Cardiopulmonary Failure, National Institutes of Health, \$29,237. Paul M. Weeks, Structural Alterations of Collagen in Maturing Scar, National Institutes of Health, \$23,081.

COLLEGE OF PHARMACY

James T. Doluisio, Pharmacokinetic Profiles of Penicillins in The Presence and Absence of Competitive Protein, Bristol Laboratories, \$24,000.

OTHER

Cabot Laboratory Endowment Fund	\$5,790.22
Kentucky Library Associates	2,334.50

Joseph Engelberg	
Jerome Cohn-Richard Schweest Memorial Fund	145.00
Russell S. Grady Scholarship Fund	50.00
Stuart Blazer Fund	200.00

24. SIGNIFICANT ACTIVITIES OF FACULTY AND STAFF

Dr. Maurice A. Clay, associate professor of physical education, represented the General Council of Omicron Delta Kappa at the inauguration of Statson University's new president, Dr. Paul F. Geren, in DeLand, Fla., on January 26.

Dr. David E. Denton, assistant professor of education, presented a paper, "The Feeling/Notion Epistemological Paradigm," to the annual meeting of the Ohio Valley Philosophy of Education Society, which met at the University of Cincinnati. The paper has also been accepted for publication, in July '68, in Educational Theory. Dr. Denton was elected to the executive board of the society.

Dr. Harry Barnard of the College of Education headed a seven-person task force to a regional conference of Trainers of Teachers of Teachers conducted by the University of Georgia at Stone Mountain State Park near Atlanta in late January. The University was the only institution of higher learning in Kentucky invited to assemble such a task force, and met with teams from 14 other schools.

President John W. Oswald has been appointed Lexington-Fayette County chairman of 1968 Brotherhood Week, February 18-25, by the Lexington chapter of the National Conference of Christians and Jews.

Edmund Critchley, research fellow and lecturer in neurology at the Medical Center, is the author of "Speech Origins and Development," published by Charles C. Thomas, Springfield, Ill. The book presents a concept of the origin and development of speech in a form meaningful to those whose specialties impinge on the subject. It reviews medical, physiological, anatomical, philosophical, and psychological hypotheses of the genesis of speech and the development of speech in childhood.

Dr. Joseph Ripley, chairman, Radio-Television-Films Department, was elected chairman of the Radio-Television-Films Interest Section of the American Speech Association at their recent convention in Los Angeles.

Dr. Ernst Jokl, professor of physical education, has been appointed a member of the executive board of the Federation Internationale d'Education Physique.

Anne Green, assistant professor of art, was named a judge for the Regional Art Exhibition of Scholastic Art Awards, and to the jury for the Hallmark Awards in Painting and Drawing. The judges met at Shillito's, Cincinnati, on January 13.

Miss Laura K. Martin, associate professor of library science has been named a member of the Governor's Planning Committee for the Development of Libraries in Kentucky.

Dr. Amry Vandenbosch, professor emeritus and former director of the Patterson School of Diplomacy, and his wife, Mary Belle, outline "the unique and paradoxical challenge faced by Australia as a Western society in the Orient in determining its foreign policy" in "Australia Faces Southeast Asia," published in late January by the University Press.

Dr. W. H. Waugh, Department of Medicine, recently presented a paper, "Influence of plasma metabolic substrates on the natriuresis of acute saline infusion," by Drs. Waugh and T. Kubo, at the Southern Salt, Water and Kidney Club meeting, Sarasota, Fla.

Two articles by Associate Professor W. A. Withington, Department of Geography, have appeared in Dutch and American journals. Both are based on field work carried out by Prof. Withington during 1957-59 under a Ford Foundation Visiting Professorship in Sumatra, Indonesia, and in the summer of 1964 in University of Kentucky-supported field work.

Dr. M. D. Whiteker, associate extension professor of animal sciences and coordinator of Animal Sciences programs, was recently named Honorary Master Swine Producer of Iowa, for significant contributions to the state's swine industry. The award is sponsored by: Iowa Department of Agriculture; Radio Station WHO, Des Moines; Iowa Swine Producers Association, and Iowa Cooperative Extension Service.

Office of the President
February 13, 1968

Members, Board of Trustees:

RECOMMENDATIONS OF THE PRESIDENT

I. Graduate Faculty Appointments

Recommendation: that approval be given to the following persons for membership in the Graduate Faculty.

Background: The persons whose names appear below have been approved by the Board of Trustees and are now eligible for membership in the Graduate Faculty.

Richard Joe Amick - Associate Professor of Agricultural Economics
William Chambliss - Assistant Professor of History (effective July 1, 1968)
Stuart I. Greenbaum - Associate Professor of Economics
John G. Shaw - Associate Professor of Plant Pathology

II. Appointments and/or Other Staff Changes

Recommendation: that approval be given to the appointments and/or other changes which require Board action and that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: Approval of the Board of Trustees is required for all appointments to the positions with the rank of Associate Professor and above, for promotions, for the granting of tenure, and for salary changes above \$12,000 for non-academic personnel and \$15,000 for academic personnel. All other appointments and/or changes may be made by the President and reported to the Board.

BOARD ACTION

New Appointments

S. N. Singh, Associate Professor, Department of Mechanical Engineering,
College of Engineering, effective July 1, 1968
Richard Lowitt, Professor, with tenure, Department of History, College of
Arts and Sciences, effective July 1, 1968
Ian B. Shine, Assistant Professor, Department of Community Medicine,
College of Medicine, retroactive to December 14, 1967
Frank H. Catron, Assistant Professor, Department of Obstetrics and
Gynecology, College of Medicine, retroactive to January 1, 1968 (salary
over \$15,000)

Myron H. Luria, Assistant Professor, Department of Medicine, College of Medicine, effective March 1, 1968 (salary over \$15,000)
Roman Davila, Visiting Professor, School of Architecture, retroactive to January 1, 1968

Tenure Granted

Robert L. Blevins, Assistant Professor, Department of Agronomy, College of Agriculture
Mary Sue Kern, Associate Professor, Clinical Nursing, College of Nursing

Promotions

James B. Holloway, Department of Surgery, College of Medicine, from Assistant Clinical Professor to Associate Clinical Professor
David A. Hull, Department of Surgery, College of Medicine, from Assistant Clinical Professor to Associate Clinical Professor
Nathan Levene, Department of Surgery, College of Medicine, from Assistant Clinical Professor to Associate Clinical Professor

ADMINISTRATIVE ACTION

New Appointments

Fred Altman, Instructor, Department of Psychology, College of Arts and Sciences, retroactive to September 1, 1967
Hazel Ross Bolan, Senior Instructor, Jefferson Community College, retroactive to January 1, 1968
*Allan F. Hershfield, Assistant Professor, Department of Political Science, College of Arts and Sciences, effective September 1, 1968
*Herbert Reid, Assistant Professor, Department of Political Science, College of Arts and Sciences, effective September 1, 1968
Paul Leo Kinsella, Instructor, Jefferson Community College, retroactive to January 1, 1968
Susan S. McCray, Instructor, Jefferson Community College, retroactive to January 1, 1968
James G. Mahanes, Instructor Jefferson Community College, retroactive to January 1, 1968
Vera J. Quinn, Instructor, Jefferson Community College, retroactive to January 1, 1968
Frances S. Schneiter, Instructor, Jefferson Community College, retroactive to January 1, 1968

*Contingent upon completion of Ph. D. prior to date of appointment.

- Janet Schweitzer, Instructor, Jefferson Community College, retroactive to January 1, 1968
- Joseph H. Clark, Visiting Lecturer, School of Architecture, retroactive to January 1, 1968
- Akio Hiraki, Visiting Assistant Professor, Department of Physics and Astronomy, College of Arts and Sciences, retroactive to January 1, 1968
- Earl T. Jordan, Visiting Instructor, Jefferson Community College, retroactive to January 1, 1968
- Beverly McDermott, Lecturer, Department of Instruction, College of Nursing, retroactive to January 1, 1968
- Luther E. McDowell, Jr., Visiting Instructor, Jefferson Community College, retroactive to January 1, 1968
- Virgil L. Sturgill, Visiting Instructor, Ashland Community College, retroactive to January 1, 1968
- James A. Toland, Visiting Instructor, Department of Radiology, College of Medicine, retroactive to January 1, 1968
- David Bickers Whitaker, Visiting Instructor, Jefferson Community College, retroactive to January 1, 1968
- *Jorge Deju, Assistant Clinical Professor, Department of Community Medicine, College of Medicine, retroactive to November 1, 1967
- *C. Hernandez, Assistant Clinical Professor, Department of Community Medicine, College of Medicine, retroactive to November 1, 1967
- *Joel L. Nitzkin, Clinical Instructor, Department of Community Medicine, College of Medicine, retroactive to November 1, 1967
- *John Stoeckinger, Clinical Instructor, Department of Surgery, College of Medicine, retroactive to January 1, 1968
- *William Wheeler, Clinical Instructor, Department of Surgery, College of Medicine, retroactive to January 1, 1968
- *George Zaracostas, Clinical Instructor, Department of Surgery, College of Medicine, retroactive to January 1, 1968

Department Chairmen Named

- Stephen Diachun, Professor, Department of Plant Pathology, named Chairman of the Department of Plant Pathology, effective September 1, 1968
- Leonard V. Packett, Associate Professor, School of Home Economics, named Chairman of the Department of Nutrition and Food Science, School of Home Economics, effective immediately
- George Schwert, Professor, Department of Biochemistry, reappointed Chairman of the Department of Biochemistry for a six year term, from July 1, 1966 through June 30, 1972

*(as a voluntary faculty member - will assist in teaching and research)

Change in Status

James P. Alcorn, from Special Assistant to the President to Acting Director of the University Placement Service, retroactive to January 22, 1968

Leaves of Absence

Stanley Detring, Area Extension Agent, College of Agriculture, sabbatical leave, for the period February 26, 1968 through July 31, 1968

John Ellis, Senior Research Analyst, College of Agriculture, leave extended from January 1, 1968 through August 31, 1968

Harold Vaught, Area Extension Agent, College of Agriculture, sabbatical leave, for the period February 15, 1968 to November 13, 1968

Ralph Wiseman, Professor, Department of Microbiology, College of Arts and Sciences, leave without pay for the academic year 1968-69

Joint Appointment

Richard I. Barnhisel, Assistant Professor, Department of Agronomy, College of Agriculture, also named Assistant Professor, Department of Geology, College of Arts and Sciences, effective July 1, 1968

Terminal Reappointment

Patsy H. McGinley, Assistant Professor, Division of Foundations, College of Education, for the period January 1, 1968 through June 30, 1968

Resignations

Jefferies L. Blackerby, Clinical Instructor, Department of Pediatrics, College of Medicine, retroactive to January 1, 1968 (voluntary faculty)

Carl D. Wright, Instructor, Somerset Community College, retroactive to December 30, 1967

Action: Approved X Disapproved Other

Date: February 13 , 1968

Office of the President

CANDIDATES FOR THE DEGREE OF DOCTOR OF PHILOSOPHY

NAME	MAJOR SUBJECT	ADDRESS
Michael W. Barnes	Chemistry	Sarasota, Fla.
Marianthi Coroneou	English	Lexington
Gordon H. DeFriese	Sociology	Lexington
Keith Allen Edmonson	Chemistry	Indianapolis, Ind.
Manuel E. Figueroa	Microbiology	Comayaguela, Honduras
Charles Bascom Garrison	Economics	Knoxville, Tenn.
David E. Grover	Psychology	New Brunswick, N. J.
Diane Manker Hannum	Microbiology	Lexington
Marion D. Hassell	Biological Science	Murray
Blake Hill	Sociology	Frankfort
Larry Wilson Hudson	Animal Science	Wytheville, Va.
Albert Charles Kovelesky	Chemistry	New Orleans, La.
James Ernest Miller	Mathematics	East Bernstadt
Ronald Lee Miller	Biochemistry	Lexington
DeWayne W. Mitchell	Education Foundations	Lexington
Stanley Bruce Narramore	Guidance & Counseling	Pasadena, Calif.
Barry Frank Nathanson	Foundations of Education	Brooklyn, N.Y.
Warren Kirby Ramp	Physiology & Biophysics	Oneonta, N.Y.
Shirley Sanders	Psychology	Miami Beach, Fla.
Hugh Logan Scott III	Physics	Secane, Pa.
James Edward Seegars, Jr.	Psychology	Spartanburg, S. C.
Roger Crowell Smith	Psychology	Lexington
John W. Soule	Political Science	Lexington
Roy Edward Thoman	Diplomacy	Evansville, Ind.
Claude Milton Vaughan, Jr.	Economics	Lexington
Howell Newman Wheaton	Animal Science	West Lafayette, Ind.
Darrell Deane Wheeler	Physiology	Lexington

CANDIDATES FOR THE DEGREE OF DOCTOR OF EDUCATION

Charles W. Burkett	Nancy
Leonard Edsel Burkett	Lexington
Arthur Leon Cotterill	Lexington
Billy Kenneth Gordon	Waddy
William Oley Hall, Jr.	Austin, Tex.
Nancy Bach Pillon	Lexington
Murrell Presley Stewart	Somerset

CANDIDATES FOR THE DEGREE OF MASTER OF ARTS

Stephen Taylor Allen	English	Langley
Stephanie Gail Brent	Psychology	Highland Park, Ill.
Reva Wells Chrisman	English	Danville
Robert Lee Cody	English	Louisville
Helen Carroll Francis	Political Science	Stanford
Margaret Scott Gaines	English	Louisville
Betty Mitchell Gorin	History	Campbellsville
William R. Grant	Communications	Lexington
Jeannette Hill Jennings	French	Ashland
Caroline Wagner Krebs	History	Richmond
Danny M. Loftin	Diplomacy	Troutman, N.C.
Harvey Stanley Margolis	History	Richmond, Va.
Margaret Ann Mudd	French	Lebanon

(Candidates for Masters Degrees cont'd.)

NAME	MAJOR SUBJECT	ADDRESS
Douglas Leonard Noble	History	Lexington
Ruth Ann Phillips	English	Danville
George Randolph Rice	Economics	Campbellsville
Dale Maurice Royalty	History	Lexington
David Norman Rush	Psychology	Lexington
Carol M. Schrepfer	English	Elgin, Ill.
David R. Simon	Diplomacy	Lexington
Carl W. Spurlock	Geography	London
Sharon Outland Stubblefield	Physical Education	Lexington
Chris Bland Van Arsdel	Political Science	Louisville
Sandra Jeanne Wayman	History	Centerville, O.
Jeanne Ruby Woody	French	Lexington

CANDIDATES FOR THE DEGREE OF MASTER OF SCIENCE

Charles A. Bradley	Animal Science	Lexington
Edward Trent Bridges	Entomology	East Rainelle, W. Va
Sadwane Chupinij	Economic Statistics	Bangkok, Thailand
James Clayton Dean	Agricultural Economics	Lexington
Bartlett G. Dickinson	Physics	Lexington
Damien Anthony Gabis	Animal Food Science	Lexington
Linda Heath Giesmann	Botany	Elizabethtown
Nancy Shuen-Yue Lee	Economics	Taipei, Taiwan
Richard Curtiss Mains	Physiology & Biophysics	Lexington
Arthur Mittler	Physics	Hewitt, N.J.
James Wilson Nelson	Economics	Smithfield
Thomas Leslie Reeves	Geology	Gretna, La.
William Kirk Richardson	Psychology	Lexington
Subongkot Rimprasri	Economics & Statistics	Bangkok, Thailand
John Houston Sanders	Agricultural Economics	Kirkwood, Mo.
Meredith V. Walling	Entomology	Keyport, N.J.
Alice Gregg Ward	Entomology	Lexington
Joseph Ernest Wiest	Physics	Cerro Gordo, Ill.
Ronald Walton Winters	Physics	Central City

CANDIDATES FOR THE DEGREE OF MASTER OF SCIENCE IN AGRICULTURE

Harold Wayne Brown	Animal Science	Crawfordsville, Ind.
H. Lee Durham	Agriculture Extension	Mt. Vernon
John Robert Hepburn	Agriculture	Lexington
Lily Pai-Ho Kuo	Agricultural Economics	Taipei, Taiwan
John Wayne McAtee	Animal Nutrition	Cadiz
Judy Sheng-Ju Lee Mumford	Poultry Nutrition	Taipei, Taiwan
Samuel Eugene Ruegg, Jr.	Animal Science	Robstown, Tex.
Robert Ward Rummel	Entomology	LaGrange
Carl David Schmidt	Agricultural Economics	Ivesdale, Ill.

CANDIDATE FOR THE DEGREE OF MASTER OF SCIENCE IN AGRICULTURAL ENGINEERING

David Gregg Dickson	Clemson, S.C.
Grady Everett Pearman	Chula, Ga.
Linus Ross Walton	Mt. Olivet

CANDIDATES FOR THE DEGREE OF MASTER OF SCIENCE IN CIVIL ENGINEERING

Gary Dean Bates	Erlanger
Charles Otis Dowell	Union Star
Larry S. Gaynor	Hawesville
Howard Jackman Geisler	Lexington
Malcolm Franklin Howard	Henderson
Don Colin Kelly	Lexington
Kishor Parmanand Lavingia	Gujarat, India

NAME	ADDRESS
David Harold Rosenbaum	Lexington
John Eric Douglas Sidnell	Kent, England
James David Whitehouse	Lexington

CANDIDATE FOR THE DEGREE OF MASTER OF SCIENCE IN ELECTRICAL ENGINEERING

Dwight Dillon Brooks	Lexington
Shriram Gangadhar Govande	Poughkeepsie, N.Y.
Leon Henry Hildenbrandt	Lexington
Edward William Underhill	Brandenburg

CANDIDATE FOR THE DEGREE OF MASTER OF SCIENCE IN MECHANICAL ENGINEERING

Bhinyo Kamvachirapitag	Chaiyaphum, Thailand
William E. McCracken	Lexington

CANDIDATES FOR THE DEGREE OF MASTER OF SCIENCE IN METALLURGICAL ENGINEERING

David Estill Luckett, Jr.	Maryville, Tenn.
John Barrett Straw	Independence

CANDIDATES FOR THE DEGREE OF MASTER OF ARTS IN EDUCATION

Marvin L. Albin	Sacramento
Judith Ann Babcock	Eau Claire, Wis.
Sue Ellen Riggert Bate	Lexington
Marquis Earl Boultinghouse	Reynolds, Ill.
Joanne D. Hamilton Brinegar	Dayton, O.
Carolyn Harlow Brown	Fairfax, Va.
Jack Lee Cassell	Coeburn, Va.
Frederica A. Coleman	St. Albans, W. Va.
Walter Charles Gander	Danville
Janet Beatrice Gold	Louisville
Margaret Brearley Grimes	Lexington
Carole Ann Hicks	War, W. Va.
Major Dmitri Jones	Pembroke
Caroline Brucker Lookofsky	Lexington
Karl C. Parker	Gouverneur, N.Y.
Sue Gaines Penn	Lexington
Martha Jane Probus	Lebanon
Mary Ann Luce Robinson	Beaver Dam
Frederick Gordon Scott	Lexington
June W. Todd	Lexington
Edgar Vaughan III	Shelbyville
George Whitney Voiers	Frankfort
Dianne Street Watkins	Cadiz
Marna Vick Wiggam	Wilmore
George Eugene Winfree	Danville

CANDIDATES FOR THE DEGREE OF MASTER OF SCIENCE IN EDUCATION

E. Ronald Bryson	Cincinnati, O.
Edwin Oscar Krall	Lexington
Kay Joyce Moffitt	Reynolds, Ill.
Frederick F. Waters	Danville
Jackie Lloyd Wise	Winchester

Members, Board of Trustees:

ORGANIZATION OF STUDENT AFFAIRS

Recommendation: that Mr. Jack Hall, Associate Dean of Students, be appointed Dean of Students and that Mr. Joe Burch, now Legal Counsel and Staff Assistant for Student Affairs, be appointed Assistant to the Vice President.

Background: When the Student Affairs administrative structure was reorganized in March, 1967, Vice President Robert L. Johnson was also designated as Dean of Students. It was presented to the Board at that time that the reorganization was provisional, particularly with respect to the Dean of Students position, depending upon actual experience. Especially was it pointed out that Vice President Johnson wanted time to work with the Student Affairs staff in constructing a clear concept of the Dean of Students role. Nearly a year's experience with the present situation indicates clearly that the Vice President's and the Dean of Students' positions should be separated.

Dean Hall is currently serving as Associate Dean of Students and serves as the senior staff person in expediting those matters which affect individual students within the Student Affairs structure and throughout the University. Designation of Associate Dean Hall as Dean of Students will clarify responsibility within the Student Affairs area and free Vice President Johnson of considerable day-to-day detail.

The retitling of Mr. Burch's position is simply for clarification purposes. It is felt that the new job title will more nearly describe his present responsibilities and will be better understood throughout the University.

Members, Board of Trustees:

PROPOSED AGREEMENT WITH THE BLUE GRASS SCHOOL
FOR RETARDED CHILDREN

Recommendation: that the appropriate University officials be authorized to execute the attached Blue Grass School Affiliation Agreement and to implement the provisions of the agreement at the proper time.

Action: Approved X Disapproved _____ Other _____

Date: February 13 , 1968

CENTER FOR HANDICAPPED CHILDREN

BLUE GRASS SCHOOL AFFILIATION AGREEMENT

The Fayette County Board of Education, the University of Kentucky, and the Blue Grass Association for Retarded Children, Incorporated, hereby enter into a formal agreement for the following purposes:

1. To develop facilities and programs for the education of handicapped children, especially the mentally retarded;
2. To provide resources and programs for the training of teachers, psychologists, social workers, physicians, and other personnel necessary to the programs for handicapped children, especially the mentally retarded;
3. To provide opportunities, facilities, and other resources for research on the problems of handicapped children, with an objective of discovering better methods of diagnosis, medical care, education, and of facilitating social adjustment.

Toward these ends, the Blue Grass Association for the Mentally Retarded proposes to construct a school, hereinafter referred to as the Blue Grass School for the Mentally Retarded, to be located at Price Road, Lexington, Kentucky. The building is to be financed with funds from the Federal and State Governments, local school board, and private contributions. This facility will be operated by the Fayette County Board of Education, with supplementary financial and staff aid from the Blue Grass Association for the Mentally Retarded within the limits of its resources and policies.

The University of Kentucky proposes, within the limits of its resources available for the purpose, to activate a Center, hereinafter referred to as the Center for Handicapped Children, to be utilized for the comprehensive evaluation of mentally retarded, neurologically handicapped and emotionally disturbed children. This Center also shall provide definitive medical, surgical, psychiatric and educational services necessary both for the purpose of evaluation of handicapped children and in meeting the needs of the University's training programs in various relevant specialties. This Center will cooperate with the Fayette County Board of Education and the Blue Grass Association for the Mentally Retarded in the long term educational and rehabilitation programs for children enrolled in the Blue Grass School for the Mentally Retarded.

It is believed that the objectives of the cooperating agencies as related to handicapped children, especially the mentally retarded, can be met and the essential resources most economically provided through this cooperative affiliation, which will eliminate duplication of efforts and assure the highest quality

standards of service as well as for the program of the Center for Handicapped Children.

The primary responsibilities of the University of Kentucky are those of research and of training professional personnel to work with handicapped children. In discharging this responsibility, the University agrees to utilize the Blue Grass School for the Mentally Retarded along with other relevant resources. The University agrees to coordinate its program activities involving the Blue Grass School for the Mentally Retarded through the Director of the Center for Handicapped Children and to make available the services of the Center to children enrolled in the School in accord with the policies governing the operation of the Center.

The Fayette County Board of Education accepts the responsibility for operating the School for the Mentally Retarded and for the education and training of the handicapped children enrolled. It agrees to maintain at least the minimum standards of the State Board of Education. Because of the importance of the University's program of research and of training professional personnel to work with handicapped children, the Superintendent of Fayette County Schools agrees to consult with University personnel, especially the Director of the Center for Handicapped Children and the Dean of the College of Education, in the selection of teaching and administrative personnel.

The Blue Grass Association for Retarded Children, Incorporated agrees to provide all assistance possible to the Fayette County Board of Education and the University of Kentucky in developing and operating the programs of the Blue Grass School and the Center for Handicapped Children. Within the limits of its resources and in accordance with its policies, it agrees to provide, as appropriate, for enrichment of programs in ways acceptable to the Board and the University.

The University of Kentucky and the Fayette County Board of Education agree to give all assistance possible, within the limits of their respective policies and resources, to the Blue Grass Association for the Mentally Retarded in financing construction of the School and in marshalling ongoing support for its program as well as for the program of the Center for Handicapped Children.

To assist in the administration of this affiliation, a Coordinating Committee shall be established. It is agreed that (1) this Committee shall consist of the Executive Director for the Blue Grass Association for the Mentally Retarded, Incorporated, the Superintendent of the Fayette County Schools, the Director of the University of Kentucky Center for Handicapped Children (or their designated representatives) plus other members mutually agreeable to the governing boards of the cooperating organizations; (2) the chairmanship of this Coordinating Committee shall be rotated annually among the three cooperating institutions and the chairman shall be appointed by the governing board of the organization whose turn it is to provide the chairman; and (3) the chairman shall serve for a period of one year; however, by unanimous agreement of the Coordinating Committee, the rotation principle may be waived and the current chairman continued in office for one or more additional years.

It is agreed that the Coordinating Committee shall:

1. Review relevant plans and programs with the cooperating organizations to
 - (a) ensure that they are realistic in terms of resources and abilities of each organization to participate adequately and
 - (b) that the programs are conducted at the requisite level of quality;
2. Recommend program policies and guidelines;
3. Review and approve research proposals involving the Blue Grass School for the Mentally Retarded, its students and its teachers;
4. Review and approve proposals for affiliations of the Blue Grass School for the Mentally Retarded with other interested agencies and organizations.

This affiliation shall become effective on _____.
It may be terminated by any party, subject to any limitations imposed by legal contracts entered into by the parties at a later date, provided written notice is given one year in advance.

UNIVERSITY OF KENTUCKY

LEXINGTON, KENTUCKY 40506

OFFICE OF VICE PRESIDENT
BUSINESS AFFAIRS AND TREASURER

January 10, 1968

Dr. John W. Oswald, President
University of Kentucky
Lexington
Kentucky

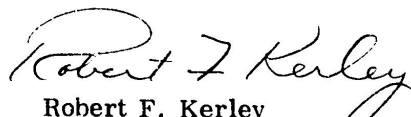

Dear Dr. Oswald:

Submitted herewith is the interim financial report of the University of Kentucky for the period July 1, 1967 through December 31, 1967. This report consists of a balance sheet for the twelve fund groups, and statements of income and appropriations showing the financial transactions for the six months ended December 31, 1967.

<u>Exhibit</u>	<u>Name</u>	<u>Page</u>
A	Balance Sheet	1
B	Summary of Current Funds Income and Appropriated Balances	7
C	Summary of Current Funds Expenditures	8
D	Statement of Unexpended Plant Funds	10
E	Statement of Retirement of Indebtedness Funds	13
F	Statement of Sinking Funds	14
G	Summary of Other Funds Transactions	15
	1. Loan Funds	
	2. Endowment Funds	
	3. Agency Funds	

This report is intended to form a comprehensive and permanent record of the finances of the University for the period covered.

Respectfully submitted,

Robert F. Kerley
Vice President-Business Affairs
and Treasurer

Finance Committee Report
February 13, 1968

F C R 3

Members, Board of Trustees:

ACCEPTANCE OF AUDITS FOR THE UNIVERSITY OF
KENTUCKY FOR 1966-67

Recommendation: that the Board of Trustees accept the audit reports of the financial records of the University of Kentucky and the Housing and Dining System and related statements for the fiscal year ended June 30, 1967.

Background: The Finance Committee of the University of Kentucky has reviewed the audit reports and related statements submitted by the firm of Haskins & Sells in conjunction with the administration of the University of Kentucky. The Finance Committee presents these reports to the Board for its acceptance.

NOTE: Audit reports and related statements are not included in the Minutes of the meeting but are available in the files of the February 13, 1968 meeting.

Action: Approved X Disapproved Other

Date: February 13 , 1968

FCR 4

Members, Board of Trustees:

RELINQUISHMENT OF FEDERAL CONSTRUCTION GRANT--
NORTHERN COMMUNITY COLLEGE

Recommendation: that the Board of Trustees adopt the following Resolution:

RESOLUTION

WHEREAS, the building program at Northern Community College has been delayed pending resolution of the community request for a four year college; and

WHEREAS, the grant loss date for the Title I grant is March 30, 1968; and

WHEREAS, the time limitation prevents the University of Kentucky from utilizing this grant at Northern Community College:

NOW THEREFORE, the Board of Trustees hereby withdraws the application for Title I funds for Northern Community College and cancels the Title I grant received. The Board requests that all available funds in the grant be redistributed to other University of Kentucky Community College projects in the priority ranking established by the Kentucky Commission on Higher Education on September 7, 1967.

Action: Approved X Disapproved _____ Other _____

Date: February 13 , 1968

FCR 5

Members, Board of Trustees:

AUTHORIZATION FOR CREMATION OF PAID BONDS AND COUPONS

Recommendation: that the Board of Trustees authorize Mr. Clay Maupin, Assistant Treasurer, and Mr. George R. Kavanaugh, Director of Real Property, to check the attached list of paid and cancelled bonds and coupons returned from Paying Agents from July 1 through December 31, 1967, to destroy these documents by burning in the incinerator of the Medical Center and to certify as to the correctness of the list and as to its incineration.

Background: the attached schedule lists University of Kentucky Revenue Bonds and Coupons returned from Paying Agents from July 1 through December 31, 1967. Since these have been paid and cancelled, they should be destroyed and the certificate of incineration placed on file.

Action: Approved X Disapproved Other
