Mr J. B. Mathews.
New Orleans, La.

Dear Mr Mathews.

I am sending you under separate cover a copy of the Helena World which carries an article which I think you may enjoy reading. I have already sent some previous copies to Mr Jackson carrying the account of the raid.

I am quite sure there is no one in Phillips County who is more appreciative of the good work done here by you and your men although it is very gratifying to all good citizens and complimentary comment is current on all sides and the good people feel that nothing better could have happened to Phillips County at this time.

A great many had lost faith in the Prohibition enforcement and even in our Courts because of the rank abuse which has been carried on so openly here, but now they are saying "Lets go" If I can ever be of any service I assure you it will be a real pleasure
yours truly
O. D. Howe.
