### Kiviniemi Recital

Several years ago during a sabbatical leave from the University of Kentucky, where Aimo Kiviniemi is Professor of Music and Associate Director of the School of Music, Aimo and Viola Kiviniemi traveled in Finland and studied the country and its music. The study was made possible by a grant from the Kentucky Research Foundation and the "Musikitiesdotus Keskus" Foundation of Finland and it concentrated on examination and collection of folk songs and Finnish art songs of the 20th century. The Kantele, a folk instrument which has a 2000 year old history, was a natural adjunct study, since it is used today as in the past, to accompany the folk singer.

From this music, the Kiviniemis are presenting representative portions of both folk songs and the art songs of Finland.

During the past several years the Kiviniemis have presented lecture recitals of Finnish music at twelve colleges and universities. Regarding one such lecture recital a review in the Louisville Courier-Journal stated:

"Kiviniemi has turned his interest in the music of his parents' native land to excellent use, discovering and making available to us this almost unknown repertoire, and a fascinating repertory it turns out to be.....a grateful 'thank you' to Mr. Kiviniemi and his family for our original and very satisfying evening. The research and presentation of the material is an excellent sample of the kind of research the taxpayer should seek for his investment in our system of higher education."

#### ACTS Meeting

There will be a meeting of the Assembly of Clerical and Technical Staff, October 24 at 2:00 PM in the Gallery, King Library North.

#### LSO Minutes

#### The United Way, A Status Report

The United Way Team for the Library has been a productive one indeed. Last year, we had contributions amounting to \$1,699 with 63 donors out of 158. This year, to date, we have collected \$2,138 with 93 donors. This is an increase of over 20% in donations and 33% increase in total number of donors.

I would like to thank the Team - Terry Birdwhistell, Evelyn Evans, Vivian Hall, Cheryl Jones, Judy Sackett and Frances Williams and all the wonderful donors throughout the Library. There were several donations well in excess of \$100.00, which gave a huge boost to the effort, but regardless of your donation any amount helps. Thanks for caring.

If there is anyone who would still like to give, please contact John Bryant, United Way Chairperson, or any member of the Team.

Spools! Spools! Spools!

Please don't throw away those heavy cardboard spools from the I.B.M. paper rolls. I've found a home for them. The Childhood Lab in Home Economics can use them for all sorts of things.

Send them as they become available to me at the Chemistry-Physics Library. Due to lack of storage space we would like only 50 to 75 spools. When the quota has been reached, I'll notify you.

Ellen P. Baxter  
On behalf of 70 little people  
in the Childhood Lab and the  
Day Care Center.

Fines and Copy Service Monies

Beginning Monday, October 24, all fines and copy service monies should be brought to Bill Short in Administrative Services, third floor, King Library North, rather than to the Director's Office.

Ms. Morgan is best known for her editorship of SISTERHOOD IS POWERFUL and has authored two books of poetry (MONSTER, and LADY OF THE BEASTS) and a book of prose. Mr. Pitchford has written three volumes of poetry, including COLOR PHOTOS OF THE ATROCITIES and CONTRABAND POEMS.
