

jhs OUR LADY OF GETHSEMANI TRAPPIST, KENTUCKY

54.

Dear Victor and Carolyn

Here is Victor's text, and my own piece on Shakertown, as I promised yesterday at our very pleasant encounter. I still don't know what Jubilee will do with the Shakertown piece, but I see no reason why it should not be printed privately, and I could do some editing on it. As a matter of fact, if this is to be printed in connection with the restoration of Shakertown I could go a little more fully into the history.

Bless you always, in Christ,

Tom
