2. Concerning Credits in Physical Education:

All students who participate in Freshman or Varsity sports for the entire season of that sport, will receive credit in Physical Education for that semester. All who do not report regularly will be required to take up regular classes in Physical Education.

Emory Jones
Secretary

MINUTES OF THE SENATE JANUARY 8, 1923

The University Senate met in the Little Theatre Monday, January 8, President McVey presiding.

The minutes of December 11 were read and approved.

Upon recommendation of the Council, Senate approved the organization of Omega Rho, Women's social fraternity.

Senate approved the following recommendation from the College of Agriculture:

- ↓ Home Economics 108 - changed to ^{Nutrition} H. E. 131 - title remains the same.
- ↓ Animal Industry 6a-6b - reduced from four to three credits and no. changed to Animal Industry 17a-17b.

It was voted that this be retroactive, so as to include the past year. The courses were given without authority.

The following recommendation was approved:

"That the deans of the colleges and the Registrar be authorized to adjust conflicts in the numbering of courses. For example, if a new course is presented and it is learned afterward that that number

Senate, January 8, 1923

164

has been applied to another course, they have authority to assign a new number."

President McVey appointed the following committee to prepare resolutions on the death of Mr. Courtney Smiser: Messrs. L. S. O'Bannon, J. R. Johnson, D. V. Terrell, L. E. Nollau.

Ernest G. Guller
Secretary

MINUTES OF THE SENATE FEBRUARY 12, 1923

The University Senate met in the Little Theatre Monday, March 12, President McVey presiding.

The minutes of January 8 were read and approved.

The following report was made by the Committee appointed to prepare resolutions on the death of Mr. Courtney Smiser:

"The Members of the Senate of the University of Kentucky wish to express sincere sympathy to the family and friends of our deceased colleague, Mr. Courtney Smiser, on account of their bereavement.

Mr. Smiser was a member of the faculty of the College of Engineering. He was a good teacher, beloved by both students and fellow members of the staff.

Through his untimely death the University has lost a valued trainer of young men, and his associates have lost the fellowship of a delightful personality."

The following recommendations from the College of Arts and Sciences were approved:

1. That History and Political Science 53 be replaced by History and Political Science 53a and 53b - Legislative Procedure. .3 credit per semester.
2. That English 12 - Debate Practice - be replaced by English 12a and 12b, Debate Practice, 2 credits per semester.

Senate approved the following recommendations from the College of Engineering:

Practical Mechanics 7a - Required of all freshmen in engineering. Bench work in wood, wood turning, pattern making and foundry practice. Eight hours a week. First semester. Repeated second semester.

Practical Mechanics 7b - Required of all freshmen in engineering. Continuation of practical mechanics 7a. Second semester. Repeated first semester.

Practical Mechanics 8a - Required of all sophomores in engineering. Forging, machine work and automobile repairing. Prerequisites, Practical Mechanics 7a and 7b. Six hours a week. First semester. Repeated second semester.

Practical Mechanics 8b - Required of all sophomores in engineering. Continuation of Practical Mechanics 8a. Six hours a week. Second semester. Repeated first semester.
