

This memorandum purports that
James Sproull is to have his third
of the residue of the town tract where
Carlisle Indiana is laid out
or laid off in the following manner
viz beginning at the centre of Lewis
Street where the street terminates at the
north west side of the Town thence
to run north west to the line of
the tract aforesaid thence with
the line of said tract to a point
on the north East side of the Town
so that a direct line to the lots of
said Town will include one equal
third of the land or tract that remain
not laid out in lots in Carlisle
~~March 4th 1817~~ and same led
-gewoods to have his part laid out
adjoining said Sproull & run with the
lines of the tract to a point on
the south west of the Town so that
an intersection therefrom with
the lots of the Town will give
one third of said land & the resi-
-due to be one equal third of said
land to be for William Mc

test Harland March 4. 1817
