

SDS Needs \$300 For It's Vietnam Forum

Students for a Democratic Society (SDS) members will canvass faculty members in order to raise contributions toward the \$300 needed to finance the group's Feb. 9 Vietnam Forum.

This was one of four items discussed at Thursday's meeting of SDS in the Student Center. Seven members were present for the meeting.

The \$300 will be used to pay travel expenses of the three speakers who will come here. Memorial Hall will be the site of the forum.

Acting chairman for the meeting, David Elkinton, said of the fund-raising plans: "I would hazard a guess the faculty would be willing to contribute because most professors want to do something about the war, and they might see this as doing something."

This form of fund-raising was used successfully for the group's two previous Vietnam Forums.

A Draft and Vietnam Conference to be held the day following the forum (Feb. 10) also was discussed. It will be a statewide conference.

About 300 are expected to attend.

Speakers will include Wen-

dell Berry, assistant professor of English here, who also is a poet and novelist, and associate professor of law Robert Sedler, who will speak on the draft.

Other speakers are Joseph Mulloy, a former Appalachian Volunteer involved in the Pike County sedition case, and also GI's back from duty in Vietnam. The conference will be sponsored by SDS, the Peace Action Group, the Louisville Peace Conference, the American Friends Service Committee and others.

Still another operation discussed was the local SDS chapter's hosting of a National Council here for SDS members from across the country. About 250 people would be expected to come for the meeting.

A motion was passed to have a weekly steering committee meeting in order to plan for the Council, which has yet to receive final approval from the administration.

The steering committee is to meet every Sunday afternoon at 3:30 in the Student Center.

There also was discussion about SDS filing an amicus cur-

iae brief in behalf of four people arrested during a sit-in at last semester's protest against Army Chemical and Biological Warfare recruiters by the Peace Action Group.

The brief had been suggested by Bill Murrell, who was among the four arrested.
