

June 12, 1914.

C. H. Moorman, Esq.,
Asst. Dist. Atty., L & N R R Co.,
Lexington, Kentucky.

Dear Sir:-

Enclosed herewith, I hand you Bill for Judgment and Costs in the case of John Riddle v. Lexington & Eastern Railway Company, in Hazard Police Court. The Judgment is for \$14.00 with interest from May 13, 1914, and costs amounting to \$3.30.

It appears from the file that this suit was filed May 13, 1914, and summons executed May 20th; that I received a copy of the Statement and Docket Report on May 28th, and immediately forwarded same to you; that you then on May 29th, wrote Mr. Seger, Freight Claim Agent, requesting an investigation. Whether or not such investigation was completed in time for use at the trial of the case I am not informed, but I infer that it was not. The Judgment is certified as of June 4, 1914, and I assume that the case was brought on that date. *on for trial*

Unless you desire some further explanation, I have to ask that voucher may be issued in settlement of the Judgment.

Very truly yours,

Encs.
