Louisville, Ky., July 17-1914.

Mr. B.D. Warfield,
District Attorney,
Building.

Dear Sir:

Refer to your advice as to suit of Ellis Johnson vs Philbrick & Baxter and L & N and L & E seeking to recover damages in the sum of \$200.00 on account of injury to buildings growing out of blasting on Potter's Fork of Boone.

Messrs. Philbrick & Baxter write me that the suit was settled on a compromise basis, and I am advising you, sending copies to Messrs. Wilson & Wootton & Morgan, that they can keep in touch with the situation.

I have asked Messrs. Philbrick & Baxter to see that the suit is dismissed.

Yours truly,

H.C. Williams,
Chief Engineer of Construction.

Cy Philbrick & Baxter; Wootton & Morgan.

SMW.

To note and return.

July 20, 1914. B.D.W.
