

November 9, 1915.

Jesse Morgan, Esq., Attorney at law,
Hazard, Kentucky.

Dear Sir:

I received your wire of this date, advising me that D. I. Day had notified you from Whitesburg that the November Special Term of the Letcher Circuit Court had been declared off. This is certainly good news and I hope the determination on Judge Roberson's part to cancel the term will stick.

In this connection, I am planning to go away the latter part of this week for an absence of ten days or more and I have to ask that you will do your best to hold things down at Hazard and Whitesburg both during my absence. I know that you can do this without half trying.

SMW/a

Very truly yours,

Counsel.
