

March 23, 1915.

Mrs. Gertrude Conley,
Jackson, Kentucky.

Dear Madam:

Referring to duplicate bill in Reed Thomas case, rendered me under date of March 15th, I have to say that on February 25th, I approved your bill and forwarded same to Louisville for payment. The Louisville office has a great abundance of such claims to handle and no doubt the delay has been caused in this way. If you do not within the next ten days receive a remittance to cover the account, kindly advise me and I will have an investigation made at Louisville.

Very truly yours,

SMW/a

Counsel.
