Law Agent, L&N RR Co.,

234.

Dear Sir:

Under date of January 30, 1917, Messrs. Morgan & Hucks advise that it is highly expedient for us to make settlement, if possible, of the case in Perry Circuit Court of Joe Baker v. L&N. As you know, I have had this up with you a time or two and you know my views on the subject. Please, at your convenience, see what can be done toward effecting a reasonable settlement of the case with Judge Eversole. I am confident that such settlement ought to be made and made with reasonable diligence.

Very truly yours,

SMW/a

Counsel.
