Mr. G. H. Justice,
Division Engineer,
Hazard, Ky.

Dear Sir:--

Sometime ago I wrote you in regard to complaint of Mr. Jeff Isom, General Manager of the Lewis Telephone Company, as to his telephone lines not being placed in as good condition as they were prior to our construction work being started along the same. I requested you to have the lines put in good condition; if necessary, securing the services of our linemen on the North Fork Extension.

I attach hereto letter from Mr. Jouett enclosing letter from Attorney Hayes at Whitesburg. Please have this matter given prompt attention to see that the lines are put in as good condition as they were prior to our interfering with them. Please advise me promptly what steps you are taking in the matter, with return of correspondence.

Yours truly,

J. H. Jouett
Chief Engineer of Construction.
