Mr. J. E. Willoughby,
Louisville, Ky.

Dear Sir:-

I have your letter relative to the proposition to be made to Mr. McCoy and have written him accordingly.

I also have your letter enclosing certain deeds sent with Mr. Bradford's letter for correction and further information. While I have some of the data at hand with which to give this additional information I am taking the matter up with the attorneys in the three counties by mail today and will return all of the deeds as soon as I get them back.

Yours very truly,

ESJ/CCP.
