

May 16, 1916.

Messrs. Wootton & Morgan, Attys.,

Hazard, Kentucky.

Gentlemen:

Replying to yours of the 13th instant, advising me that the case of Preston Campbell v. L & E Ry. Co., in Perry Circuit Court, has been assigned for trial on Thursday, May 26, 1916, I have to say that I am under engagement to try a personal injury case in the Fayette Circuit Court, specially assigned for Thursday, May 25, 1916, and that on account of this conflict, it will be impossible for me to attend the Perry Circuit Court on that date. On reference to my file, I see that this case of Preston Campbell v. L & E is an old case, filed in August, 1912. I do not appear to have any report on it, unless such report has heretofore been sent to you. If you have nothing in your file on the case, let me ask that you write direct to Mr. H. C. Williams, Chief Engineer of Construction, at Louisville, calling his attention to Mr. Moorman's letter to him of January 31, 1915, requesting an investigation and report at the earliest practicable moment.

Very truly yours,

SMW/a

Counsel.
