Dear Sir:

Your letter of December 14 relative to the case of J. G. Campbell v. L. & E. Railway Company, Perry Circuit Court, was referred by me to Mr. McDowell, inasmuch as your previous letter (March 18, 1915) was sent to Mr. McDowell, with the request that the Campbell case be turned over to the proper party for investigation. Mr. McDowell's reply of December 20 is before me. I note he has sent you a copy of his letter.

If you do not hear promptly from Mr. Seargeant, I wish you would please bring the matter to my attention again, in order that I may handle it further with him.

Yours truly,

J. J. Donohue
Assistant District Attorney.
