Suit of Jno. Francis, vs. L. & E. Ry. Co. for killing one Hog.

Hon. Jesse Morgan,  
Local Attorney,  
Hazard, Ky.

Dear Sir;

Replying to your letter of the 30th. relative to the above subject, I agree with you that this case should be settled out of Court and in fact should not have been in Court at all and would not have been if Mr. Francis had only given me time enough to get the Section Foreman's report of this accident, but he seemed to be rushed about it and the suit was actually filed before the report reached my Office,

I think it would be well for you to come to some kind of agreement with Mr. Francis about the price of the Hog and settle with him, you can advise me on the amount of settlement and I will send Check to Cover or you can handle through the Law Department for a Voucher for Mr. Francis,

Yours Very Truly,
