 Dear Sir;

Green Baker vs. L&N.R.R.Co.
 Perry Quarterly Court.

Replying to your letter relative to the above subject beg to advise you the reason that I did not settle this claim with Baker before now is that I submitted the Papers in the case to Judge Wilson in person some time last summer and he advised me that we were not liable for any amount and that is the reason I declined payment.

I am sending copy of this letter to Wootton and Morgan at Hazard and if they think best to pay the claim they can advise me and I will send them Check to cover, it seems like it is almost impossible to beat a Stock Claim in the Courts of this Country any more and it is possibly better to settle this Claim now, I will await a reply from Wootton & Morgan before I take further action.

Yours Very Truly,

M. Seargeant
 Stock Claim Agent.
