C. H. Moorman, Esq.,  
Asst. Dist. Atty., L & N R R Co.,  
Louisville, Kentucky.

Dear Sir:

Referring to the case in Perry Quarterly Court of Charley Ross v. L & N, my file indicates that on March 2nd, I sent you, by train mail, Mr. Seger's file covering investigation of this case. I trust upon further search, it may be found somewhere about the Louisville offices.

I have a letter in today's mail from Mr. Morgan urging that voucher in settlement be forwarded promptly, in order to head off another suit against us for the same claim in one of the courts in Letcher County. I believe we are already threatened with one in Whitley County, making three in all.

Very truly yours,

SMW/a

Counsel.
