Dear Sir:

Referring to letter of the 5th instant from Morgan & Nuckols to me regarding suit in Hazard Police Court of J. H. Williams v. L&N, copy to you at Ravenna, I am inclined to agree in the recommendation of Morgan & Nuckols that the judgment for \$25.00 recovered by the plaintiff in this suit be paid without appeal or further contest, unless you think it may be possible to induce the plaintiff to accept less upon the understanding that we will not appeal the case or contest the claim any farther.

Very truly yours,

SME/a
