O. H. Dollard, Esq.,  
Attorney,  
Jackson, Ky.

Dear Sir:

Referring to docket report and copy of the statement in the case of Orlena Hays v. L. & N. R. Co., Jackson Police Court, forwarded to this office with Judge Wilson's letter of March 8, 1917:

I send you herewith Freight Claim Agent Seger's file (L-254646-LS) containing papers covering investigation of claim heretofore presented by the plaintiff in the above-styled case.

You will note that the box of "groceries" was, in fact, lost while in transit. Therefore, please make the cheapest settlement you can of this case, at not to exceed the amount claimed in the statement. Return the enclosures, with your letter advising me as to the outcome of your negotiations.

Yours truly,

Assistant District Attorney.
