Dear Sir:

In reply to your letter of the 14th inst., requesting address of contractor Monday in connection with case of T. L. Webb vs L & N. I presume you refer to S. T. Monday, who had several small contracts on the L & E Railway. While engaged on that work his address was Hazard, Ky., and as I do not know his present whereabouts I am sending copy of this letter to Mr. Jesse Morgan, our local attorney at Hazard, Ky. with request that he advise you direct if he knows the address of Mr. Monday.

Yours truly,

*W. J. Gorman*
