FROM SOLINET UNIT

A campus mailing was recently distributed inviting all faculty, staff and students to a SOLINET open house and demonstration on October 22. Due to space limitation, we are asking all library faculty and staff who have seen terminal demonstrations not to attend. We hope to be able to accomodate as many outside faculty and staff as possible.

Thank you,  
Gail Kennedy

SUPERVISORY LUNCHEONS

University of Kentucky supervisors are eligible to attend the monthly "supervisory luncheons", a group began by those trained in Basic Principals of Supervisory Management. A series of films on supervisory skills began in August and will continue through next summer.

Each luncheon session deals with a separate facet of supervision. For example, the September luncheon considered the area of communication, presenting two films: "Instruction Or Obstruction" and "Listen Please".

The luncheons are held on the third Wednesday of each month in Blazer Hall Cafeteria on Harrison Avenue from 11:30 - 1:00 p.m. After lunch, a film is viewed and a discussion session follows.

The next supervisory luncheon will be held on Wednesday, October 15.

NEWSPAPER/MICROTEXT OPENING

Mary Ada Sullivan will retire July 1, 1976 as head of the Newspaper/Microtext Department; and the Personnel Committee is beginning to search for someone who could fill this position. We hope to find someone by January 1, 1976 so that there will be some overlap. Basically, the person needs to have an MLS from an accredited library school plus experience with microforms and the related equipment. Salary will be commensurate with experience. If anyone on the staff is interested in being considered for the position, please send me something in writing to that effect so that the Personnel Committee can consider internal candidates along with other applications. If anyone would like to discuss the opening further, please come by to see me.
