## New Features This Season

This season's **WILDCAT TIPOFF** will include several continuing features which have not been a part of our program in the past.

In each issue Wildcat fans will be able to read an account of the last meeting between Kentucky and their current opponent.

The **TIPOFF** offers a column, "This Week's SEC", which lists every team in the SEC and their opponents for the current week.

The third innovation in this season's program will be a column authored by "The Voice of the Wildcats", Cawood Ledford. In this issue's "Cawood Reflects", Ledford muses about the upcoming season.

**WILDCAT TIPOFF**, the official Lexington Center program for University of Kentucky basketball, is published by Lexington Productions, Inc.

## Part Of Your Life..

*Dr. Otis A. Singletary*  
*University of Kentucky President*

Now in his eighth year as president of the University of Kentucky, **DR. OTIS A. SINGLETARY** is a Mississippian whose route to the Bluegrass State curled through Louisiana, Texas, North Carolina and Washington, D. C.

He came to Lexington from a position as University of Texas vice-chancellor for academic affairs. Previously, in Washington, he had been director of the U. S. Job Corps in the early stages of its development before moving to the American Council on Education as vice-president. He had gone to the capital in 1964 after three years as chancellor of the University of North Carolina at Greensboro.

The UNC appointment terminated Dr. Singletary's first association with the University of Texas, this a seven-year stay that saw him, as a young historian, rise rapidly in rank from instructor to full professor and begin the shift to administrative work, first as associate dean and later as assistant to the president.

The Kentucky president, and his wife—the former Gloria Walton, met when both were students at Millsaps College. He later earned master's and doctoral degrees at Louisiana State. The Singletarys have two daughters, Bonnie and Kendall, and a son, Scott.

*Cliff Hagan*  
*Director of Athletics*

"I've been preparing for this all my life," **CLIFF HAGAN** said before taking over as athletics director at the University of Kentucky in 1975. Hagan succeeded Harry Lancaster as director after serving as assistant director for three years.

Hagan's path to the athletics directorship began in Owensboro, Kentucky, where he established a then state high school tournament record of 41 points in leading Owensboro to victory over Lafayette in the championship game of the 1949 state high school tournament.

At UK, he played on teams that won 86 of 91 games and an NCAA championship (1951). The 1954 team, undefeated in 25 games, elected not to participate in the national tournament.

*Frank Ham*  
*Assistant Director*  
*of Athletics*

**FRANK HAM** became Assistant Director of Athletics in July 1975 soon after Cliff Hagan succeeded Harry C. Lancaster as Director of Athletics.

A native of Scranton, Pa., Ham came to the University in 1969 as Administrative Assistant to football coach John Ray, and was reassigned to the Athletic Director's staff in 1972 when Ray resigned.

*Larry Ivy*  
*Assistant Director of*  
*Athletics For Finance*

Adding a new dimension to UK athletics was the September appointment of **LARRY IVY** as Assistant Director of Athletics for Finance.

Ivy, who came to the University as Director of Housing in 1969, will be involved primarily with the administration and management of financial aspects, and will help develop and initiate policies for accounting procedures and related business management activities of the department.

*Joe B. Hall*

*University of Kentucky Wildcats  
Head Basketball Coach*

JOE B. HALL'S record as Wildcat head coach for the past four years stands at 79-36. During the 1976 season his team won the National Invitational Tournament and ended the year with a 20-10 record.

Hall became No. 1 varsity assistant and head freshman Coach to Rupp after Harry C. Lancaster was named permanent athletic director Feb. 1, 1969. His record with the freshmen was 60-15, including an undefeated (22-0) season (1971-72) which resulted in the Kittens being crowned National Freshman Champions by the Basketball News.

During his first season as head coach, the Wildcats won their last nine conference games to sew up the SEC title.

His ten-year coaching record is 155-92. Broken down, it shows a 57-50 five-year mark at Regis, a 19-6 record at Central Missouri, and a 79-36 four-year record at Kentucky.

A popular personality on the clinic and convention circuits, Hall also has had much international exposure. In addition to the Globetrotters tour in 1951, and the "Down Under" tour in 1974, he has helped conduct basketball clinics for the U.S. Army in Anchorage and Fairbanks, Alaska (1968) and at Ramstein Air Base in Frankfurt, Germany and the RAF Base at Mildenhall, England in 1975. He also was Olympic Trials coach under Hank Iba at the Air Force Academy in July 1972 and is a member of the 1976 Olympic Basketball Committee.

## Coaching Assistants

**DICK  
PARSONS**

Much of Kentucky's defensive prowess on the court can be credited to the talent of **LEONARD HAMILTON**, a third year assistant, who came to UK after three years as an assistant at Austin Peay State University.

In high school at Gastonia, N. C., he lettered three years in football and twice in basketball. He was basketball team captain two years at Gaston Community College in Dallas, N. C., where he scored 54 points in one game, set a record for most field goals in a season, and was All-Region and All-Tournament.

At University of Tennessee-Martin, he was team captain and led in assists and steals, was most valuable defensive player, All-Conference and All-Tournament. He was elected "Mr. Volunteer" by the student body and played in the Kentucky-Tennessee All-Star game.

At Austin Peay, he coached the freshman team, scouted and recruited. During his three years there, the Governors went from last place to first in the OVC, appeared in two NCAA tournaments and were nationally ranked in scoring.

He is married to the former Claudette Hale. They have a son, Lenny.

**JIM  
LONG**

**DICK PARSONS**, who begins his fifth year as Joe B. Hall's No. 1 assistant, returned to the University as baseball coach in 1969. Before giving up his position to join basketball on a full time basis, he molded a team (1971) which established or tied 15 school records.

A mountaineer in his own right, Parsons came to the University in 1958 after an outstanding career as a four-sports star at Harlan High School, where he had a three-year basketball scoring total of 1,276 points.

A consistent player who made few mistakes at UK, Parsons was known as a fine outside shooter and for his aggressive defense during three years as a starting guard. His career high, 21 points, came against Mississippi as a sophomore.

He was a two-time (1960-61) recipient of the coveted A. B. Chandler award, given annually for the player best exemplifying the qualities of leadership, scholarship, character and ability. Only four other Wildcats have twice been so honored since the award was originated in 1951.

While working on his Master's Degree at the University in 1968-69, he scouted, recruited and helped with the Wildcat freshmen team, later accepting a part-time assistantship in basketball in addition to his baseball job.

He is married to the former Celia Cawood of Harlan. They have a daughter, Kathy, and a son, Ed.

**LEONARD  
HAMILTON**

A native of Detroit, Mich., **JIM LONG** joined the UK staff last year as junior varsity coach and scout.

He came to the University in the fall of 1974 as a graduate student in journalism, but his past association with basketball became too much of a temptation and he soon sought out a liaison with the UK staff as a scout, which the following year blossomed into his jayvee position.

A 1965 graduate of Notre Dame High School in Harper Woods, Mich., he twice lettered in basketball and three times in tennis.

He completed requirements for a B.S. degree in Foreign Language (German) and a teaching certificate from the University of Michigan in 1970.

After a three year teaching stint at Grand Haven, where he was head junior high and assistant varsity coach, he returned to Michigan to earn a Master's degree in Secondary Education in 1974. While working on his Masters degree, he was junior varsity coach at Saline High School.

A veteran organizer of summer basketball camps, Long worked three years at Michigan's camp and twice at Kentucky's, serving last summer as UK's camp director.

In addition to his coaching duties, Long will lend his talents to recruiting and scouting.

## ROY DON WILSON

### Trainer

Entering his seventh year at UK is **ROY DON WILSON**, who came to the University after serving two years as trainer at The Citadel. A native of Texas, he is a graduate of Amon Carter Riverside High in Fort Worth. He received his B.S. degree from Texas A & M with a major in physical education and a minor in business. He is married to the former Patricia Jane Cotter of Houston. They have a son and a daughter.

## WALT McCOMBS

### Trainer

Returning to UK after a three-year absence during which he served in a similar capacity at Clemson University is **WALT McCOMBS**. Assigned primarily to basketball, McCombs also works with Wilson on the football field. A native of Belton, S. C., McCombs is a graduate of Parker High School and a 1971 graduate of The Citadel, where he was student trainer for four years. He was assistant trainer at UK in 1972 and '73. He is married to the former Shelby Burris of Belton.

### There's nothing wrong with a little materialism.

We'll admit it. One of the selling features of Army ROTC is just plain cold cash . . . nearly \$2000 during your junior and senior years of college. There's also the opportunity for full-tuition scholarships. And a \$10,000 a year salary as an Army officer when you graduate.

But we've got other good things to offer you, too. College courses which challenge you both mentally and physically. Management training and experience you'll find valuable in civilian as well as military jobs. And instant leadership responsibility in your first job after college.

If any of this interests you, check out Army ROTC. And even if you enroll just for the money, you'll graduate with something worth a lot more . . . gold bars of an Army officer.

## Meet The 'Cats

### LARRY JOHNSON—12

#### Co-Captain

Back for his final year is 6'3" guard LARRY JOHNSON, whose dazzling speed and ball handling made the press very ineffective against the Cats. The willowy but strong Johnson was at his best under extreme pressure and won three games with final second heroics, including a last second shot to down Providence in the NIT semi-finals. Johnson averaged 11.2 ppg and led the team with 98 assists. He was named to the All-NIT second team.

Says head coach Joe Hall, "I hate to think about having to replace Larry. He does it all. He is the most effective deterrent to the press we have had in sometime, and he seems to come up with the big play when we need it. He is a dedicated worker, and a tremendous set of hands makes his ball handling almost flawless. By getting the ball into play quickly and initiating the break, he almost single handed keeps the Kentucky fast break alive."

## DWANE CASEY—20

Sophomore **DWANE CASEY** from Morganfield, Kentucky is one of two second year men on the Wildcat team. The 6'2" guard has a 1.3 point per game average.

Casey saw action in 20 games and showed steady improvement throughout the year. He played a vital role in the NIT when he hit three quick baskets in the championship game against UNCC.

"Dwane definitely fits into our plans this year," said Hall. "He worked hard this summer on his deficiencies and it's going to pay off for him with more playing time."

Heading the list of returning lettermen is All-American and All-SEC forward **JACK GIVENS**, a silky smooth 6'4" junior southpaw who led the Cats with a 20.1 ppg average while grabbing 7.2 rebounds. Givens scored in the 30's three times and was out of double figures only three times. He became UK's second leading sophomore scorer (602), and was named to the All-NIT team.

Coach Hall says, "The hardest thing to realize about Jack is that he is starting his junior year. We already have come to depend on his leadership and ability to come through in pressure situations. Jack's basketball maturity is his greatest asset."

## TRUMAN CLAYTOR—22

TRUMAN CLAYTOR capped a fine early season performance by winning Co-MVP game honors with Adrian Dantley in the annual Notre Dame shootout in Louisville. After starting eight games, he fell prey to a series of nagging injuries which seriously reduced his effectiveness. However, he returned to form and had a good NIT. His future was clouded again with the injury bug, suffering twice from broken bones in his right hand during summer playground activity. However, "T. C." seems to have recovered and has been impressive during practices.

## JAY SHIDLER—25

**JAY SHIDLER** is a newcomer to the Wildcat camp from Lawrenceville, Illinois. He was the state's top scorer at 32.7 points per game average and nine rebounds.

An all-around athlete, Shidler earned 11 letters at Lawrenceville—four in basketball; one as a football quarterback; three in baseball, and three in track, where he holds the school record in the high jump at 6'5".

UK coach Joe B. Hall likens him to a "jump-shooting Ralph Beard," a former all-time great who performed at guard for the Wildcats in 1946-49. "Jay is a true guard—an exciting player who will need little seasoning. He plays the type defense effective in college basketball, is physically mature and has the skills to render an early contribution to our team.

"Jay comes from an athletic family and his personality and character will enable him to step right in and contribute to the Kentucky tradition," says Hall.

## MERION HASKINS—30

### Co-Captain

MERION HASKINS, a 6'4" senior forward who saw considerable playing time last year including two starts, is a solid fundamentalist and proven defensive player. Despite scoring only 2.3 ppg in 29 games, Haskins' leadership will play an important role in the success story of the '77 Cats.

Hall points to his value away from the ball—blocking out on the boards, getting out on the break to force the defense away from the ball.

## TIM STEPHENS—31

Wildcat newcomer **TIM STEPHENS** is from Stearns, Kentucky. He was the state's leading high school scorer in 1976 at 35.6 points per game and 18 rebounds.

"Stephens is a potential guard," says Coach Hall, "and one who can play the big guard. He is a proven quick forward and will have the opportunity to swing both positions. He and Shidler will give us the outside shooting potential we lacked last year. They should reopen our inside game by taking the pressure off our big men."

Stephens is a two-time All-State basketball player from McCreary County High School, Whitley City, Ky. "I've followed UK since I was 10 years old," Stephens said. "It has been my only thought to play at Kentucky. Now that I've reached that level, I'm as excited as can be."

### COMMUNITY COLLEGES

The University of Kentucky has 13 community colleges scattered across the state at Ashland . . . Henderson . . . Cumberland (Southeast) . . . Elizabethtown . . . Prestonsburg . . . Hopkinsville . . . Somerset . . . Louisville (Jefferson) . . . Paducah . . . Hazard . . . Maysville . . . Madisonville . . . and Lexington (Lexington Technical Institute).

The community colleges offer students the opportunity of taking the first two years of their undergraduate work at home or working toward an associate degree in a two-year technical-vocational program to qualify them for job opportunities. The colleges also sponsor numerous continuing education and adult education programs to meet the educational needs of their communities.

Current enrollment in the community colleges is about 17,000, and the colleges granted a total of 1,746 degrees in the 1975-76 school year. Enrollment in the community colleges has more than tripled in the past 10 years.

Tuition for residents of Kentucky at the community colleges is \$195 per semester.

### MEDICAL CENTER

The Albert B. Chandler Medical Center, through its wide range of programs in education, patient care and research, is committed to meeting the health needs of Kentuckians.

There are five colleges in the Medical Center — Medicine, Dentistry, Nursing, Pharmacy and Allied Health — with more than 1,900 students enrolled.

The University Hospital serves some 16,000 patients annually and accommodates more than 35,000 emergency room visits. Outpatient visits total more than 231,000 annually.

Tuition for these extension programs is \$20 per undergraduate credit hour and \$30 per graduate credit hour. There is also a \$2 service fee for each course.

### CONTINUING EDUCATION

One of the fastest growing services of the University, continuing education programs are designed to bring people up to date with the latest techniques and information in their fields of work. Numerous colleges of the University—including medicine, dentistry, nursing, law, business and economics and engineering—now sponsor a year-long series of programs.

### DONOVAN PROGRAM

Named in honor of the fourth president of the University, the Herman L. Donovan Senior Citizens Fellowship provides an opportunity for any person 65 years of age or older, regardless of whether they are a resident of the state, to enroll in University courses tuition-free. ## "Cawood Reflects"

by  
Cawood Ledford

(PUBLISHER'S NOTE: The popular "Voice of the Wildcats", CAWOOD LEDFORD, is in his 24th season as play-by-play announcer for the University of Kentucky. Cawood, sports director for WHAS radio and television since 1958, has been broadcasting since 1951. He is recognized as a sports authority throughout the nation.

This column will appear in each Wildcat Tipoff this season, as "Cawood Reflects" on Wildcat basketball.)

CAWOOD  
LEDFORD

If they don't get key people injured, like what happened to Rick Robey last year, I think this can be one of the really fine Wildcat teams. Kentucky coming off an NIT championship, Kentucky with a team that was 10 in 10, Kentucky with two maybe three excellent recruits to supplement a team that graduated one man—it could be an outstanding team.

Jack Givens is just a super ballplayer. They have two fine big men in Phillips and Robey. Phillips came along so well last year as did James Lee. Dwane Casey, who was a freshman last season, has looked really good in practice. Larry Johnson is a real clutch player and has great quickness. He won three ball games with last second shots last season. I've been very impressed with the three freshmen—Shidler, Stephens and Williams—in workouts. I think that they have a very bright future.

It's going to be an awfully tough Southeastern Conference. I don't think it has ever been as good as it will this year, so they'll have to be an outstanding ball club to win their own conference. Don't forget, Alabama was really the only team that pushed Indiana last year. That came in their region. Alabama has a great team. They have four starters back. Tennessee has two All-Americans. Mississippi State's gonna be tough as the dickens to beat, especially at home. Auburn was tough to beat at home last year and will be again. You go right down the league. I don't think there's a real weak team—maybe Ole Miss, but they've got a new coach and he might get things going. It's just gonna be a real tough season, but I think the Cats will have an outstanding team.

*Face Tough Season After Posting*

*11-16 Last Year*

Despite facing the toughest schedule in several seasons, TCU head coach Johnny Swaim looks for this season's club to round into a much-improved team compared to last year's 11-16 unit. Recruiting has filled the void left by graduation which claimed the team's leading scorer, rebounder and assist men. Returning starters Randy Boyts and Tim Marion are expected to be the main cogs in the works of the 1976-77 Horned Frog outfit.

## JAMES LEE—32

Filling in for Robey last year was **JAMES LEE**, a junior-to-be whose speed and quickness belies his solid 6'5", 230 lb. frame. Lee started 20 games and after a slow transition, blossomed into the powerful, explosive type player which was predicted of him from prep days. His best performance came when he scored 21 points and grabbed 11 rebounds as the Wildcats upset sixth-ranked Alabama 90-85 on national television. He finished with a 9.3 ppg and 7.3 rebounding mean, and was named to the All-NIT second team.

"Pressed into starting duty last year when Robey was injured, James became one of the most improved players on the team," says Coach Hall. "He is a fluid, strong forward who could easily become one of the outstanding players in the conference."

## LaVon WILLIAMS—34

Freshman LaVon WILLIAMS is from Denver, Colorado. Touted as the best prep cager ever to come out of Colorado, he was named 1976 State Tournament Player-of-the-Year.

According to Coach Hall, "Williams is a player who thrives on competitive situations. He enjoys making solid team contributions through his defensive and rebounding ability. He is a capable scorer, but contributions through other phases of his game seem more important to him. He is a very disciplined player in his shot selection and ball handling and he really comes to play when the going gets rough. He is a winner who plays team basketball."

## RICK ROBEY—53

**RICK ROBEY** is the 6'10" fiery junior competitor who averaged 15.6 points per game and 7.5 rebounds at forward before missing the last half of the season with a knee injury. However, the knee has fully mended without surgery and Robey has been declared 100 per cent recovered. Failing to escape the knife completely, Robey underwent summer operations for a tonsillectomy and removal of a cyst from his hand.

According to Coach Hall, "Robey probably is the key to the improvement of our club this year. His knee injury last year and subsequent loss of a half season's play have made him that much more determined to contribute to the team this year. Rick seems to have much more scoring potential and a better understanding of the game than at any point of his career. He has developed a good feel at forward, and his inside game is tremendous as well. He is extremely agile for a big man."

## MIKE PHILLIPS—55

Holding down the center slot is mammoth 6'10" **MIKE PHILLIPS**, whose overall play showed vast improvement while scoring 15.6 points per game and leading the team in rebounding with 9.8. Phillips' single game highs were 35 points and 28 rebounds. He was selected to the All-NIT team, MVP in the Kentucky Invitational, and second team All-SEC.

"Mike," according to Coach Hall, "can be an awesome scoring machine—someday, he is going to cut loose and pop open a lot of eyes. He needs only to develop lower body strength and control to dramatically increase his efficiency. Mike has a good variety of shots, including an accurate outside jumper."

## KYLE MACY—10

As a prepster at Peru (Ind.) High School, **KYLE MACY** gained All America status and was named Indiana's "Mr. Basketball" after averaging over 35 points his senior year. He was coached at Peru by his father, Robert G. Macy.

Macy, a transfer from Purdue University with a 3.16 academic average, earned a starting role at Purdue in the third game and scored 21 points. His season high came in his first Big Ten game when he popped in 38 points against Minnesota. He finished the year with a 13-plus average, while hitting 49.1 per cent from the field.

"We had recruited Kyle in high school so we know that he is an outstanding young man who will be a credit to our program at Kentucky," said Coach Hall. "He will insure us a quality person and player at his position for three years."

Macy will sit out a year of competition due to the transfer. However, he will be able to practice with the Wildcats and learn Hall's style of play.

## Rupp Arena - New Lair For The Wildcats

"The Coliseum is giving way to progress and a growing fan interest in Kentucky basketball," said Joe Hall, "I played in old Alumni Gymnasium and spent 11 years in Memorial Coliseum as an assistant and then head coach and I am looking forward to an exciting future that awaits us at the Civic Center."

"There will never be another Memorial Coliseum . . . there will never be another Alumni Gym . . . but hopeful, we will have the Kentucky spirit and exciting basketball in the brand new 23,000 seat Rupp Arena."

Lower seating and concourse plan, High Street elevation. All public facilities serving Rupp Arena are located on this concourse. This includes restrooms, telephones, first aid station, drinking fountains, and refreshment stands.
